techniques this book will be invaluable to any church planter DISCIPLESHIP Gary Beisheim, 2024-01-17 This book is a must read for every Christian desiring to deepen and strengthen their relationship with Jesus Christ The author provides a renewed insight for the church and for individuals into being and making disciples by going back to the historic roots of the word disciple i e what it meant in ancient times He also demonstrates what Jesus really meant when He said Go make disciples Mr Beisheim also shows how the word and concept have become distorted and watered down in all but a few churches in America In today s world it is just a concept or a course or a program using terms like mentoring or coaching you will find it is so much more The author does this by redefining what the word disciple and making disciples really means Then the author explains Jesus s only two commands love God and love one another Finally the author spends time on what to teach others ways in which you and Christ can really dive deep and get to know each other The result is a radically renewed way of thinking about being a disciple not merely an occasional churchgoer and making disciples and life itself and how this concept can shape a way of living that affects every relationship you have This is not some concept that worked only in Jesus s day but one which works today in our world as illustrated and attested to by the author 2 *Making Him L.O.R.D.* Guy Caskey, 2020-07-17 Making Him L O R D is a book about allowing God to control your life in such a way that there are incredible results You know brothers and sisters that our visit was not without results 1 Thessalonians 2 1 The Bible refers to results as Christ expressing His Life in and through you Some may refer to this as fruit work multiplication or movement All of those are appropriate ways to describe how God wants to cover the earth with His Glory From the very beginning we want to be honest with the admission that this cannot be done on our own but can only be done by Christ s power A life surrendered to God is a vessel used by God to accomplish His Vision L O R D is an acrostic that stands for Living Out Reproducible Discipleship If you want your life to echo throughout the halls of eternity this is a book for you Our Master and King has set forth the plan and purpose are His chosen instruments This book is about a captivating vision held by many Kingdom minded citizens who desire that none shall perish This is the Father s heart *Charles Stanley's Handbook for Christian Living* Charles F. Stanley, 2008-10-14 A friendly easy to use discipleship guidebook for every believer Since life is a journey feel free to stop and ask for directions Previously released as the bestselling *The Glorious Journey* this practical volume by Dr Charles Stanley shows readers how to put God s Word to work in their daily lives As believers our desire is to follow the Lord more closely and to utilize His Word for maximum impact in our lives Occasionally however we find ourselves not even knowing the questions to ask or the best way to approach Scripture in search of answers In this collection he speaks with authority on such issues as the real purpose of baptism how to treat others at work a proper view of those in government how grace saves us and how worry robs us what freedom really is He also shares biblical insight into relationships children parenting loneliness sexual pressures as well as strategies for personal growth From the thorny issues of daily life to a framework for the end times and everything in between Charles F Stanley s Handbook for Christian brings

Time Is Of The Essence David Harder, Del Downs, Gary Harder, 2021-03-01 Our original book of devotions is based on the song lyrics from Time Is Of The Essence In the book we share Scripture lessons and life experiences that relate to the message of each song God works in mysterious ways Getting the three writers together to do this book bordered on the miraculous The varied backgrounds and experiences that prepared the writers for this book made for an incredible mix but only touches on their individual life stories The idea of writing devotions about the music they were already working on was inspired Sit back and dig into these stories and further into God s Word to see what He has to tell you

God and the Spiritual Tsunami Kjell Axel Johanson, 2018-06-22 God is clearly at work today There is a cultural political and religious metaphorical tsunami gathering power under the surface of ordinary world events and when it is fully released it will turn the world as we now know it upside down Thousands upon thousands of Muslims Buddhists Hindus and nominal Christians become followers of Jesus Christ every day and the effects are enormous The premises of this book are There is a God and the belief in God is a moral and not an intellectual question God created mankind out of his goodness as his representatives on Earth Since God is by nature good and generous the essence of sin is to doubt this goodness and walk away from him God nonetheless continues to seek man in order to bless him and he has an encompassing plan to accomplish that purpose He began this purpose through his covenant with Abraham and is fulfilling it through Jesus Christ Contemporary evidence of this purpose can be seen clearly in what he is doing right before us We see it in the nation of Israel through the growth of the church and the persecution of the church
