Knowing Who You Are In Christ:

IMAGE IN THE MIRROR William Cannon,2011-01-06 This book is about having a personal relationship with Jesus and showing the reader how important it is to know who you really are in Christ Having the image of Jesus is very important when people look at you they should see Jesus in you Having that image of Christ is what changes lives It s not about us It s all about Jesus and who He is and what He did for us 2000 years ago on Calvary This book shows you that it s not what you have It s who you have living in you that s what is important *Identified* Courtayne Richard,2016-09-07 IDENTIFIED

Quiazon,2021-05-16 The question was never asked Only the brave dares to beckon for answers that will confront people to the very core of their beliefs But the question needs to be asked The answers must be explored At no other time in history when this one question becomes an all important inquiry What does it mean to be a Christian This book will attempt to give answers straight from the heart of someone who have witnessed the stark contrast of lives being lived up to its name and that of being lived oblivious to it It is the author s intent to bridge the gap in understanding what one has truly become the moment they are called a Christian **Knowing Who You Are** Malcolm J. Gill,2015-06-10 Throughout the history of the

church many excellent books have been written addressing the theological significance of Christian identity Such works have delineated important doctrines such as adoption justification and sanctification While these studies of being in Christ have been fruitful and numerous they have often neglected one of the most useful tools in understanding Christian identity namely the use of metaphor A search of Scripture reveals that Jesus and his apostles frequently utilized images from everyday life to illustrate spiritual truths about our identity In this fresh work Knowing Who You Are invites the reader to explore eight lesser known images of Christian identity found in the New Testament Among others the author investigates how being a Christian

is like being a boxer in ancient Corinth a citizen in Philippi a farmer in Galilee and a sheep in a flock This engaging assessment of first century images will draw the reader in and leave them challenged encouraged and often surprised as they discover afresh what it means to be Christian **Who Am I - Knowing Your Identity in Christ** Stephanie

Gonzalez,2021-06-23 Finding one's identity is not always an easy journey and many times it leads to heartbreak and confusion This world will always attempt to label and place a person into an identity box that limits a person's ability to live free Finding our identity in Christ and in everything He has done for us liberates us to fulfill the calling He has placed on each and every one of us When we find our identity in the One who never changes we find stability in life and a freedom to fulfill everything in life that we are called to do When we do not find our identity in Him we will be shaken and lost as life changes Finding our true identity should be one of our biggest goals in life Knowing who we are in Christ establishes a foundation for everything in our life to grow on 2 *Identity in Christ* Rev. Theresa Harding,2020-08-10 Identity in Christ is all about revealing the authentic you Many of us are working around with false labels that has been placed on us by our experiences family histories or society itself We have worn those labels for so long that we have become comfortable in them This book is going to challenge you to begin to see yourself the way God sees you not by the way your life experiences has defined you You are more than your experiences You are so valuable that heaven has to release the most precious treasure to redeem you So grab a hold of that which Christ died to give you the new and authentic you **Salvation already**

Jesus, the Christ Thomas Sutton,1999-10-25 I was raised in a Christian home I loved hearing stories about Jesus and his life here on earth Growing up I became less and less enthusiastic about my religion for several reasons One critical reason was a natural process As I matured I became more aware of the hypocrisy of religion You know Do as I say not as I do One day a week act like a Christian and the other six days be selfish greedy and a bigot At that time my faith wasn t strong enough to endure Now I know that if I look hard enough I can find hypocrisy in anything I pray that I ve grown beyond the paradox My book is an attempt to make the first four books of the New Testament easy to read It s written in prose In other words it s a narrative of Jesus life using the first four Gospels My book combines Matthew Mark Luke and John into a chronological narrative of Jesus life It is written through the eyes of you as Peter The book is Scriptural It doesn t change alter or sensationalize the original versions of events In some instances I combine multiple versions of the same event into one My inspiration for writing this book is to bring enthusiasm about Jesus to Christians and new revelations to non
