Uncertain Mirrors Jesús Benito Sánchez, Ana María Manzanas Calvo, Begoña Simal González, 2009 *Uncertain Mirrors* realigns magical realism within a changing critical landscape from Aristotelian mimesis to Adorno s concept of negative dialectics In between the volume traverses a vast theoretical arena from postmodernism and postcolonialism to L. vinasian philosophy and eco criticism The volume opens and closes with dialectical instability as it recasts the mutability of the term mimesis as both a world reflecting and a world creating mechanism Magical realism the authors contend offers another stance of the possible it also situates the reader at a hybrid aesthetic matrix inextricably linked to postcolonial theory postmodernism Bakhtinian theory and quantum physics As *Uncertain Mirrors* explores magical realist texts partake of modernist exhaustion as much as of postmodernist replenishment yet they stem from a different location of culture and direction of culture they offer complex aesthetic artifacts that in their recreation of alternative geographic and semiotic spaces dislocate hegemonic texts and ideologies Their unrealistic excess effects a breach in the totalized unity represented by 19th century realism and plays the dissonant chord of the particular and the non identical

Moments of Magical Realism in US Ethnic Literatures R. Perez, 2012-12-06 A collection of essays that explores magical realism as a momentary interruption of realism in US ethnic literature showing how these moments of magic realism serve to memorialize address and redress traumatic ethnic histories

The Palgrave Handbook of Magical Realism in the Twenty-First Century Richard Perez, Victoria A. Chevalier, 2020-04-30 *The Palgrave Handbook of Magical Realism in the Twenty First Century* examines magical realism in literatures from around the globe Featuring twenty seven essays written

by leading scholars this anthology argues that literary expressions of magical realism proliferate globally in the twenty first century due to travel and migrations the shrinking of time and space and the growing encroachment of human life on nature In this global context magical realism addresses twenty first century politics aesthetics identity and social national formations where contact between and within cultures has exponentially increased altering how communities and nations imagine themselves This text assembles a group of critics throughout the world the Americas Europe Africa Asia the Middle East and Australia who employ multiple theoretical approaches to examine the different ways magical realism in literature has transitioned to a global practice thus signaling a new stage in the history and development of the genre **A**

Companion to Magical Realism Stephen M. Hart, Wen-chin Ouyang, 2005 The Companion to Magical Realism provides an assessment of the world wide impact of a movement which was incubated in Germany flourished in Latin America and then spread to the rest of the world It provides a set of up to date assessments of the work of writers traditionally associated with magical realism such as Gabriel Garc a M rquez in particular his recently published memoirs Alejo Carpentier Miguel ngel Asturias Juan Rufo Isabel Allende Laura Esquivel and Salman Rushdie as well as bringing into the fold new authors such as W B Yeats Seamus Heaney Jos Saramago Dorit Rabinyan Ovid Mar a Luisa Bombal Ibrahim al Kawni Mayra Montero Nakagami Kenji Jos Eustasio Rivera and Elias Khoury discussed for the first time in the context of magical realism Written in a jargon free style and with all quotations translated into English this book offers a refreshing new interdisciplinary slant on magical realism as an international literary phenomenon emerging from the trauma of colonial dispossession The companion also has a Guide to Further Reading Stephen Hart is Professor of Hispanic Studies University College London and Doctor Honoris Causa of the Universidad Nacional Mayor de San Marcos Lima Peru Wen chin Ouyang lectures in Arabic Literature and Comparative Literature at the School of Oriental and African Studies London CONTRIBUTORS Jonathan Allison Michael Berkowitz John D Erickson Robin Fiddian Evelyn Fishburn Stephen M Hart David Henn Stephanie Jones Julia King Efra n Kristal Mark Morris Humberto N ez Faraco Wen Chin Ouyang Lois Parkinson Zamora Helene Price Tsila A Ratner Kenneth Reeds Alejandra Rengifo Lorna Robinson Sarah Sceats Donald L Shaw Stefan Sperl Philip Swanson Jason Wilson *Magical Realism and Literature* Christopher Warnes, Kim Anderson Sasser, 2020-11-12 Magical realism can lay claim to being one of most recognizable genres of prose writing It mingles the probable and improbable the real and the fantastic and it provided the late twentieth century novel with an infusion of creative energy in Latin America Africa Asia and beyond Writers such as Alejo Carpentier Gabriel Garc a M rquez Isabel Allende Salman Rushdie Ben Okri and many others harnessed the resources of narrative realism to the representation of folklore belief and fantasy This book sheds new light on magical realism exploring in detail its global origins and development It offers new perspectives of the history of the ideas behind this literary tradition including magic realism otherness primitivism ethnography indigeneity and space and time Magical Realism Maggie Ann Bowers, 2018-06-08 Magical Realism is the essential introduction to this often complex area and guides students

through the use and origins of terms in art literature and film It differentiates the concept from other terms and genres and gives an overview of the geographical and cultural range of the fiction This new edition has been fully revised and expanded throughout to include engagement with new critical work published since the first edition a more global coverage visual arts and theatre readings of authors such as Angela Carter Toni Morrison Salman Rushdie Gabriel Garcia Marquez and films such as Pan's Labyrinth a new chapter on Postcolonialism This comprehensive and accessible guide is the ideal starting point for students of literature film and television studies

Exploring Magic Realism in Salman Rushdie's Fiction Ursula Kluwick, 2013-02-28 Kluwick breaks new ground in this book moving away from Rushdie studies that focus on his status as postcolonial or postmodern and instead considering the significance of magic realism in his fiction Rushdie's magic realism in fact lies at the heart of his engagement with the post colonial In a departure from conventional descriptions of magic realism based primarily on the Latin American tradition Kluwick here proposes an alternative definition allowing for a more accurate description of the form She argues that it is disharmony rather than harmony that is decisive that the incompatibility of the realist and the supernatural needs to be recognized as a driving force in Rushdie's fiction In its rigorous analysis of this Rushdian magic realism this book considers the entire corpus *Midnight's Children* *Shame* *The Satanic Verses* *The Moor's Last Sigh* *The Ground Beneath Her Feet* *Shalimar the Clown* and *The Enchantress of Florence* This study is the first of its kind to do so

Diasporic Marvellous Realism María Alonso Alonso, 2015-07-14 Diasporic Marvellous Realism highlights the interesting switch in perspective found in contemporary literary production where the supernatural is regarded from a diasporic perspective as marvellous rather than magical The titular term is applied to the influence of transterritorialization on the works of first and second generation immigrant writers when approaching and exploring the myths and legends of their culture of origin The texts included in this analysis show that the employment of this literary philosophy and narrative technique in contemporary literature involves a fruitful refocusing of the rhetorical gaze regarding the importance of cultural heritage as vindictory resistance to the lacunae of history and as celebratory re enfranchisement of diasporic communities in host countries such as Canada and the UK

Transgressing Frontiers Ngong Toh, 2021-04-02 The focus of this book is to assess through language and literary studies in interpretation the epistemic representation of frontiers in its shifting and fixing categories The contributing researchers stress on the fact that crisscrossing has taken its toll on communities and disciplines and that hegemonic positions are becoming increasingly redundant and provocative Frontier discourse is therefore a socio political and culturally oriented discourse Importing it to language and literary studies also shows that literary circles like language are equally shifting and erasing borderlines The chapters discuss crisscrossing of frontiers both as geography and epistemology This is in line with the new cultural ontology that opens up new interpretations and shifts from previous ones in the disciplines of Language Linguistics Arts and Literature The book pulls together a wide range of issues based on a plurality of theoretical assumptions The issues presented are grouped into three broad sections Section one

looks at the creation of the self as a way to dismantle the other In section two the focus is on linguistic shifts and the fact that all languages need space in multilingual societies And section three shows how people travel out of their homelands to seek comfort Resourceful insightful and incisive the book offers depth and breadth in refined scholarship The contributors are masterly in their handling of borderlines between ideology and iconoclasm globalisation and nationalism memory and nation gender and identity official and indigenous languages self other dialectics migration and identity The book is an invaluable asset to researchers and students with a penchant for interdisciplinarity intertextuality multiculturalism and globalisation

The Afrikan Revolution in Ayiti Kimoni Yaw Ajani, 2023-12-18 Throughout the history of Western academia there have been scholars who have interpreted and examined various aspects of human history and made it a point to universalize their own interpretations of different people's histories and cultures This type of scholarship tends to ignore the contributions and historical realities of other people This case is especially true of the scholars who have interpreted the historiography around the Afrikan revolution in Ayiti otherwise known as The Haitian Revolution Kimoni Yaw Ajani's *The Afrikan Revolution in Ayiti: Liberty or Death* is an Afrocentric re-examination and interpretation around the historiography of the Revolution in Ayiti and provides an in-depth study that highlights several significant Afrikan epistemological and cosmological aspects that led to freedom These aspects include but are not limited to the persistence of Afrikan complementary forces in Ayiti Vodou Vodun and Afrikan cosmology Afrikan combat traditions such as Tire Machet and the numerous Afrikan languages personalities and roles that emerged from the growing numbers of Afrikans brought to Ayiti as a result of the European slave trade Ajani calls for building communities on the best of Afrikan epistemological foundations and reclaiming Afrikan history

Dutch Neorealism, Cinema, and the Politics of Painting, 1927-1945 Stephanie Lebas Huber, 2024-08-12 This study offers a radically new perspective on Dutch Neorealism one that emphasizes the role of film as an apparatus the effects of which when emulated in painting can reproduce the affective experience of film watching More of a tendency than a tightly defined style or ism Neorealism is the Dutch variant of Magic Realism an uncanny mode of figurative painting identified with *Neue Sachlichkeit* in Germany and *Novecento* in Italy Best represented by the Dutch artists Pyke Koch Carel Willink Charley Toorop Raoul Hynckes Dick Ket and Wim Schuhmacher Neorealism as demonstrated in this book depicted societal disintegration and allegories of looming disaster in reaction to the rise of totalitarian regimes and eventually the Nazi Occupation of The Netherlands The degree to which these artists exhibited either revolutionary or reactionary sentiments usually corresponding with their political affiliation is one of the central problematics explored in this text The book will be of interest to scholars working in art history World War II history and film studies The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

The Gardeners' Dirty Hands Noah Toly, 2019 In *The Gardeners' Dirty Hands* Environmental Politics and Christian Ethics Noah Toly engages Christian and classical Greek ideas of the tragic

to illuminate the enduring challenges of environmental politics He suggests that Christians have unique resources for responsible engagement with global environmental politics

Engaging with Multicultural YA Literature in the Secondary Classroom Ricki Ginsberg, Wendy J. Glenn, 2019-03-13 With a focus on fostering democratic equitable education for young people Ginsberg and Glenn's engaging text showcases a wide variety of innovative critical classroom approaches that extend beyond traditional literary theories commonly used in K 12 and higher education classrooms and provides opportunities to explore young adult YA texts in new and essential ways The chapters pair YA texts with critical practices and perspectives for culturally affirming and sustaining teaching and include resources suggested titles and classroom strategies Following a consistent structure each chapter provides foundational background on a key critical approach applies the approach to a focal YA text and connects the approach to classroom strategies designed to encourage students to think deeply and critically about texts themselves and the world Offering a wealth of innovative pedagogical tools this comprehensive volume offers opportunities for students and their teachers to explore key and emerging topics including culture disability ethnicity gender immigration race sexual orientation and social class

Postcoloniality, Globalization, and Diaspora Ashmita Khasnabish, 2019-12-03 Postcoloniality Globalization and Diaspora What's Next looks forward within the field of postcolonial studies and goes beyond the notion of hybridity and postcolonial reason beyond just portraying it This volume offers a futuristic vision going beyond the common paradigms of postcoloniality diaspora and globalization speculating a framework beyond master slave dialectic This new paradigm locates a humanitarian space purifying ego through various forms writing philosophizing and theorizing new ideas Authors focus on writers from Mauritius to India

Popular Cinema as Political Theory J. Nelson, 2013-12-05 The book presents cinematic case studies in political realism versus political idealism demonstrating methods of viewing popular cinema as political theory The book appreciates political myth making in popular genres as especially practical and accessible theorizing about politics

Darkness Subverted Katrin Althans, 2010 English summary At the heart of the Gothic novel proper lies the discursive binary of self and other which in colonial literature was quickly filled with representations of the colonial master and his indigenous subject Contemporary black Australian artists have usurped this colonial Gothic discourse torn it to pieces and finally transformed it into an Aboriginal Gothic This study first develops the theoretical concept of an Aboriginal Gothic and then uses this term as a tool to analyse novels by Vivienne Cleven Mudrooroo Kim Scott Sam Watson and Alexis Wright as well as films directed by Beck Cole and Tracey Moffatt It centres on the question of how a genuinely European mode the Gothic can be permeated and thus digested by elements of indigenous Australian culture in order to portray the current situation of Aboriginal Australians and to celebrate a recovered cultural identity

Liminality and the Short Story Jochen Achilles, Ina Bergmann, 2014-12-05 This book is a study of the short story one of the widest taught genres in English literature from an innovative methodological perspective Both liminality and the short story are well researched phenomena but the combination of both is not frequent

This book discusses the relevance of the concept of liminality for the short story genre and for short story cycles emphasizing theoretical perspectives methodological relevance and applicability Liminality as a concept of demarcation and mediation between different processual stages spatial complexes and inner states is of obvious importance in an age of global mobility digital networking and interethnic transnationality Over the last decade many symposia exhibitions art and publications have been produced which thematize liminality covering a wide range of disciplines including literary geographical psychological and ethnicity studies Liminal structuring is an essential aspect of the aesthetic composition of short stories and the cultural messages they convey On account of its very brevity and episodic structure the generic liminality of the short story privileges the depiction of transitional situations and fleeting moments of crisis or decision It also addresses the moral transgressions heterotopic orders and forms of ambivalent self reflection negotiated within the short story s confines This innovative collection focuses on both the liminality of the short story and on liminality in the short story Once upon a Time Sarah A. Appleton, 2009-10-02 While it is often acknowledged that Margaret Atwood s novels are rife with allusions from the oral tradition of myth legends fables and fairy tales the implications of her liberal usage bear study The essays in this volume have been written by some of the most influential Margaret Atwood scholars internationally each exploring Atwood s use of primal indeed archetypal narratives to illuminate her fiction and poetry These essays interact with all types of such narratives from fairy tales and legends to Greek Roman Biblical and pagan mythologies to contemporary processes of myth and tale creation And as the works in this collection demonstrate Atwood s use of myths and fairy tales allows for an abundance of old yet fresh material for contemporary readers By reconciling yet by also revisioning the archetypal motifs characters and narratives Atwood s writings present a familiar yet unique reading experience

Eventually, you will certainly discover a new experience and endowment by spending more cash. still when? pull off you say you will that you require to get those all needs behind having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will lead you to understand even more roughly the globe, experience, some places, gone history, amusement, and a lot more?

It is your certainly own era to undertaking reviewing habit. in the course of guides you could enjoy now is **Magical Realism The New Critical Idiom** below.
