**The Angels Are in Wyoming** G. David Redding, 2016-01-28 As Jack Samson rides into the small Wyoming town of Grigsby one wintry morning he does not know what lies in store for him All he does know is that announcing his arrival with gunfire and soon after beating the local drunkeven if it is to protect a child makes for a bad first impression But then the towns suspicions of him are not completely unfounded after all he is running from the law Still a few locals give their visitor the shadow of a doubt Pastor James Worthington for one and the beautiful widowed innkeeper Virginia White along with her mother and daughter These angels see through the moody mysterious exterior of this dark stranger to find that Samson is merely a bitter soul in need of God's love These allies enlist the help of select localsthe

Pizarro, 2008-06 The Holy Trinity and the Gambler presents a new point of view of the biblical teachings of Jesus They are seen through the impartial eyes of a child philosopher and semanticist They understand things analyze them and interpret them as it says in Ecclesiastes 8:1 They know the Truth The Truth they see is self evident in Nature where Jesus began his spiritual learning The little boy greatly loved God and when he grew up he lived out in the lonely wilderness until he began his public ministry to Israel Luke 1:80 Philosopher David Hume 1711-76 The chief or sole argument for divine existence is derived from the order of nature where there appear such marks of intelligence and design From the order of the work there must have been project and forethought in the workman The Holy Trinity and the Gambler is told in Internet Dialogue

*Speak Through the Wind* Allison K. Pittman, 2010-05-19 After a lifetime of mistakes can Cassandra ever be forgiven New York City 1841 When Reverend Joseph plucks a gravely wounded child from the mean streets of Manhattan's rough Five Points District he intends to give her a real home And though Cassandra flourishes in the preacher's house learning Bible verses at his knee and going to school as a young teenager she makes the first of many devastating decisions running away from the only haven she's ever known What follows is a waking nightmare life in a tiny room above a brothel the loss of a child a lover's rejection and finally life as a prostitute As circumstances lead her further and further from the reverend's secure home an ashamed Cassandra is certain that neither God nor Joseph will ever forgive her Feeling as though she has nothing left to lose and nowhere to go Cassandra leaves behind her hopes of redemption and heads west to California where she is transformed into the woman known as Sadie Unfortunately nothing in her life is pointing to a happy ending and Sadie is forced to grapple with the question Once you've passed the point of no return can you ever go back

**Words of Truth** Donald J. Richardson,2007-01-10 The impetus for Words of Truth came about when I read a newspaper article observing the fortieth anniversary of the Selma Alabama Civil Rights march This was an important event in our nations history and it touched the lives of everyone who participated Although I was old enough to take part in the march I wasn't involved and in fact paid little attention to what was going on in the South except for what I saw on the evening news Thus my firsthand knowledge is nil However I know someone who actually marched and Andrew Young's book and the Saturday Evening Post article are quite thorough As has been pointed out numerous times the marchers not the organizers or the leaders are the ones who actually changed history **Charis and Charisma** Sung-Hoon Myung,Young-Gi Hong,2011-06-13 Founded by David Yonggi Cho Yoido Full Gospel Church is the world s largest church This book discusses the factors responsible for the phenomenal growth of this church The book expounds the role played by leadership the Holy Spirit prayer preaching cell groups and creativity in promoting church

growth with particular reference to Yoido Full Gospel Church It focuses on God's Grace charis and Inspiring Leadership charisma as the two essential factors for church growth and in this context examines the part David Yonggi Cho's personal charisma and his ideas or principles play in causing growth The purpose of the book is to present a model for church growth worldwide The Specter Radio Plays Joe Doran, 2006 *Fun*, 1864 **Charlie Goodbear** Tom Thunderhorse, 2007-10-17 Nothing in life is to be feared It is only to be understood Marie Curie The nature of people is to shun the unknown which is what a handful of people in the town of Springdale were doing to Charlie Goodbear Charlie Goodbear by Tom Thunderhorse is an inspirational tale about the lives of a few small town folks and a good hearted and misunderstood man named Charlie The book begins with a detailed explanation of the characters and the town of Springdale Thunderhorse's perfect description of the stereotypical small town life makes you feel close to the characters It is as if you are part of the gang and not just a silent spectator The story unfolds only to pull you deeper into the lives of these colorful characters A wonderful element this book has to offer is humor and more than one kind This book will have its reader laughing as well as sitting in silent amusement at some particular quirk Do not think for one minute that this book is a comedy however it will have you near tears at some points too A word of warning to all the book's potential readers This book is religious That's right I've said the R word However what is more important for those who are sensitive about the aforementioned R word it is not preachy This story does not attempt to convert you or convince you of the benefits of believing what these characters do believe Feel safe people of all faiths your beliefs are out of harm's way so if you can get past the rest of it just sit back and enjoy the tale Charlie Goodbear offers an ending that can only be described as bittersweet but I will not spoil it for any potential readers who may be reading this You will just have to acquire a copy of this wonderful book for yourself When I stand before God at the end of my life I would hope that I would not have a single bit of talent left and could say I used everything you gave me Erma Bombeck I have known Tom Thunderhorse for a good amount of time now and knowing him has made this book all the more enjoyable for me I could hear his voice in my head as I read and his sense of humor and personality comes through in every character I feel very touched to have been given the opportunity to enjoy his novel before it becomes available to the rest of the world and truly blessed to have met him This Review By Christina Malley *Lord, All I Want Is to Be Saved* Phyllis Murphy, 2004-04-22 This humorous yet thought provoking story is about a mother and Christian businesswoman who becomes entangled in a world of religionist She finds herself in a battered relationship and the decisions she must make are based upon her desire too live a righteous life and to be saved **Slaves to Racism** Benjamin G. Dennis, Anita K. Dennis, 2008 Slaves to Racism is a historical eyewitness account of the effect of racism in two countries one black one white showing how American racism traps blacks even in Africa The tales he tells illustrate the twists of irony and misplaced pride on all sides Prof Dennis chronicles the compulsive and repetitious nature of racism and its destructive effects on peoples and societies During the 1990s Liberia descended into civil war and anarchy African Liberian rebel groups roamed the

countryside randomly killing as they vied for power Doe was killed by a segment of these rebel groups and warlord Charles Taylor eventually became president in 1997 In 2003 Taylor was deposed by rebel groups and is now on trial at The Hague for war crimes Despite Ellen Johnson Sirleaf s democratic election in 2005 Liberia remains in ruins as a classic failed state in Africa The obvious question is Why did the Negro experiment planted in Africa in 1822 fail so miserably Liberia was doomed from the start The sins of the master were inevitably passed on to the freed slaves who returned to Africa to make a fresh start To assert status the Americo Liberians blindly followed the worst habits of the whites imposing themselves as a superior class on the African Liberians who had never left With only a superficial knowledge of Western culture they imagined the white way without truly understanding it and made Liberia a caricature of Southern society Prof Dennis compares the prejudice and discrimination between groups in Liberia with the patterns he has encountered between and among blacks and whites in the United States from blatant bigotry to the almost subliminal boundaries that still exist even among liberal communities that want more blacks Publisher s description      Liberty's Wrath Charles Britton,2016-03-11 Twenty two year old William Blake is less than thrilled when Barack Obama is elected to a second term in 2012 A senior at Quinnipiac University William is known for his staunch conservative political views Despite his overwhelming disappointment with Americas new direction William remains focused on finding a job as a high school teacher after graduation William is the perfect recruit for a network of charter schools started by The Movement a shadowy libertarian organization After he accepts a job teaching social studies and history at a charter school William is lured into The Movement by its charismatic leader Edward Birch and a beautiful and experienced member Tabitha Couture As William becomes further immersed into the conservative crusade he eventually receives an offer he cannot refuse one that will help him transform the landscape of American public education and eventually lead him to libertys wrath Libertys Wrath shares the story of one mans exploration of the role of freedom in the twenty first century after he joins a conservative movement with a lofty mission      A Shameful Murder Cora Harrison,2019-12-05 Ireland 1923 The country has been torn apart by the War of Independence and is now in the throes of sectarian violence and severe flooding But Mother Aquinas knows that not all floods cleanse the deeds of humanity When a body washes up at her convent chapel dressed in evening finery she immediately suspects foul play The overstretched police force may be ready to dismiss the case as accidental drowning but strangulation marks on the girl s throat tell a grimmer story Mother Aquinas wants justice for the girl and won t let a murderer slip away unpunished under the cover of war      **Murder in a Nunnery** Emmet Lavery,1971      Pastor Needs a Boo Michele Andrea Bowen,2014-07-08 Michele Andrea Bowen made a name for herself years ago during the African American inspirational fiction craze Now in Pastor Needs a Boo she s back with an amazing journey of faith drama and love It was a regular New Jerusalem Gospel United Church work day for Reverend Denzelle Flowers when Veronica Washington Keisha Jackson and Marsha Metcalf showed up after losing their jobs on the same day same morning and almost at the same time Denzelle struggled to solve that

first problem The other problem the lovely Marsha would be much harder to solve Denzelle didn't even know how to fight wanting to turn in the playah's card and getting booed up with the poster girl for church girls Marsha Metcalf and her fellow unemployed church members aren't Denzelle's biggest problem though He is running for bishop and his enemies a more ruthless consortium of corrupted clergy want power badly enough to go to rather extreme lengths for it because the stakes are just that high Now his ex wife was back and sleeping with the enemy digging for dirt Reverend Denzelle can't fight this battle alone This pastor needs a boo who will stand by his side Before the dust settles both Marsha and Denzelle's faith and love will be put to the ultimate test
