National Education Goals Joint Study Group on the National Education Goals (U.S.),National School Boards Association,1992 With the advent of the National Education Goals formulated by President Bush and the nation s governors there is a new nationwide environment for America s schools Goals and objectives set at this new level imply a desire for involvement in national monitoring of local efforts to assess student school and district performance Concerned about school board response to the National Education Goals the National School Boards Association and the U S Department of Education s Office of Educational Research and Improvement jointly sponsored a study group to examine why National

Education Goals are being promulgated now why they are important for local school boards and what school boards can do to support the goals The study group developed several general principles to apply to each goal Essentially the study group urges school boards to 1 consider the National Education Goals a framework for discussing local educational improvement efforts 2 recognize that the goals redefine board responsibilities to include advocacy for children and learning 3 demonstrate the school board s leadership in deciding which community group has primary responsibility for achieving each goal and 4 prepare to cooperate with community members to change the framework for strategic thinking about education The study group also offers a framework for considering each goal at the local level and outlines ideal board responses to each of 21 objectives established for the goals MLH
