Make Do And Mend Keeping Family And Home Afloat On War Rations:

Make Do and Mend, 2014-03-24 A beautiful collection of timely and nostalgic leaflets that will take you back to a bygone era of wartime austerity *The Ashgate Research Companion to Modern Warfare* John Buckley, George Kassimeris, 2016-03-23 This research collection provides a comprehensive study of important strategic cultural ethical and philosophical aspects of modern warfare It offers a refreshing analysis of key issues in modern warfare not only in terms of the conduct of war and the wider complexities and ramifications of modern conflict but also concepts of war the crucial shifts in the structure of warfare and the morality and legality of the use of force in a post 9 11 age **Sustainable Luxury** Miguel Angel Gardetti, Ana Laura Torres, 2017-09-08 Most consumers of luxury products and services use them as status symbols symbols of success However the definition of success and the way it is perceived by others is changing Increasingly consumers want the brands they use to address growing concerns that luxury products invariably come at a heavy social and environmental cost The luxury industry faces its biggest challenge yet in satisfying an emerging demand of successful consumerism products that meet high environmental social and ethical standards This collection sees internationally renowned fashion luxury and sustainability experts come together to explore the challenges faced and solutions developed by luxury goods companies in sourcing producing and marketing luxury products *Sustainable Luxury Managing Social and Environmental Performance in Iconic Brands* represents the most comprehensive collection of current writing on the nascent relationship between sustainability and luxury It will be essential reading for academics researching sustainable development in the fashion and luxury industries and it will provide invaluable guidance for practitioners seeking the latest research to help them meet consumer demand for sustainable goods and services **Sew Your Own** John-Paul Flintoff, 2011-05-26 What happens when a man dazzled like most of us by hi tech happy to have his suits made by robots in New York sets out to find the meaning of life John Paul Flintoff's improbable and very funny book charts a journey through call centres and allotments rat catching and Savile Row tailors to some kind of enlightenment It is also a book about a man who learns how to crochet and how you might too John Paul Flintoff is a bit of a one off a man who embarks on a spiritual pilgrimage by outsourcing his life to Bangalore then hooks up with Mormons and Buddhists well Richard Gere on a quest for truth and fulfilment His journey is like a twenty first century *Candide* learning that life's satisfactions and some kind of response to the concerns of economic meltdown and climate change lie in learning how to make things for oneself and mending things that fall apart Along the way Flintoff paints pictures with Brit art oddball Billy Childish gets apprenticed in Savile Row grows his own food and spins fibre from nettles Daringly he also turns his book over to his wife Harriet who likes nothing better than a fancy spa and a shop at Liberty's The results are comic heartwarming and inspiring **Life of a Teenager in Wartime London** Duncan Leatherdale, Glennis Leatherdale, 2017-10-30 Life in wartime London evokes images of the Blitz of air raid shelters and rationing of billeted soldiers and evacuated children These are familiar collective memories of what life was like in

wartime London yet there remains an often neglected area of our social history what was life like for teenagers and young people living in London during the Second World War While children were evacuated and many of their friends and family went to fight there were many who stayed at home despite the daily threat of air raids and invasion How did those left behind live work and play in the nation's capital between 1939 and 1945 Using the diary entries of nineteen year old trainee physiotherapist Glennis Bunty Leatherdale along with other contemporary accounts *Life of a Teenager in Wartime London* is a window into the life of a young person finding their way in the world It shows how young people can cope no matter the dangers they face be it from bombs or boys dances or death [Making Vintage 1940s Clothes for Women](#) Sarah

Magill, 2017-08-04 The 1940s were an iconic period of women's dress history with the familiar square shoulders crepe tea dresses and seamed stockings paired with red lips victory curls and head scarves This book explains the period's sewing techniques and makes a range of 1940s outfits to recreate the look of those vintage years With detailed step by step instruction and over 300 photographs it captures the style of the time and explains the impact of wartime austerity on the cut and construction of women's dress Contents include historical context and details of government regulations of the time instructions and patterns for recreating a range of women's clothes including blouses skirts slacks shirt frocks evening dress and tea dresses key techniques such as transferring pattern markings making darts fastenings and finishing touches examples of how to complete the look with hairstyles make up shoes and accessories This new book will help you recreate the clothes and the vintage style of the 1940s make do years and will be of particular interest to costume designers fashion designers and students dress historians historic revival and reenactment participants and home dressmakers with a general interest in vintage dress Superbly illustrated with 331 photographs and patterns **D-Day Girls** Sarah Rose, 2020-03-17 NATIONAL BESTSELLER The dramatic untold history of the heroic women recruited by Britain's elite spy agency to help pave the way for Allied victory in World War II Gripping Spies romance Gestapo thugs blown up trains courage and treachery lots of treachery and all of it true Erik Larson author of *The Devil in the White City* and *Dead Wake* In 1942 the Allies were losing Germany seemed unstoppable and every able man in England was on the front lines To set Europe ablaze in the words of Winston Churchill the Special Operations Executive SOE whose spies were trained in everything from demolition to sharpshooting was forced to do something unprecedented recruit women Thirty nine answered the call leaving their lives and families to become saboteurs in France In *D Day Girls* Sarah Rose draws on recently declassified files diaries and oral histories to tell the thrilling story of three of these remarkable women There's Andr e Borrel a scrappy and streetwise Parisian who blew up power lines with the Gestapo hot on her heels Odette Sansom an unhappily married suburban mother who saw the SOE as her ticket out of domestic life and into a meaningful adventure and Lise de Baissac a fiercely independent member of French colonial high society and the SOE's unflappable queen Together they destroyed train lines ambushed Nazis plotted prison breaks and gathered crucial intelligence laying the groundwork for the D Day invasion that

proved to be the turning point in the war Rigorously researched and written with razor sharp wit D Day Girls is an inspiring story for our own moment of resistance a reminder of what courage and the energy of politically animated women can accomplish when the stakes seem incalculably high Praise for D Day Girls Rigorously researched a thriller in the form of a non fiction book Refinery29 Equal parts espionage romance thriller and historical narrative D Day Girls traces the lives and secret activities of the 39 women who answered the call to infiltrate France While chronicling the James Bond worthy missions and love affairs of these women Rose vividly captures the broken landscape of war The Washington Post Gripping history thoroughly researched and written as smoothly as a good thriller this is a mesmerizing story of creativity

perseverance and astonishing heroism Publishers Weekly starred review **At the Mercy of Their Clothes** Celia Marshik, 2016-11-29 In much of modern fiction it is the clothes that make the character Garments embody personal and national histories They convey wealth status aspiration and morality or a lack thereof They suggest where characters have been and where they might be headed as well as whether or not they are aware of their fate At the Mercy of Their Clothes explores the agency of fashion in modern literature its reflection of new relations between people and things and its embodiment of a rapidly changing society confronted by war and cultural and economic upheaval In some cases people need garments to realize themselves In other cases the clothes control the person who wears them Celia Marshik's study combines close readings of modernist and middlebrow works a history of Britain in the early twentieth century and the insights of thing theory She focuses on four distinct categories of modern clothing the evening gown the mackintosh the fancy dress costume and secondhand attire In their use of these clothes we see authors negotiate shifting gender roles weigh the value of individuality during national conflict work through mortality and depict changing class structures Marshik's dynamic comparisons put Ulysses in conversation with Rebecca Punch cartoons articles in Vogue and letters from consumers illuminating opinions about specific garments and a widespread anxiety that people were no more than what they wore Throughout her readings Marshik emphasizes the persistent animation of clothing and objectification of individuals in early twentieth century literature and society She argues that while artists and intellectuals celebrated the ability of modern individuals to remake themselves a range of literary works and popular publications points to a lingering anxiety about how political social and economic conditions continued to constrain the individual *The Beneficiary* Bruce Robbins, 2017-11-16 From iPhones and clothing to jewelry and food the products those of us in the developed world consume and enjoy exist only through the labor and suffering of countless others In his new book Bruce Robbins examines the implications of this dynamic for humanitarianism and social justice He locates the figure of the beneficiary in the history of humanitarian thought which asks the prosperous to help the poor without requiring them to recognize their causal role in the creation of the abhorrent conditions they seek to remedy Tracing how the beneficiary has manifested itself in the work of George Orwell Virginia Woolf Jamaica Kincaid Naomi Klein and others Robbins uncovers a hidden tradition of economic cosmopolitanism There are no easy

answers to the question of how to confront systematic inequality on a global scale But the first step Robbins suggests is to acknowledge that we are in fact beneficiaries

1940s Fashion Sourcebook Charlotte Fiell,2021-12-07 From the ashes of the Second World War came forward thinking fashions the likes of which had never been seen before The early Forties were defined by thriftiness and practicality a make do and mend attitude in a time of war However the latter half of the decade saw the emergence of the traditional femininity elegance and luxury often associated with the era Spanning the austerity of the war years to the introduction of Dior s revolutionary New Look this extensive survey brings together vintage photography and illustrations to follow the season by season fashion evolution of the Forties providing a comprehensive overview of this period of contrasts 1940s Fashion The Definitive Sourcebook covers every aspect of female fashions from the decade from lace evening gowns tailored jackets and furs to figure sculpting undergarments satin neglig es and scandalous bikinis offering the most comprehensive appraisal of this age of wartime and post war glamour This in depth look at the styles and trends that shaped 1940s fashion features images of the decade s most iconic stars and designers Stylish leading ladies such as Veronica Lake Joan Bennett and Barbara Stanwyck are included as well as designs by Dior Lucien Lelong Balmain and Worth Authored and edited by renowned design historian Charlotte Fiell this volume also contains an authoritative introduction by fashion historian Emmanuelle Dirix as well as the biographies of the key designers and fashion houses of the period

Beyond Recycling Paul Micklethwaite,2021-05-27 Beyond Recycling critically explores unasked questions around recycling and its prominent position in contemporary thinking about sustainability It examines and challenges assumptions about why we appear to have so wholeheartedly committed to recycling as a cultural project Recycling has become a commonplace notion and widespread practice Yet its social cultural and even environmental value has not been considered carefully enough This book considers recycling as a contemporary cultural idea related to but not wholly defined by our response to material waste It seeks to reclaim recycling from the environmentalists and waste management specialists to explore the role it plays in wider contemporary discourse As we become increasingly satiated and in many cases sickened by the excesses of modern consumerism we are rethinking our relationship with the physical stuff that fills our lives Dissatisfied with empty materialism we seek new ways to reuse our material culture Recycling turning something considered to be waste into something with renewed value is our primary collective response to the problems arising from consumption and it is ripe for critical examination Beyond Recycling is a fascinating read for conscious consumers and students in the creative arts design cultural studies sustainability and environmental studies
