Making American Jacob Riis:

The Making of an American, Illustrated Jacob A. Riis, 2020-08-18 **The Making of an American** Jacob August Riis, 1901 In all of which I have made no account of a factor which is at the bottom of half our troubles with our immigrant population so far as they are not of our own making the loss of reckoning that follows uprooting the cutting loose from all sense of responsibility with the old standards gone that makes the politician's job so profitable in our large cities and that of the patriot and the housekeeper so wearisome We all know the process The immigrant has no patent on it It afflicts the native too when he goes to a town where he is not known **The Making of an American** Jacob August Riis, 1929 **The Making of an American (Classic Reprint)** Jacob A. Riis, 2015-07-11 Excerpt from The Making of an American With tassels Says my wife maliciously she has been looking over my shoulder Well with tassels What then Did I not worship a pair of boots with tassels which I passed in a shop window in Copenhagen every day for a whole year because they were the only other pair I ever saw I don't know there may have been more perhaps others wore them I know she did Curls she had too curls of yellow gold Why do girls not have curls these days It is such a rare thing to see them that when you do you feel like walking behind them miles and miles just to feast your eyes Too much bother says my daughter Bother Why I have carried one of your mother's miss About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Making of an American** Jacob Riis, 2016-06-14 He was interested from the start in small parks and playgrounds and in the suppression of the sweat shop His own career furnished the material for one of the best textbooks that has yet appeared on American life The Making of an American If one wanted to give an open minded foreigner a clear view of what lies behind the confused efforts and bewildering activities of this continent so far as Americans control it he could not do better than to put into his hands Franklin's Autobiography Emerson's Essays Lincoln's Speeches Riis's The Making of an American Booker Washington's Up From Slavery and Mary Antin's The Promised Land It is safe to say that no man has ever more vitally and faithfully expressed and interpreted the American spirit than Jacob Riis He was a democrat in the true and noble sense of the word in every fiber of his being a brother to all men and especially to the unfortunate New Outlook The secret of Riis' hold on the people lies both in his unique personality and in what he has accomplished for society A man supercharged with human love and fighting successfully for better life among the people is bound to be listened to His story tells itself and is all the stronger if he has worked out his own redemption before undertaking a quest for his brethren Jacob Riis first conquered himself and then went forth to

conquer for the poor of New York One must read at least two of his books to know Riis The Making of an American tells the first part of the story the second part is told by The Battle with the Slum Simplicity directness and spontaneity are the predominant characteristics of the literature produced by Riis in his battle for better living He uses none of the artifices of the ordinary novelist There is no holding over of the character for the purpose of chaining the reader's interest on the contrary there is a rushing to tell all there is at hand to make room for the more interesting Western Journal of Education Fairly bubbles over with happiness energy and inspiration It is partly the pleasure of watching a desperate thrilling contest against big odds with success at the end that gives this book its keen appeal Boston Herald To say that the book is as interesting as a novel would be to belittle its powers of entertaining Few novels could hold my attention as can this book While it was running through The Outlook a great many people imagined that it was more or less in the nature of fiction but every word of it is true Chicago Tribune One of the brightest wholesomest most fascinating books of the season Record Herald Chicago It is not its relation to civic problems and social conditions that will give The Making of an American its place in the world's heart It is its personal charm its buoyancy and humor and tenderness its romance and vivid incident that makes this life story of a simple American citizen as varied and delightful as any romance Publishers Weekly The Making of an American is the story of a very extraordinary life the record of obstacles apparently insuperable overcome by sheer brain and brawn It is moreover a love story of a peculiarly intimate sort For Mr Riis won the girl he wanted after all Only a Dane and a Dane who had come under the influence of that sweetest and simplest of characters Hans Anderson could have narrated a story of this sort New York Herald

[The Making of an American](#) Jacob A. Riis, 1983-02-01 **The Making of an American** Jacob A. Riis, 2023-07-18 **The making of an American** Jacob August Riis, 1907 [Making It in America](#) Elliott Robert Barkan, 2001-05-01 This collection of over 400 biographies of eminent ethnic Americans celebrates a wide array of inspiring individuals and their contributions to U S history The stories of these 400 eminent ethnic Americans are a testimony to the enduring power of the American dream These men and women from 90 different ethnic groups certainly faced unequal access to opportunities Yet they all became renowned artists writers political and religious leaders scientists and athletes Kahlil Gibran Daniel Inouye Zbigniew Brzezinski Thurgood Marshall Madeleine Albright and many others are living proof that the land of opportunity sometimes lives up to its name Alongside these success stories as historian Elliot R Barkan notes in his introduction to this volume there have been many failures and many immigrants who did not stay in the United States Nevertheless the stories of these trailblazers visionaries and champions portray the breadth of possibilities from organizing a nascent community to winning the Nobel prize They also provide irrefutable evidence that no single generation and no single cultural heritage can claim credit for what America is

A People's Art History of the United States Nicolas Lampert, 2013-11-05 Most people outside of the art world view art as something that is foreign to their experiences and everyday lives A People's Art History of the United States places art history squarely in the rough and

tumble of politics social struggles and the fight for justice from the colonial era through the present day Author and radical artist Nicolas Lampert combines historical sweep with detailed examinations of individual artists and works in a politically charged narrative that spans the conquest of the Americas the American Revolution slavery and abolition western expansion the suffragette movement and feminism civil rights movements environmental movements LGBT movements antiglobalization movements contemporary antiwar movements and beyond A People s Art History of the United States introduces us to key works of American radical art alongside dramatic retellings of the histories that inspired them Stylishly illustrated with over two hundred images this book is nothing less than an alternative education for anyone interested in the powerful role that art plays in our society

Americans in Dissent Steven L. Piott, 2014-10-15 Americans in Dissent is designed as a collection of biographical essays written for general readers and undergraduates that focuses on the topic of American dissent during the period from 1830 to 1890 Centered on influential nineteenth century social critics this volume shifts the focus of American reform away from romantic attempts at reforming the individual to more pragmatic efforts aimed at confronting social economic and political problems Coexisting with what seemed to be a preponderance of romantic idealism during much of the period was an undercurrent of genuine realism Instead of looking through the prism of a pre modern society many of these dissenters focused on how society was becoming increasingly acquisitive and entrepreneurial They were among the first to question laissez faire individualism and unrestrained industrial capitalism and anticipated the critiques of later Progressive Era reformers Representing a wide range of interests each of the selections features a fascinating and provocative man or woman who offered a fundamental critique of American society and made a significant contribution to the development of the reform ethos that characterized the period

Citizen Hobo Todd DePastino, 2024-05-31 In the years following the Civil War a veritable army of homeless men swept across America s wageworkers frontier and forged a beguiling and bedeviling counterculture known as hobohemia Celebrating unfettered masculinity and jealously guarding the American road as the preserve of white manhood hoboes took command of downtown districts and swaggered onto center stage of the new urban culture Less obviously perhaps they also staked their own claims on the American polity claims that would in fact transform the very entitlements of American citizenship In this eye opening work of American history Todd DePastino tells the epic story of hobohemia s rise and fall and crafts a stunning new interpretation of the American century in the process Drawing on sources ranging from diaries letters and police reports to movies and memoirs Citizen Hobo breathes life into the largely forgotten world of the road but it also crucially shows how the hobo army so haunted the American body politic that it prompted the creation of an entirely new social order and political economy DePastino shows how hoboes with their reputation as dangers to civilization sexual savages and professional idlers became a cultural and political force influencing the creation of welfare state measures the promotion of mass consumption and the suburbanization of America Citizen Hobo s sweeping retelling of American nationhood in light of enduring struggles over home does more than chart the

change from homelessness to houselessness In its breadth and scope the book offers nothing less than an essential new context for thinking about Americans struggles against inequality and alienation **Memorial Day**, 1925 The Embodied Eye David Morgan, 2012-02-01 Exploring a dazzling variety of religious imagery David Morgan shows how vision functions as an active physical process embedded in bodily experience and profoundly shaped by social practice Morgan's bold thoughtful interpretations will fascinate art historians and students of visual culture as well as historians of religion Pepe Karmel Department of Art History New York University The Embodied Eye is an important and truly groundbreaking book It represents a substantive and quite fascinating extension of David Morgan's previous work especially as it impressively shows us how seeing is the primary medium of social life and materially integrates the body of the individual and the body of the group Morgan is unquestionably the pioneering theorist in the whole emergent field of Visual and Culture Studies as it relates to religion and art Norman Girardot University Distinguished Professor Lehigh University Under David Morgan's inspiring guidance readers are taken on a dazzling journey through religious images that mediate worlds of faith Embedding vision in the body this book stands out with its thought provoking approach to religious media as material and embodied interfaces that underpin the social construction of the sacred Birgit Meyer Professor of Religious Studies Utrecht University

The Model Man Hans Krabbendam, 2022-06-08 Edward William Bok was the most famous Dutch American in early twentieth century America thanks to his thirty year editorship of the Ladies Home Journal the most prestigious women's magazine of the day This first complete coverage of Edward Bok's life places him against his ethnic background and portrays him as the spokesman for and the mold of the American middle class between 1890 and 1930 He acted as a mediator between a Victorian and a modern society reconciling consumerism with idealism As a Dutch immigrant he became a model for successful adaptation to a new country and modern times He used his national reputation to restore America's internationalism in the 1920s His life story is relevant to those interested in the history of immigration journalism the rise of big business the women's movement and the Progressive Movement The Kindergarten-primary Magazine Bertha Johnston, E. Lyell Earle, 1902 *The Kindergarten for Teachers and Parents*, 1902 **The Kindergarten Magazine**, 1902

American Fatherhood Jürgen Martschukat, 2019-12-31 Explores the surprising diversity of fathers and fatherhood throughout American history and society The nuclear family has been endlessly praised as the bedrock of American society even though there has rarely been a time in history when a majority of Americans lived in such families This book deconstructs the myth of the nuclear family by presenting the rich diversity of family lives in American history from the American Revolution to the twenty first century To tell this story Jürgen Martschukat focuses on fathers and their relations to families and American society Using biographical close ups of twelve different characters each embedded in historical context American Fatherhood provides a much more realistic picture of how fatherhood has been performed within different kinds of families Each protagonist covers a crucial period or event in American history presents a different family

constellation and makes a different argument with regard to how American society is governed through the family

Florence Kelley and the Nation's Work Kathryn Kish Sklar, 1995-01-01 One of America's foremost historians of women tells the story of Florence Kelley a leading reformer in the Progressive Era The book is also a political history of the United States during a period of transforming change when women worked to end the abuses of unregulated industrial capitalism This first of a two volume series covers the first 40 years of Florence Kelley's life 53 illustrations

Making American Jacob Riis Introduction

In the digital age, access to information has become easier than ever before. The ability to download Making American Jacob Riis has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Making American Jacob Riis has opened up a world of possibilities. Downloading Making American Jacob Riis provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Making American Jacob Riis has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Making American Jacob Riis. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Making American Jacob Riis. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Making American Jacob Riis, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Making American

Jacob Riis has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Making American Jacob Riis Books

1. Where can I buy Making American Jacob Riis books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
