Magnificent Obsession Why Jesus Is Great:

Magnificent Obsession David Robertson, 2013 The New Atheists thought that they were going to offer the coup de grace to a religion that was dying If you are one of them welcome to a new world Welcome to a world of hope and the possibility that you are more than just a blob of carbon floating from one meaningless existence to another Welcome to a world of truth meaning and love These are grand claims but I hope and pray that as you read this your mind will be blown at the staggering wonder of the truth I pray that you will not only gain an understanding of why so many people continue to believe in God but also that you will come to have your own faith challenged Publisher's description **Getting at Jesus** Peter S.

Williams, 2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus

Wilderness Survival GUIDE Daniel Kolenda, 2019-04-01 The wilderness is a hard place But it's as crucial for our lives as it is painful While a desert season feels terribly wrong and loneliness and despair may seem to reign God is with you and He desires to use the wilderness for your eternal good To reap its benefits however you must understand its nature and purpose That's the reason for this book It will look to the Bible as a spiritual Survival Guide for the desert the supreme source of wisdom both for enduring the wilderness as well as navigating safely through it to God's promised destination

Unburdened Chris Tiegreen, 2010-07-21 In his Word God promises us freedom from worry Wouldn't it be nice if we actually believed him What would happen if you took the concerns that grip you that keep you awake at night that clench

Your Identity in the Trinity Sean Cole,2019-04-12 Many believers struggle with assurance of salvation tending to approach obedience to God out of either guilt or legalism We exist to display God s glory declare God s gospel and disciple for God s Great Commission Instead of embracing these truths many Christians have believed the lie that their identity in Christ does not affect how they live their lives in obedience to him The gospel tells us that being identity comes before doing obedience This lack of understanding our gospel identity frequently results in either legalistic pride or frustrating guilt The purpose of this book is to help believers understand their identity in the three persons of the Trinity and then joyfully serve God with gospel obedience The gospel indicatives in the Bible serve as the fountain and power for obeying the moral imperatives in the Bible The gospel roots our assurance of salvation and motivation to obey God in our identity not in moralism which elevates our performance instead of exalting the finished work of Christ *Behold... the Man!* Charles R. Swindoll,2004-04-05 The truthful Man falsely accused The innocent Man illegally tried and wrongly convicted The gentle Man who suffered punishment few could imagine much less endure The murdered Man who forgave His own merciless killers The divine Man who died as a common criminal The willing Man who gave His life for others The ordinary Man who was in fact the extraordinary Son of God The pathway Jesus took to the cross of Calvary is commonly called the Passion This sorrowful path weaved through soul wrenching prayers and illicit deals made in shadowy darkness It descended into corrupted courts bereft of justice and circled by prejudiced rulers stripped of power On this pathway of His passion Jesus paused for a torturous scourging and plodded on doggedly to a horrific death on a hillside called the Skull But why In this incredible historically accurate account you will come face to face with Jesus the Man of Sorrows If you re honest you ll find the amazing answer to why and you ll change When you stop long enough to look to think to imagine and to truly Behold the Man you ll never be the same again Chuck Swindoll leads us through a detailed examination of the events surrounding Jesus as he follows the winding pathway of his passion to the cross This story based investigation of the last week of Jesus s life from the Last Supper to his death focuses on Why And in his Epilogue to this powerful insightful book Swindoll clearly

explains to the unchurched and non Christian reader why Jesus was willing to walk this sacrificial path to die he did it for them Releasing simultaneously with Mel Gibson s stirring movie The Passion of The Christ Swindoll s book provides Christians an excellent evangelistic follow up tool to give to their unchurched or non Christian friends and families who see the film As Chuck said after a private viewing of the movie You ll never be the same again And Behold the Man will help ensure that fact *First Things First* Deborah F. Jenks,2002-07 Dr Deborah F Jenks is a senior consultant in strategic leadership and effective IT integration She has worked and lived globally since the eighties IBM selected her for an international assignment She served as a missionary for seven years ministering in numerous countries She is ordained under Overflowing Life Much of her ministry has been in teaching intercession research and mentoring Some of her favorite topics include intimacy with the Lord hearing and seeing what God is saying foresight seeing the future through God s eyes She currently resides in Virginia near the nation s capital **The Compelling Faces of Jesus Christ** William Powell Tuck,2008 In seeking to explore who Jesus is the author has explored the meaning of the Incarnation Christ as Teacher and healer and the rejected crucified and risen one Finally he probes the meaning of the Christ as a present reality and how he can still be known Tuck writes in a nontechnical way to draw reader into the realization of the importance of personal commitment to Christ if one is to more fully grasp the meaning of Christ s person and presence The ink drawings by Israel Galindo invite the reader to probe in a visual manner the rich interpretation of the compelling faces of Jesus BOOK JACKET

Divine Gravity Meghan Larissa Good,2023-11-07 A movement manifesto for a more hopeful and Jesus centered Christianity Over five hundred years ago the Western church underwent a period of massive recalibration that exposed abuses and theological blind spots and revived the historical foundations of Christianity Today signs suggest that we have entered another such religious reformation as new technologies ecclesial scandals and a crisis of biblical authority leave many Christians adrift or deconstructing the faith they once took for granted The Christian story the church has been telling has become too small and we are at a dead end There is hope Author and pastor Meghan Larissa Good invites readers into a movement that is finding ways to tell a better Christian story a movement that is already emerging spontaneously as a work of the Spirit in many different wings of the church Along the way readers will encounter core rediscoveries of this authentic Jesus centered Christianity through Christ God is breathing life among us restoring creation and reconciling all divided things In this better story isolation intolerance polarization and death have no grip This story satisfies our deep spiritual hunger beckoning us to renew the church for the coming centuries and reignite a world changing global movement

Goll, 2007-04-28

Over two hundred and fifty years ago this verse was burned into the hearts of Moravian refugees in the tiny community of Herrnhut in eastern Germany Their commitment to restore the Watch of the Lord through 24 hours of unbroken prayer and intercession continued for more than 100 years God is calling His warriors once again to mount the Watch of the Lord When God's people send up the incense of prayer and worship God will send down supernatural power anointing and acts of intervention Author James W Goll combined with the writings of E M Bounds paints an inspiring picture of prophetic clarity and prayerful urgency that sound God's clarion call to His Church Now is the time to mount the walls with prayer and praise and restore The Lost Art of Intercession *Evangelistic Preaching* Lloyd M. Perry, John R. Strubhar, 2000-02-05 *The Pleasure of Loving God* Mike Bickle, 2013-07-15 Here's an ultimate portrait of a loving Father one to whom we can come for a fresh supply of truth and beauty day by day In the process we'll awaken a fervent devotion to our heavenly Lord As we employ the Great Commission in our daily lives we also discover the joy and pleasure of being a vehicle through whom Christ's own prayers are lived out in the world Prepare to encounter God His awesome loving presence in your daily life God's Power His active supernatural role in your daily life Your True Identity in God His view of you A Fresh Awakening and Understanding of God's Majesty His plans to bring you to new heights of joy and peace that you never thought possible The Pleasures of Loving God is a call to accept God's all encompassing love for you something that is already yours not anything that you have to earn or win
