**John 1-10** Kevin Perrotta, Gerald Darring, 2010-06 John 1 10 I Am the Bread of Life is an excellent way to introduce young adults to the book of John and the life changing message of Jesus in this Gospel As John sees it we human beings need God We need God s light in our lives his power to energize us But for the most part we are not very aware of this need because we spend our lives running around looking for one thing after another preoccupied with meeting our material and social needs We tend to see God as the provider of earthly blessings rather than the source of something much more important And of course we also tend to ignore God and instead work to satisfy our own desires John tells us how God tries to break through the barrier of our earthly thinking by entering into our world personally Designed as a guided discovery Six Weeks with the Bible for Catholic Teens introduces high school students to different books of the Bible by integrating the biblical text with insightful questions to help youth discern what Scripture means for their lives today The series provides students with a clear explanation of Biblical text opportunities for prayer and a means to enter into conversation with God
