Franzen**

Good Teen S To Read:

Promoting Great Reads to Improve Teen Reading Lucy Schall, 2015-02-12 Support current educational initiatives with a ready to use tool that will help you with selection motivation and skill building relative to titles published within the last five years New demands by Common Core and other national and state standards mean teachers and librarians need support in pairing high interest content with skill building that speaks to those standards This hands on research based resource will help Covering 100 titles it guides you to topics themes values and activities that meet national and state standards The book s organization by genres topics and themes will enable librarians to serve customers with specific requests and help teachers build thematic units Focusing on recent young adult fiction and nonfiction 2010 2014 the guide offers a succinct plot summary links to popular themes and genres indication of reading levels and an engaging booktalk for each title It also includes guidelines for further promoting each book and extending knowledge through discussion The author a former middle and high school teacher demonstrates how you can foster close reading through paraphrasing comparison and response and explains how to strengthen critical thinking among teens Lists of related titles and notes on gender appeal can be used for readers advisory

Teens Choosing to Read Gay Ivey, Peter Johnston, 2023 In a sea of troubling reporting about education teaching reading and the wellbeing of teens Ivey and Johnston bring some good news that shows what happens when we stop underestimating young people This accessible book offers an engaging account of a 4 year study of adolescents who went from reluctant to enthusiastic readers These youth reported that reading not only helped them manage their stress but also helped them negotiate happier more meaningful lives This amazing transformation occurred when their teachers simply allowed them to select their own books invited them to read with no strings attached and provided time for them to do so These students nearly all of whom reported a previously negative relationship with reading began to read voraciously inside and outside of school performed better on state tests and transformed their personal relational emotional and moral lives in the process This illuminating book leads readers on a tour of adolescents reading lives in their own words offering a long overdue analysis of students deep engagement with literature The text also includes research to inform arguments about what students should and should not read and the consequences of limiting students access to the books that interest them through censorship Book Features Links young adults reading engagement with socio emotional and intellectual development Provides nuanced descriptions of teaching practices that facilitate student agency in learning Features student voices that have been absent in debates about what is appropriate for young people to read and under what circumstances Connects student perspectives on reading with positive outcomes of reading to research from other disciplines Illuminates the breadth and depth of the responsibilities of teaching English language arts

The Big Book of Teen Reading Lists Nancy J. Keane, 2006-08-30 Use these 100 handy reproducible book lists to instantly create handouts for teen readers and teachers add to your newsletter or post on your web site or bulletin board Based on the most common needs of educators

Young Adult Literature, Libraries, and Conservative Activism Loretta M. Gaffney, 2017-02-01 This incisive study analyzes young adult YA literature as a cultural phenomenon explaining why this explosion of books written for and marketed to teen readers has important consequences for how we understand reading in America As visible and volatile shorthand for competing views of teen reading YA literature has become a lightning rod for a variety of aesthetic pedagogical and popular literature controversies Noted scholar Loretta Gaffney not only examines how YA literature is defended and critiqued within the context of rapid cultural and technological changes but also highlights how struggles about teen reading matter to and matter in the future of librarianship and education The workbridges divides

between literary criticism professional practices canon building literature appreciation genre classifications and recommendations standard histories and commentary It will be useful in YA literature course settings in Library and Information Science Education and English departments It will also be of interest to those who study right wing culture and movements in media studies cultural studies American studies sociology political science and history It is of additional interest to those who study print culture publishing and the book histories of teenagers and research on teen reading Finally it will offer those interested in teenagers literature libraries technology and politics a fresh way to look at book challenges and controversies over YA literature
