Divided by Night Peter Dawes, 2015-12-28 After ten years spent in hiding the sins of the past have come to visit Peter Dawes again Living out his life with his watcher Monica the two have forged a family within the throes of denial But something sinister lurks in the shadows released by the spell which granted the rogue seer back his life And both it and the Supernatural Order have had a decade to prepare for his return Ready to stand against those formidable opponents his greatest enemy might be the one lurking underneath the skin As Peter gets pulled into a cataclysm stretching across a continent he discovers the vampire he once was still lingers after all this time A whisper has become a voice and has adopted his old name And this time Flynn will not be so easily silenced

Dark as the Grave Peter Dawes, 2011 Book One of The Vampire Flynn Series from USA Today Bestselling Author Peter Dawes It all started with a murder Flynn is a killer of killers an assassin who targets his own kind and the perfect weapon in a world of warring immortal factions But the surefooted steps and quick hands that make him one of the deadliest vampires ever sired are attributes of a mortal destiny which haunts him even beyond death When his other powers awaken his coldblooded nature is pitted against the shreds of his humanity that were never completely silenced His maker would have him bloodthirsty and in her thrall slaying their enemies to build a dark empire A quixotic sorceress sees the pieces of his broken and shattered soul and believes he can become the hero he was always meant to be Until he knows which side of him will win Flynn must walk a careful line of deception because anything other than complete devotion to his maker will cost him his life Dark as the Grave was previously published as Eyes of the Seer VAMPIRE FLYNN SERIES AVAILABLE NOW The Silence of Ashes 2 previously published as Rebirth of the Seer Blade of the Slayer 3 previously published as Fate of the Seer Divided by Night 4 Undone by Blood 5 *Undone by Blood*

Peter Dawes, 2017-01-25 As the identity of his newest antagonist is revealed Peter discovers just how costly his decade in hiding has become Europe is in shambles with a puppetmaster directing the steps of both vampires and the Supernatural Order and now Peter stands as the only person who can resolve the conflict He could also be the very thing that tips it over the edge As his loyalties are put to the test he faces a temptation far greater than any he's weathered calling out to his dark side Flynn If Peter succumbs Europe could fall into the enemy's hands But if Peter stands strong he could lose everything If someone had asked what I knew with certainty at that moment I would have confessed I was going to black out And there was not a damn thing I could do about it Bloody droplets of sweat formed on my neck coating my skin as I took breath after unsteady breath Each second of consciousness I fought for became an uphill battle but I knew leaving my body to their mercy could mean the end of me I had placed myself in quite the predicament doing what I had just done My eyes shut but my feet held steady Inside my bones I could feel the presence lying at my feet the being lost in transitional slumber The woman I had just given the eternal kiss to and she was in just as much peril as me
