Church and argues that the small Pentecostal Church is better able to resist modern rationalizing forces retaining the charisma that sparked the initial religious movement The power of charisma in the small church has far reaching consequences and implications for the future of Pentecostalism and its followers Infinite Dendrogram: Volume 1 Sakon Kaidō, 2017 In the year 2043 Infinite Dendrogram the world's first successful full dive VRMMO was released In addition to its ability to perfectly simulate the five senses along with its many other amazing features the game promised to offer players a world full of infinite possibilities Nearly two years later soon to be college freshman Reiji Mukudori is finally able to buy a copy of the game and start playing With some help from his experienced older brother Shu and his partner Embryo Reiji embarks on an adventure into the world of Infinite Dendrogram Just what will he discover and encounter in this game world known for its incredible realism and infinite possibilities Memoir of the Rev.
