2.5 After Sales Services

We offer a full range of maintenance and warranty services.

2.5.1 Maintenance

WARNING: Incorrect service or parts replacement can result in severe personal injury, death, and/or equipment damage. Service personnel must be trained and experienced to perform electrical and/or mechanical service.

For customers who wish to have their generator sets expertly serviced at regular intervals, your local distributor offers a complete maintenance contract package. This covers all items subject to routine maintenance and includes a detailed report on the condition of the generator set. In addition, this can be linked to a 24-hour call-out arrangement, providing year-round assistance if necessary. Specialist engineers are available to maintain optimum performance levels from customer's generator sets, and it is recommended that maintenance tasks are only undertaken by trained and experienced technicians provided by your authorized distributor.
