Laughter is not the best medicine If you have a weak heart you can die laughing But you cannot die by drinking your fresh urine even if you have a weak heart On the contrary your weak heart will become strong because it will be cured of its disease that made it weak Moreover if you have other diseases they will all be cured if you drink your fresh urine This book will show you how this magic is done by urine Urine is not a waste It is a residue Your body takes and uses the little nutrients it needs from the food and liquid you take The residue is taken out of your body through your urine Hence your urine is full of precious healthy nutrients By drinking your fresh urine you can give back to your body these nutrients that will cure and prevent all diseases This book will tell you how this is done Since urine is a medicine that is manufactured by your body and since your body is made and designed by God urine is truly God s medicine That is why it is so effective and cures all diseases For this reason

the wise people of India have been using for ages their urine to cure and prevent diseases And also for this reason they call urine Shivambu meaning water of Shiva who is one of their major gods Indeed it is urine which is the best medicine no other

Paul,2016-09-27 Wine has always been a part of popular medicine Bacchic Medicine analyses the historical role of wine in the treatment of disease and preservation of health The Hippocratic texts gave wine therapy a canonical statement over two millennia ago but the nineteenth century was the golden age of alcohol and wine therapy The Germans and the British gave us early canons of wine therapy and heavily endowed with wine cultural capital the French followed But like all therapies alcohol and wine therapies were not without danger and some of the iatrogenic tales are still with us In the twentieth century many doctors rallied to the defence of wine both as a substitute for more dangerous alcoholic drinks and as an efficacious

medicament with an impressive case for the efficacy of wine in fighting bacteria heart disease and cancer New science based on animal models and ionic theory fortified their arguments According to the controversial French Paradox wine drinking makes it possible for a population to enjoy a high fat diet yet suffer little Bacchic Medicine also discusses the contemporary debate over the role of alcohol and wine in preventive medicine      *Foundations of Complementary Therapies and Alternative Medicine* Robert Adams,2009-12-04 Looking for a comprehensive introduction to the field of complementary therapies and alternative medicine This authoritative textbook will meet all your needs Featuring perceptive case studies study support material and resources for further reference Foundations of Complementary Therapies and Alternative Medicine provides fascinating information about a broad range of approaches Core content includes Introductions written by practising experts in the field Basics of anatomy and physiology Practical advice on working with clients and patients Information on setting up your own practice Discussion of ethics and codes of conduct Study skill aids and professional development advice With coverage of theory matched by a firm grounding in practice issues Foundations of Complementary Therapies and Alternative Medicine is a complete learning resource It is a must have book for all undergraduate and foundation degree students taking courses on complementary therapies alternative medicine holistic therapies nursing health and related subjects      *Liberating Yourself from Lyme* Vir McCoy,Kara Zahl,2020-12-29 Learn to understand what your body is telling you and discover the optimum treatment path for your unique Lyme symptoms Shares the authors 10 year journeys to overcome chronic Lyme and details their successful healing protocol Reveals how to increase your sensitivity to what your body is telling you to discover remedies and healing actions for your individual symptoms Explores the antibiotics herbs diet exercise beliefs immune health and self healing meditations that the authors used for a complete healing For some people recovering from a Lyme disease infection can become an endless battle with physical mental and neurological symptoms especially if it s not diagnosed early After they both contracted Lyme in 2001 Vir McCoy and Kara Zahl embarked on standard antibiotic protocols Soon they both began to have intuitive or sensory impressions about specific remedies their bodies needed the nature of the disease and why they were chronically ill Backing up their intuitive impressions with scientific evidence they developed a protocol that brought them each a full recovery after nearly 10 years battling chronic Lyme In this medical intuitive approach to Lyme the authors share their personal Lyme journeys and their integrative healing protocol that bridges the scientific and the spiritual They explore the peculiarities of Lyme disease including how Lyme is often misdiagnosed giving it time to establish itself deep within the body s organs and nervous system and examine in detail new and standard remedies with thorough scientific references They share the spiritual psychological strategies they successfully employed against Lyme and its coinfections and explain how to increase your sensitivity to what your body is telling you to discover natural remedies and healing actions unique to your individual symptoms Outlining a program of herbs diet and exercise that can work in tandem with traditional Lyme treatments they also explore how to help the body get

rid of this pathogen that possesses an incredible ability to adapt to various treatments and thwart their effectiveness Expanding beyond Lyme the authors offer self help meditations to help you heal on a deeper level and explain how to access the holographic medicine chest to draw on for stronger immunity energetic healing and support at any time *Medicine Balls* Phil Hammond,2008-09-15 This is the popular best seller in a revised and updated new edition The world is full of TV doctors but only Dr Phil has appeared on Have I Got News For You seven times and Countdown nineteen times a true mark of greatness whatever Lord Winston says He is also Private Eye s medical correspondent and possibly the only comic to have appeared at a Public Inquiry Dr Phil 46 Capricorn has worked in the NHS for twenty years but only used it twice He takes no drugs apart from Australian Shiraz and has never knowingly been Rolfed So how does he remain so healthy And what sort of Doctor is he Here at last are transcripts of his most life enhancing consultations and comedy including 89 Minutes to Save the NHS
