Understanding Religious Experiences J. Harold Ellens, 2007-11-30 Today most people feel less interested in religion and more interested in spirituality If you ask what they mean they will tell you that organized religion tends to turn them off but nonetheless they feel a hunger in the heart that they cannot seem to fill They do not mean that they would rather have disorganized religion they mean that institutional religion does not seem to satisfy their spirits and feel there must be something more some better way of experiencing whatever that is for which they are hungry Much new experimentation is going on as a result Some of it is a search for the meaning to fill the soul and satisfy the spirit much of it is a search for meaning on the spiritual level itself Spirituality reaches always toward the question about the meaning of God the meaning of relationships with others the meaning of intimacy and the meaning of soul gratifying insights into truth Here Ellens carefully and sensitively explores the full range of our spiritual natures and the variety of spiritual experiences of which we are capable describing the way our souls and psyches work in our hunger and thirst for meaning He explains in an enlightening and unconventional way why and how every human desires to reflect upon learn and share a heartfelt experience of God and of others Readers will find in this book a description of the meaning of the biblical stories about spiritual experiences in addition to descriptions of the kinds of spiritual experiences that ordinary people are having how they are achieving them and the ways in which they are filling their lives with meaning that goes beyond the horizons of material life The author paints this picture in such a way as to let us in on what biblically based authentic spirituality and spiritual experience really is and why it may or may not necessarily have anything to do with traditional institutionalized religion He carefully and vividly explains the notion of spirituality as it is illustrated in the Bible and discusses spiritual experiences such as prayer epiphany visions and other experiences He considers whether spirituality is mainly a connection with God with others or with both Readers hoping to get a better sense of what it means to be spiritual will have many of their questions answered in these pages

Work in Progress... Mary Barrett, 2010-04-09 A Collection of Reflective and Devotional Spiritual Studies What if there was a such a thing as a toolbox that could help us work on our relationship with God and others Would you be interested Our Spiritual journey is a work in progress keeping it maintained and productive requires the right tools for the job Unless we intentionally pick up and apply each tool they cannot be useful Without proper and well used Spiritual tools our relationship are not as fulfilling Tools are essentials the more we know about each tool the better it will work It

takes commitment and dedication to using the tools that will make changes in our lives. If we are open to using a Christian toolbox, we will strengthen our relationship with God. The job site of life is hard; these tools make doing the work possible. This is the fourth book in the Mother In Love Series; we invite Jesus onto the job site of our hearts as we spend time learning the tools of the Christian trade. The blueprint we will follow offers us scripture, personal stories, questions, and reflective contemplation. If you're ready, strap on that tool belt. It is time to punch in and get to work. Remember, tools do not work if we are unwilling to use them.

Indeed, worshipping God is our highest priority, and Edwards takes us step by step through the worship process, highlighting what it is, how it happens, what it does, and where it takes us. Written for everyone, *Worship 365* is sure to enhance the reader's understanding and experience of God's presence on a daily basis.

Bluegrass Courtship Allie Pleiter, 2009-02-01 A TV star has his work cut out for him trying to win over a small town girl in the second Kentucky Corners romance from the author of *Bluegrass Hero*. The celebrity host of TV's Missionnovation, Drew Downing, is comfortable with his fame. He's become accustomed to the cheering, starstruck townsfolk that usually welcome him as he renovates churches countrywide. Usually, then, he and his crew set up in tiny Middleburg, Kentucky, to rebuild the church's storm-damaged preschool. The very lovely, very no-nonsense hardware store owner Janet Bishop is suspicious of Drew's true motives. It looks like Janet Bishop's faith in God in herself and in love needs some serious rebuilding. And Drew Downing is just the man for the job.
