Liberating Womens History Theoretical And Critical Essays:

Liberating women's history : theoretical and critical essays Berenice A. Carroll,1981 *Liberating Women's History* Berenice A. Carroll,1976 Papers furnishing a review and critique of past work in women s history are combined with selections delineating new approaches to the study of women in history and empirical studies considering ideological and class factors **Liberating women's history. Theoretical and critical essays. Ed. by B.A. Carroll ,1976 **Women and Gender in Southern Africa to 1945**** Cherryl Walker,1990 On the Future of History Ernst Breisach,2007-11-01 What does postmodernism mean for the future of history Can one still write history in postmodernity To answer questions such as these Ernst Breisach provides the first comprehensive overview of postmodernism and its complex relationship to history and historiography Placing postmodern theories in their intellectual and historical contexts he shows how they are part of broad developments in Western culture Breisach sees postmodernism as neither just a fad nor a universal remedy In clear and concise language he presents and critically evaluates the major views on history held by influential postmodernists such as Derrida Foucault Lyotard and the new narrativists Along the way he introduces to the reader major debates among historians over postmodern theories of evidence objectivity meaning and order truth and the usefulness of history He also discusses new types of history that have emerged as a consequence of postmodernism including cultural history microhistory and new historicism For anyone concerned with the postmodern challenge to history both advocates and critics alike On the Future of History will be a welcome guide *American Studies* Jack Salzman,1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of *American Studies An Annotated Bibliography of Works on the Civilization of the United States* published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00 Disciplining Feminism Ellen Messer-Davidow,2002-01-28 A cultural studies account of the changes produced in feminism as it became part of the academy and of the highly orchestrated attack on higher education by the right wing **Philosophy of Education: Society and education** Hirst, Paul Heywood Hirst,Patricia White,1998 Theories, Models and Concepts in Ancient History Neville Morley,2004-06 The first accessible guide for students to show how theories models and concepts have been applied to ancient history *Women's History For Beginners* Bonnie Morris,2025-09-12 *Women s History For Beginners* offers a lively revealing and provocative overview of this important and controversial academic field Who are the great women of history and why don t we know more about them You don t need to be a scholar to notice that

men's history dominates everything we learn in school yet a quick tour of the past reveals dynamic female role models at every turn This is more than an introduction to women's roles and contributions across time It also examines the ways that women in all societies have been ruled by men according to law and custom Women's History For Beginners opens with a critical investigation of why so few of us are exposed to women's history in our years of schooling and why educators and political groups remain leery of bringing fair accurate women's history content into the classroom even now It concludes with the reminder that women too are divided by race and class and nationality that there is no one size fits all women's history but many different versions each worthy of investigation and understanding Writing, Gender and State in Early Modern England

Megan Matchinske,1998-05-28 The period from the Reformation to the English Civil War saw an evolving understanding of social identity in England This book uses four illuminating case studies to chart a discursive shift from mid sixteenth century notions of an individually generated spiritually motivated sense of identity to Civil War perceptions of the self as inscribed by the state and inflected according to gender a site of civil and sexual invigilation and control Each centres on the work of an early modern woman writer in the act of self definition and authorization in relation to external powers such as the Church and the monarchy Megan Matchinske's study illustrates the evolving relationships between public and private selves and the increasing role of gender in determining different identities for men and women The conjunction of gender and statehood in Matchinske's analysis represents an original contribution to the study of early modern identity

Textual Healing: Essays on Medieval and Early Modern Medicine Elizabeth Lane Furdell,2021-09-20 The Routledge History of Women in Early Modern Europe Amanda L. Capern,2019-10-30 The Routledge History of Women in Early Modern Europe is a comprehensive and ground breaking survey of the lives of women in early modern Europe between 1450 and 1750 Covering a period of dramatic political and cultural change the book challenges the current contours and chronologies of European history by observing them through the lens of female experience The collaborative research of this book covers four themes the affective world practical knowledge for life politics and religion arts science and humanities These themes are interwoven through the chapters which encompass all areas of women's lives sexuality emotions health and wellbeing educational attainment litigation and the practical and leisured application of knowledge skills and artistry from medicine to theology The intellectual lives of women through reading and writing and their spirituality and engagement with the material world are also explored So too is the sheer energy of female work including farming and manufacture skilled craft and artwork theatrical work and scientific enquiry The Routledge History of Women in Early Modern Europe revises the chronological and ideological parameters of early modern European history by opening the reader's eyes to an exciting age of female productivity social engagement and political activism across European and transatlantic boundaries It is essential reading for students and researchers of early modern history the history of women and gender studies **Current Issues in Women's History** Arina Angerman,Geerte Binnema,Annemieke Keunen,Vefie Poels,Jacqueline Zirkzee,2013 This lively

collection of essays originally published in 1989 illustrated recent developments in the area with chapters by contributors from many different countries and disciplines Asking new questions and using sources in a challenging way the contributors reflect 1980s debates about politics and academic research in women s studies They cover a wide range of topics dealing for example with opportunities and obstacles for women within male defined power structures and institutions such as science religious communities and ancient Roman industry They discuss feminists and feminist movements analyse the utterances of women and men in medieval literature and in defamation cases and give insights into the ways femaleness and femininity are given meaning The essays on theory deal with such important issues as women s historiography and androcentrism and ethnocentrism in history

The Practice of U.S. Women's History S. J. Kleinberg, Eileen Boris, Vicki Ruíz, 2007 In the last several decades U S women s history has come of age Not only have historians challenged the national narrative on the basis of their rich explorations of the personal the social the economic and the political but they have also entered into dialogues with each other over the meaning of women s history itself In this collection of seventeen original essays on women s lives from the colonial period to the present contributors take the competing forces of race gender class sexuality religion and region into account Among many other examples they examine how conceptions of gender shaped government officials attitudes towards East Asian immigrants how race and gender inequality pervaded the welfare state and how color and class shaped Mexican American women s mobilization for civil and labor rights

Women Living Zen Paula Kane Robinson Arai, 1999-08-26 Although many Buddhists have made concessions to contradictory religious and social expectations during the twentieth century these Zen nuns spent much of the century advancing their traditional monastic values by fighting for and winning reforms of the sect s misogynist regulations

BOOK JACKET When Women Ask the Questions Marilyn Jacoby Boxer, 2001-09-28 In *When Women Ask the Questions* Marilyn Boxer traces the successes and failures of women s studies examines the field s enduring impact on the world of higher education and concludes that the rise of women s studies has challenged the university in the same way that feminism has challenged society at large Drawing on her experiences as a historian feminist academic administrator and former chair of a women s studies program Boxer observes that by working for justice and for changes necessary to make the attainment of justice a practical possibility women s studies ensures that women are heard in the processes and places where knowledge is created taught and preserved The intellectual transformation behind the emergence of women s studies Boxer concludes is one of historic proportions Like other great moments in human experience it has given rise to a flowering of art literature and science and to the challenging of previously accepted authorities of text and tradition

Japanese Women: Emerging from Subservience, 1868-1945, 2021-10-01 For the first time many of the world s leading scholars in the field of Japanese women s history met in Edinburgh in 2003 and presented papers addressing the themes of *Pioneering Women in Japan* and *General Issues in Japanese Women s History* This volume containing most of the papers which have been specially edited and revised for publication together with

an in depth contextual Introduction by Dr Hiroko Tomida and Dr Gordon Daniels is the outcome By definition therefore the volume contains some of the most recent findings in this field in Japan Australia the United States and the UK and introduces new approaches to studying Japanese women s history In addition it contains a special contribution on Ichikawa Fusae by Professor Barbara Molony

Gender, Genre, and Victorian Historical Writing Rohan Amanda Maitzen, 2013-10-28 First published in 1999 and Middlemarch and of a range of nineteenth century historical works including works by and about women that are discussed extensively here for the first time The blurring of boundaries between historical and fictional narratives stimulated by the enormous success of Walter Scott s novels and the development of social history are shown to have been key factors in an uneven controversial but persistent feminization of history the first because of the longstanding association of novels with women the second because social history focuses on the private sphere traditionally women s domain Along with the appearance of numerous historical texts written by women and taking women as their subjects these developments challenged conventional beliefs about historical authority and relevance that had long relegated women to the margins both literally and metaphorically In its exploration of these changes and their implications Gender and Victorian Historical Writing revises standard assumptions about Victorian ideas of history finding an awareness of and experimentation with gender and genre that prefigure theoretical and scholarly concerns in contemporary women s history
