born in 1828 and a product of a deeply religious upbringing channeled her personal experiences and Christian values into her work. Her strong convictions about morality and education were fueled by a desire to positively influence young readers during a time when societal expectations for women were evolving. Finley's dedication to storytelling was not merely a professional endeavor but a vocational mission to inspire and uplift the next generation, making her a forerunner in children's literature. For readers seeking a profound exploration of 19th-century values and the trials of youth, Martha Finley's *Collected Works* is an essential addition to any literary collection. It offers both historical insight and timeless themes of resilience and morality, making it a thought-provoking read for scholars and casual readers alike.

Just because you can't see them doesn't mean they are not there. After his return to CASSADAGA, reluctant Psychic and Astral Projectionist Bret Wolf visited the little man for a session of hypnotic regression to try to understand his dreams. While there, he witnessed a dark and mysterious state of awareness and a conveyance he named the Drift. Little did he suspect that he would be drawn into a journey through time and dimensions that would test his physical stamina as well as his unique abilities. Wolf found himself on a World of darkness, one he knew had to exist. With his adamant sense of balance, positives and negatives had to be equal. One could not have a heaven full of positive energies without the converse. Without the valleys, there are no mountains. Somewhere there was an anti-heaven where negatives spirits returned after their lives. Wolf learns along the way that when a soul is taken by another soul, that new soul belongs to the one taking it. It is then sent to the dark world or, as the ancients called it, the crossroads or the underworld. But he had been injured by a denizen of the underworld, so his soul now belonged to the dark. Yet Wolf was not defeated, as his body was not dead yet. He was severely injured but in real time was on life support in a Florida Hospital. His only lifeline, his only chance of escape from this world, was in the reincarnated spirit of his mother, now residing in his eight-year-old daughter. DARK EXISTS BUT LIGHT MUST BE CREATED IN THE UNIVERSE AS IN THE SOUL I HAVE TO GET BACK TO MY BODY. YOU CONTROL TIME WHEN YOU DREAM. A FIVE SECOND DREAM CAN BE A FULL DAY TO THE DREAMER. JM MILNE.
