China's Changing Legal System Thomas W. Simon, Chuan Feng, Leyton P. Nelson, 2016-04-29 While much international attention has been focused on China's developing economy dramatic changes are also taking place in its legal system This book is a groundbreaking comprehensive introduction to China's legal system covering the major areas of both civil and criminal law The authors present fascinating cases and balanced accounts of controversial issues from copyright law to punishment By letting Chinese lawyers and judges speak for themselves the authors also allow readers a surprisingly candid insider's view of real life legal practice

**The Changing Chinese Legal System, 1978-Present** Bin Liang, 2007-12-12 This groundbreaking book examines the changing Chinese legal system since 1978 In addition to historical analyses of changes at the economic political legal and social levels Liang gives special attention to crime and punishment functions of the legal system and the current judicial system based on field research i e court observations in both Beijing and Chengdu The court system has been in a process of systemization both internally and externally seeking more power and relative independence However traditional influences such as preference of mediation over litigation and substantive justice over procedural justice and lack of respect from the masses and guaranteed power from the political structure still have major impacts on the building and operation of the judicial system Liang also shrewdly places the Chinese legal and political reform within the global system This book which reshapes our understanding of the economic political and essentially legal changes in China within the global context will be crucial reading for scholars of Asia law criminal justice and sociology

Criminology and Criminal Justice Systems of the World Peter O. Nwankwo, 2011 Professor Peter Nwankwo argues based on this textbook volume I that the world has been turned into a global village and that we have no reason's to ignore the awareness of what is going on in other countries of the world This textbook Criminology and criminal Justice System of the world A comparative perspective is a unique text not because of its title but because it contains what will ever be needed for the undergraduate and graduate students in the field of Criminology and Criminal Justice especially those taking a course in Comparative Criminal Justice The text is prodigious and profusely descriptive explored and explained by researching the police the court systems corrections or prisons including Juvenile Justice Systems and Crime Statistics in the following countries United States of America china Saudi Arabia Japan The Netherlands Bulgaria Haiti Botswana Philippines Uganda and Israel It is worthy to note that the United States of America had too much information so it was necessary to split it into two chapters i e chapter one and chapter two Additionally The Netherlands was also split into two chapters thus Chapters 6 7 The overall Chapters in this Volume I are thirteen VOLUME II Volume two of this text contains twenty four chapters and over 24 countries were researched and included as follows and will be published in a few in a few months The countries are Nigeria Norway Northern Ireland England and Wales Estonia Ethiopia Egypt South America Mauritania Jamaica Iraq Dominican Republic Turkey South Africa Russia Kenya Romania Congo Germany France Cameroon Ghana and Denmark No

matter the adversities of the readers and purchasers I do strongly advice that you order these two volumes together when the later would be available on the internet or through the publishers      Criminal Justice in Post-Mao China Shao-chuan Leng,Hungdah Chiu,1985-06-30 The post Mao commitment to modernization coupled with a general revulsion against the lawlessness of the Cultural Revolution has led to a significant law reform movement in the People s Republic of China China s current leadership seeks to restore order and morale to attract domestic support and external assistance for its modernization program and to provide a secure orderly environment for economic development It has taken a number of steps to strengthen its laws and judicial system among which are the PRC s first substantive and procedural criminal codes This is the first book length study of the most important area of Chinese law the development organization and functioning of the criminal justice system in China today It examines both the formal aspects of the criminal justice system such as the court the procuracy lawyers and criminal procedure and the extrajudicial organs and sanctions that play important roles in the Chinese system Based on published Chinese materials and personal interviews the book is essential reading for persons interested in human rights and laws in China as well as for those concerned with China s political system and economic development The inclusion of selected documents and an extensive bibliography further enhance the value of the book

*Legal Reform in the Contemporary Socialist World* Ngoc Son Bui,2024-08-12 Legal Reform in the Contemporary Socialist World explores four decades of legal reform in the socialist countries of China Vietnam Laos North Korea and Cuba from a comparative perspective Spanning the late 1970s to the present it examines various projects methods strategies contents driving forces and limitations of legislative reform administrative reform judicial reform and reform of the legal profession Legal reform in these countries is the project of the political elite to improve the legal system while retaining its core socialist principles It is carried out through legislative enactments amendments and replacements which the political elite adopt using incremental strategies to reform the legal system sporadically or systematically Socialist legal reform is animated by the political aspiration to create the rule of law the impact of social economic change and the influence of transnational and comparative law Despite significant reforms the socialist principles of the legal systems in these countries largely remain intact This legal reform however varies considerably by country Legal Reform in the Contemporary Socialist World offers a holistic view of understudied jurisdictions in comparative law essential for anyone studying or working in these areas in law politics or policy      *Global Crime and Justice* David Jenks,John Randolph Fuller,2016-12-08 Global Crime and Justice offers a transnational examination of deviance and social controls around the world Unlike many CJ texts detailing the systems of select nations or books that merely catalog types of international crime Global Crime and Justice provides a critical and integrated investigation of the nature of crime and how a society reacts to it The book first details types of international crime including genocide war crimes international drug and weapons smuggling terrorism slavery and human trafficking The second half covers international law international crime control the use of martial law and the challenges of balancing public

### **Legal Transplantation in Early Twentieth-Century China**

Michael Ng, 2014-05-23 Practicing law has a dual meaning in this book. It refers to both the occupational practice of law and the practicing of transplanted laws and institutions to perfect them. The book constitutes the first monographic work on the legal history of Republican Beijing and provides an in-depth and comprehensive account of the practice of law in the city of Beijing during a period of social transformation. Drawing upon unprecedented research using archived records and other primary materials, it explores the problems encountered by Republican Beijing's legal practitioners including lawyers, policemen, judges, and criminologists in applying transplanted laws and legal institutions when they were inapplicable to incompatible with or inadequate for resolving everyday legal issues. These legal practitioners resolved the mismatch, the author argues, by quite sensibly assimilating certain imperial laws and customs and traditional legal practices into the daily routines of the recently imported legal institutions. Such efforts by indigenous legal practitioners were crucial in and an integral part of the making of legal transplantation in Republican Beijing. This work not only makes significant contributions to scholarship on the legal history of modern China but also offers insights into China's quest for modernization in its first wave of legal globalization. It is thus of great value to legal historians, comparative legal scholars, specialists in Chinese law and China studies, and lawyers and law students with an interest in Chinese legal history.

### **Digital Libraries: People,**

**Knowledge, and Technology** Ee-Peng Lim, Schubert Foo, Chris Khoo, Hsinchun Chen, Edward Fox, Urs Shalini, Costantino Thanos, 2003-07-01 The International Conference on Asian Digital Libraries (ICADL) is an annual international forum for participants to exchange research results, innovative ideas, and state-of-the-art developments in digital libraries. Built upon the successes of the first four ICADL conferences, the 5th ICADL Conference in Singapore was aimed at further strengthening the position of ICADL as a premier digital library conference that draws high-quality papers and presentations from all around the world while meeting the needs and interests of digital library communities in the Asia-Pacific region. The theme of the conference, Digital Libraries: People, Knowledge, the technologies that are employed to build user-centered environments through organization, interaction, and provision of access to that content, and the human elements of management policies, maintenance, and vision necessary to keep pace with new content, new technologies, and changing user needs.

### Extraordinary Justice Craig

Etcheson, 2019-11-19 In just a few short years, the Khmer Rouge presided over one of the twentieth century's cruelest reigns of terror. Since its 1979 overthrow, there have been several attempts to hold the perpetrators accountable from a People's Revolutionary Tribunal shortly afterward through the early 2000s Extraordinary Chambers in the Courts of Cambodia, also known as the Khmer Rouge Tribunal. Extraordinary Justice offers a definitive account of the quest for justice in Cambodia that uses this history to develop a theoretical framework for understanding the interaction between law and politics in war crimes tribunals. Craig Etcheson, one of the world's foremost experts on the Cambodian genocide and its aftermath, draws on

decades of experience to trace the evolution of transitional justice in the country from the late 1970s to the present He considers how war crimes tribunals come into existence how they operate and unfold and what happens in their wake Etcheson argues that the concepts of legality that hold sway in such tribunals should be understood in terms of their orientation toward politics both in the Khmer Rouge Tribunal and generally A magisterial chronicle of the inner workings of postconflict justice Extraordinary Justice challenges understandings of the relationship between politics and the law with important implications for the future of attempts to seek accountability for crimes against humanity

**Governance Innovation and Policy Change** Nele Noesselt, 2018-10-15 This edited volume assesses governance innovation and institutional change under the fifth generation of China's political leaders headed by Xi Jinping The configuration of long term policy innovation without regime change requires skilled political actors who secure strategic majorities and set up coalitions to design and launch new policies Recalibrations or reconfigurations of the governance model respond to domestic reform pressures or external shocks in order to secure regime survival Given that most structural constraints and reform pressures do not arise out of a sudden the thrilling question is why the political elites sometimes decide not to engage in institutional reforms despite of widespread societal support for major restructuring and why they suddenly launch institutional changes in times of relative stability The authors address these issues by focusing on basic patterns and paradigms of governance and institutional change in China the actors and drivers of governance innovation as well as the impact of norms values and socio cognitive orientations This is added by some reflections on the interplay between abstract ideas reform debates and the making of concrete decisions as outlined by the Third Plenum on socio economic reforms in 2013 and the Fourth Plenum on rule based governance fazhi in 2014
