humor and compassion is a glorious book that bears all the marks of a classic Becoming Someone New Enoch Lambert, John Schwenkler, 2020-07-17 Suppose you're offered an opportunity to experience something that is unlike anything you have ever encountered but that's all you know aside from the fact that the experience is physically safe and morally acceptable. How do you decide whether to take up the offer? Several philosophers have recently argued that we are in similar situations for more of our decisions than we usually recognize. Are they right? What resources can we draw on to create such situations? Are they enough to satisfy our aims of making the best decisions we can, especially in high-stakes situations? This volume brings together philosophers and psychologists to investigate the phenomenon of transformative change and a host of fascinating questions it prompts. Taking their departure from seminal work on transformative choice and experience by L. A. Paul and Edna Ullmann-Margalit, the authors pursue fundamental questions concerning the nature of rationality, the limits of the imagination, and the metaphysics of the self. They also strike out into new areas including value theory, aesthetics, moral and political philosophy. Several chapters present the results of experimental investigation into the psychology of transformation, self-concept, and moral learning.

Going Blind Isn't Easy Jim Sinkula, 2016-02-01 Jim Sinkula was born in Chicago, Illinois, in 1961. You will find a poem in Chapter Six entitled "Memory Lane," which is the name of the street Jim grew up on, no kidding. It was a small three-bedroom, one-bathroom home shared with his parents and four siblings: three sisters and a brother. Most importantly, there was a great sense of community, and nearly every child had two or three other kids within their age group. Front doors were not locked in those days. In 1969, the family moved to Sunnyvale, California, the heart of Silicon Valley. In those days, the valley was still filled with apricot and cherry orchards. Both the public and the private grammar schools were merely a block away. Once again, there were lots of kids' BBQs and pool parties. Even on rainy days, the temperature was usually warm enough to play outside. In 1975, after Jim's parents were divorced, his mom moved the family a few miles away to Santa Clara, California, where Jim graduated high school. Jim attended college at the University of Nevada, Las Vegas. He graduated in 1984 with a degree in Finance. In 1988, Jim moved to the San Diego county area and currently resides in Carlsbad, California. Jim is pictured here with his mom, Lois, at a recent book signing.

The Pavlac Legacy Herman Edel, 2009-07-22 The Pavlac Legacy is an adventure based on the true facts of a journey that reaches out to the people of Prague, Berlin, London, New York, Boston, Washington, Cincinnati, and finally those of Aspen, Colorado. In 1865, a Torah is created by a poor scribe and his young son. It is done at the behest of a fellow countryman, the very wealthy and important

Prague resident David Pavlac This great gift first binds the two families and then through the years involves people of many religious persuasions people of royalty people of great wealth and the poorest of people Young loves blossom and later old loves provide the needed strength to keep moving forward Wars and hatred and death slowly but relentlessly change the lives of all in an ever growing circle of people Tears vie with laughter as each new adversity unfolds The ability to rise and fight finds few with the courage to stand and battle But others be they young or old emerge who accept the challenge The 1865 creation finds its ultimate home in the mountains of Aspen and with that comes survival and a sense of future hope
