

Frisbee Golf

History of Frisbee Golf

Modern day Frisbee golf started in the late 60's. George Sappenfield, a Californian, realized that golf would be a lot of fun if played with Frisbees. He set up a course of targets for kids to play on. A year later Sappenfield introduced the game to many other Frisbee players. Many of them brought the game back to the U.C. Berkeley. It quickly became popular and they installed a permanent course in 1970.

Meanwhile on the East coast standardized targets were created and the game became more serious. It was "Steady Ed" Headrick, a great Frisbee innovator, that made the biggest contribution to the modern game. In 1976, Headrick and his son invented and patented the standardized disc catcher called a "Disc Pole Hole", which is still used today. With this invention he established the first permanent 18-hole course at Oak Grove Park in California. 1976 is known and accepted as the beginning of modern Frisbee golf. After 1976 the sport grew like crazy and never looked back. Now Frisbee golf has become the most widespread and popular organized frisbee sport.

Golf Rules Study Guide:

A Guide to Being a Golf Rules Official Jason R. Smith, Woodrow T. Fail, 2023-04-26 There are many books covering the rules of golf but very little written on how to be a golf referee rules official Most people do not realize that almost all golf referees are volunteers Sure many of them get lunch or breakfast covered while at a tournament But very few actually get paid The comradery and passion for the game of golf are what inspires most golf enthusiasts to begin an exploration of the rules From there many want to help with golf tournaments There is very little guidance other than word of mouth on how to become involved or what golf referees do Some seem to think that golf referees hang out in the woods and race out in a golf cart to tell a player they incurred a penalty But on the contrary we try to help players avoid penalties and be there for them when they have questions to insure they play according to the rules We also help set up the course set the tees mark the course and choose hole locations and set up the tournament notice to players local rules starting times and many other administrative duties We hope this book provides a different side of golf that might inspire you to become a golf referee
