Go Preach A Primer For Beginning Preachers:

Go Preach! John Peyton Gilbert, 2002-12 *Go Preach A Primer for Beginning Preachers* is a basic handbook for those who are called to preach on occasion but who may not be formally trained as preachers. Those people may be lay speakers, local pastors or student pastors who are taking on for the first time the responsibilities of delivering the sermon as a part of the service of worship. Others who will find this book useful include those people who for a variety of reasons are called on to preach in their pastor's absence. *Go Preach* may also be read by ordained preachers, both those who have recently graduated from seminary and are serving their first appointment and those who have a great deal of preaching experience but who want a refresher to help them continue speaking the good news of Jesus Christ in ways that are engaging and relevant to today's listeners. *Go Preach* is written simply and directly with an emphasis on practical tips and with just enough theory to support the practice. In the back of this book is a list of suggested resources for the beginning preacher's library. Also included is a bibliography that makes specific suggestions about what to read next to explore preaching in more depth. Book jacket

Postils for Preaching John Rollefson, 2016-10-28 Postils for Preaching reprimates an old term for commentaries on the appointed texts by assisting preachers in their time honored calling of preaching the Word Postilla some think probably refers to the reflecting after this meaning upon the texts that preachers must do in the context of the lives of their congregations and larger communities These essays do not aim to be sermons but sermon starters goads and incitements to consider the assigned texts with serious imagination and good humor all in the context of the church year and its inter textual connections The intention of this publication is to dip into a lifetime of that exegetical and homiletical bag of tricks as Jesus himself obliquely recommended when he noted how every scribe who has been trained for the kingdom of heaven is like the master of a household who brings out of his treasure what is new and what is old Matt 13 52 Please consider these postils a thesaurus treasury from which to borrow insights references and allusions as needed and found of value

of Universal Grace Nathaniel Stacy,1850 **Preaching Christ in a Postmodern Culture** K. A. Beville,2010-04-16 Starting with some observations relating to shifts in ecclesiology and identifying them as a move beyond contextualization to syncretism this work goes on to assess the feasibility of preaching in a postmodern culture which rejects both the idea of absolute truth and authority used as power It traces the historical and philosophical development of postmodernism The Enlightenment project is deemed to have failed and Christianity is perceived as an oppressive metanarrative In a world that is becoming increasingly sceptical and where preaching practitioners are becoming disillusioned this book offers some guidelines about preaching to postmoderns In a relational age rationality is impotent but the author distinguishes between authoritative and authoritarian preaching allowing hope for the survival of the homiletic task Humility is presented as preferable to certitude and persuasion is redefined The author suggests using an inductive mode of communication as a means of engaging postmodern listeners He signposts a way forward in the labyrinthine complexity of the new paradigm and demonstrates that the homiletic task is still feasible Thus this book will be of interest to teachers and students of theology as well as pastors desiring to develop a new apologetic strategy **Preaching tours and missionary labours of George**

Müller Susannah Grace Müller,1889 *Preaching Your Way Out of a Mess* Johnny Teague,2019-03-22 Every day a pastor faces armies of despair fatigue exhaustion and frustration That blessed hope of a Spurgeon church has morphed into a Paul prison Every time he looks up there is another attack First errors are found then sin doctrinal arguing leads to internal strife The army of the nation's culture surrounds for the kill The pastor places his baptism handkerchief on a broom handle and crawls out to surrender Just then he looks to the horizon to see a glorious alliance of sixty six armies The enemy turns in fear many ride away while others engage only to be routed The preacher had forgotten that there are more with us than against us No matter the mess God is with us He has given his Spirit to move among us and he has given us his word to defeat every attack Grab this handbook and be encouraged you can preach your way out of every mess Preacher and Homiletic Monthly ,1912
