*The Landmark Edition of the New Testament* Larry Killion, 2013-12      *New Testament* Ray Geide, 2017-01-27 This is not your grandpa's traditional Bible nor your mom's nonliteral contemporary Bible. This is something completely new, something long overdue: a direct translation of the Greek New Testament Textus Receptus in today's words. The Breakthrough KJV starts with a better set of words based on extensive word studies, closer to the Greek words they translate, common modern words, fewer hard-to-understand words. Adhering to strict standards and using advanced procedures and insights developed in over three decades of study, Ray Geide, a former missionary and pastor, has produced a better translation with a better set of words, more literal and accurate, more detailed, a more uniform translation. The Breakthrough KJV is a closer rendition of the very Greek words spoken by Jesus and the Greek words written by Paul and the other authors through the inspiration of the Holy Spirit. Not only is it closer to the Greek, it is closer to you because it uses words that you know and use every day, not the usual words that only scholars correctly understand.      *KJV Outreach New Testament* Holman Bible Publishers, 2023-04 The KJV Outreach New Testament is available for bulk purchase and designed for churches, ministries, and individuals to give seekers and new believers a New Testament of their own. Includes select tools and resources that answer common questions about God's Word and the gospel of Jesus Christ. FEATURES: Pure Cambridge Edition of the KJV text. Two-column, verse-by-verse text format. Topical page headings. 7-25 point type size. Where to Turn section with Scripture references for common life issues. Frequently Asked Questions with answers. The KJV Outreach New Testament features the authorized Pure Cambridge Edition text of the King James Version KJV translation. The KJV is one of the best-selling translations of all time and captures the beauty and majesty of God's Word for those who love the rich heritage and reverent language of this rendering of the Holy Bible.
