Making All The Difference Inclusion Exclusion And American Law:

Making All the Difference Martha Minow, 1990 Martha Minow takes a hard look at the way our legal system functions in dealing with people on the basis of race gender age ethnicity religion and disability *Temporary Special Measures* Ineke Boerefijn, 2003 Revised papers and comments that were presented at the meeting organised in Maastricht in October 2002 The aim of the meeting was threefold to provide input for the CEDAW Committee stimulate the legal debate on the issue of temporary measures and contribute towards the promotion of positive action measures in the Netherlands **Law and the Contradictions of the Disability Rights Movement** Samuel R. Bagenstos, 2009-06-23 The passage of the Americans with Disabilities Act in 1990 was hailed as revolutionary legislation but in the ensuing years restrictive Supreme Court decisions have prompted accusations that the Court has betrayed the disability rights movement The ADA can lay claim to notable successes yet people with disabilities continue to be unemployed at extremely high rates In this timely book Samuel R Bagenstos examines the history of the movement and discusses the various often conflicting projects of diverse participants He argues that while the courts deserve some criticism some may also be fairly aimed at the choices made by prominent disability rights activists as they crafted and argued for the ADA The author concludes with an assessment of the limits of antidiscrimination law in integrating and empowering people with disabilities and he suggests new policy directions to make these goals a reality **Women in the Judiciary** Ulrike Schultz, Gisela Shaw, 2013-09-13 Does gender matter in judging And if so in what way Why were there so few women judges only two or three decades ago and why are there so many now in most countries of the Western world How do women judges experience their work in a previously male dominated environment What are their professional careers How do they organise and live their lives And finally and most notably do women judge differently from men or even better These are the questions dealt with in this collection of contributions by seven authors from six countries UK Australia USA Canada Syria and Argentina contrasting views from common law and civil law countries In spite of differences in the two legal systems as well as greater gender diversity on the bench and the overall higher income and prestige enjoyed by judges in common law countries women judges in all these countries Syria included share many problems Diverse and intriguing facets are added to a debate that started thirty years ago but continues to leave ample space for further discussion This book was originally published as a special issue of International Journal of the Legal Profession **National Solutions to Trans-Border Problems?** Isidro Morales, 2016-04-22 Triggered by the North American Free Trade Agreement NAFTA Canada the United States and Mexico redefined their public policies to facilitate the regionalization of transactions However this volume addresses the institutional gaps that still remain focusing mainly on the cross border governance of security aspects It gathers interdisciplinary contributions of specialists working on continental issues within Canada the United States and Mexico and highlights the transnational dimension of certain issues still managed under national framed policies Furthermore it explores the possibilities and constraints for moving public policy into new

cross border governance strategies Divided in three parts the first part assesses what is at stake in cross border governance issues and whether the integrative trend in the region will be maintained or stalled in the years to come The second part explores the growing scope of security problems interconnected with borders migration energy and drug trafficking across the region It highlights how Mexico and Canada are responding or adapting their policy choices to a continental security approach framed by the US after the terrorist attacks of September 11 and to the major concerns of the Obama administration The third part focuses on the governance of territorial borders and bilateral affairs i e Mexico US and Canada Mexico relations

The Development of Disability Rights Under International Law

Arlene S. Kanter, 2014-11-27 The adoption of the Convention on the Rights of People with Disabilities CPRD by the United Nations in 2006 is the first comprehensive and binding treaty on the rights of people with disabilities It establishes the right of people with disabilities to equality dignity autonomy full participation as well as the right to live in the community and the right to supported decision making and inclusive education Prior to the CRPD international law had provided only limited protections to people with disabilities This book analyses the development of disability rights as an international human rights movement Focusing on the United States and countries in Asia Africa the Middle East the book examines the status of people with disabilities under international law prior to the adoption of the CPRD and follows the development of human rights protections through the convention s drafting process Arlene Kanter argues that by including both new applications and entirely new approaches to human rights treaty enforcement the CRPD is significant not only to people with disabilities but also to the general development of international human rights by offering new human rights protections for all people Taking a comparative perspective the book explores how the success of the CRPD in achieving protections depends on the extent to which individual countries enforce domestic laws and policies and the changing public attitudes towards people with disabilities This book will be of excellent use and interest to researchers and students of human rights law discrimination and disability studies

A Global Law of Diversity

Nicolò Paolo Alessi, 2024-11-25 This book provides a global perspective on the accommodation of diversity within constitutional traditions considering the most innovative approaches and legal instruments of the Global North and Global South This field of study

traditionally dominated by a Global North approach based on majority minority and rights based discourse is undergoing significant development The work thus assesses the appropriateness of the existing mainstream theoretical tools and concepts in particular minority and minority related concepts as well as rights discourse to grasp the ongoing evolution of this field of law A reconsideration of the traditional conceptual categories and the introduction of the concept Law of Diversity is proposed as a theoretical framework to grasp the ongoing developments in this area Among the models studied those that are referred to as emergent models for the accommodation of diversity in the Global North appear to be particularly in need of theoretical recognition To this end the theory of federalism is used to serve a rather unexplored theoretical function Federal theory is put forward as a theoretical instrument to frame and explain the emergent instruments for the accommodation of diversity as well as provide practical solutions for their development The book will be of interest to researchers academics and policy makers working in the areas of comparative constitutional law minority and indigenous rights law and federal studies The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

Law, Violence, and the Possibility of Justice Austin Sarat, 2018-06-05 Law punishes violence yet law depends on violence In this book a group of leading interdisciplinary legal scholars seeks to map the inexorable but unstable relationship of law to violence What does it mean to talk about the violence of law Do high incarceration rates and increased reliance on capital punishment indicate that U S law is growing more violent at a time when violence is being restrained in other legal systems How is the violence of law represented in popular culture and does this affect law s actual legitimacy Does violence express or distort the essence of law Does law s violence serve justice In deeply original essays the authors build on the seminal work of Robert Cover one of the few legal scholars ever to consider the question of law and violence In striving to situate his insights within current political social economic and cultural contexts they contemplate diverse and interrelated subjects surrounding the theme of law and violence Among these are the purpose of law as punishment the increasing number of executions in the United States prison violence racial disparity in sentencing and the meaning of torture The result is a remarkable volume that stimulates us to reconsider connections that we too often leave unexplored In addition to the editor the contributors are Marianne Constable Peter Fitzpatrick Thomas R Kearns Peter Rush Jonathan Simon Shaun McVeigh and Alison Young

Toward a New Socialism Anatole Anton, Richard Schmitt, 2007-01-01 *Toward a New Socialism* offers a critical analysis of capitalism s failings and the imminent need for socialism as an alternative form of government This book demonstrates that capitalism is destructive and limiting to the many ongoing campaigns to increase freedom equality and security Dr Richard Schmitt joins with Dr Anatole Anton to compile a volume of essays exploring the benefits and consequences of a socialist system as an avenue of increased human solidarity and ethical principle The essays offer a new definition of socialism by investigating the theories and principles of socialism its influence on social institutions and its role

in work dynamics Raising important and unavoidable questions for contemporary society Toward a New Socialism is a vital resource for scholars of political theory and the globalization movement as well as a necessary read for every citizen under capitalism

Women, Medicine, Ethics and the Law Susan Sherwin, Barbara Parish, 2020-09-10 This title was first published in 2002 A collection of articles focused on women within a general study of medicine ethics and the law Topics covered include areas where the institutions of medicine ethics and the law intersect in women s reproductive and sexual lives the impact of legal policies and dominant ethical beliefs on many aspects of women s health and the health practices and policies of bioethics and health law The editors recognise that it is important not to lose sight of social differences other than gender such as race ethnicity class age sexuality religion level of physical and mental ability and family relationships In their approach they seek to consider the lives and experiences of women as primary Hence they focus on the question of how women s encounters with the health care system are structured by gender and other socially significant dimensions of their lives rather than the question of how women differ from the male norm
