**Gospel Truth** Russell Shorto,2012-09-04 Russell Shorto meticulously investigates Christian history and the Bible's New Testament to reveal the true historical Jesus Christ For roughly two thousand years the world has known only the biblical depiction of Jesus the virgin birth miraculous life and resurrection Recently scholars have pursued the historical Jesus Christ by poring through texts examining ancient documents and even holding votes They make a fresh attempt to answer some of history's greatest questions Who was he Where did he live What did he think And was the Bible's account true In Gospel Truth bestselling author Russell Shorto The Island at the Center of the World brings a journalist's eye to the life of Jesus Christ Shorto looks into the Jesus Seminar where historians seek and analyze evidence of the world's most famous carpenter's son He compiles their research and ideas to create a composite biographical portrait of Yeshu a man of ordinary beginnings who changed the world in extraordinary ways A skillfully compiled biblical interpretation Shorto shows a Jesus stripped of the unhistorical Library Journal The result will fascinate believers and nonbelievers alike

**An Archaeological History of Hermitages and Eremitic Communities in Medieval Britain and Beyond** Simon Roffey,2023-03-03 Many hermitages and eremitic communities are recorded throughout the medieval period yet to date there has been no comprehensive archaeological study This richly illustrated book will consequently discuss a range of hermitages and introduce the reader to their architectural forms spaces location and environments as well as the religious practices associated with them It will focus primarily on the British material but will nonetheless consider this within a wider comparative framework Overall it will offer an archaeological history of hermitages and presents a unique window into a lost world of medieval spirituality and religious life Key related themes will include the earliest archaeological evidence for hermits eremitic life in India China and East Asia pre and early Christian desert hermitages cave hermitages eremitic communities saints and missionary hermits life and diet medieval mysticism and the contemplative tradition secular and ornamental hermitages and hermits in post medieval and contemporary society This book offers an illustrated archaeological history of hermitages and eremitic communities with reference to key examples and case studies It will therefore appeal to both academics students and a more general readership interested in archaeology history comparative religion architecture religion and belief spirituality medieval Britain modern contemplative practice and contemporary heritage issues

**The Gospel Truth** Patrick T. Rhoads,2020-07-31 The skepticism holding sway in our public society practically screams that one cannot be serious and also be Christian This work exposes the lie to such skepticism This book adopts the scientific method to demonstrate the underlying facts recorded in the Gospels The arguments rely solely upon reason and objective criteria to substantiate their conclusions This fast paced work by a nuclear engineering executive with more than thirty five years of experience will defy expectations Rigorous and systematic this apologetic work is curated with verve energy and wit It will pique the interests of academics and lay audience alike by answering these questions Why is the resurrection a necessary but not sufficient

condition for the rise of Christianity Who founded Christianity Hint it was not Saint Paul as many suppose Why did the church retain all of the Hebrew Bible even though only a small fraction pertains directly to the New Testament How does the church rectify the necessity of justice with the virtue of mercy Why did his first followers call Jesus the Christ while fully aware that he did not satisfy the expectations of the Christ in the Hebrew Bible At the end of the book readers will ask the same question about Jesus that Jesus asked of the apostles Who do you say that I am

**Saints and Madmen** Russell Shorto,2012-09-04 From the New York Times bestselling author Each chapter offers a window on a different intersection of psychiatry and spirituality New Age In **Saints and Madmen** bestselling author Russell Shorto explains how modern science is beginning to reconcile centuries of religious experiences with current psychiatric theories Psychotic patients sometimes believe they re developing mystical powers speaking to animals or conversing with God during their episodes As one patient said psychosis can be life s greatest joy and also its worst hell Traditional psychiatry has approached the existence of these occurrences as a treatable medical problem a case of unbalanced chemicals in the brain But could it be more In **Saints and Madmen** Shorto writes about the scientists who reject the Freudian view of religious experience as narrow minded and shows us how their findings could change how we understand our own minds and spirits

**The Quest of the Historical Jesus** Albert Schweitzer,2015-02-24 Renowned scholar and author Albert Schweitzer s world changing study of the true life and teachings of Jesus of Nazareth The Christian religious tradition has shaped much of our world for two millennia But separate from the practice of Christianity is the factual life of Jesus himself In this groundbreaking study philosopher and Nobel Peace Prize winner Albert Schweitzer delves into biblical text and historical evidence to deconstruct the many myths of Jesus s life that have been propagated through the centuries A seminal work Schweitzer s book brings into focus the social and political currents of Jesus s time to rebut previous authors hypotheses and form an entirely new one of his own A milestone text in its time Schweitzer s book was so dominant that virtually no new scholarly investigations of the historical Jesus were published for decades after its initial release Now more than a century later **The Quest of the Historical Jesus** remains the standard against which religious academic studies are measured This ebook has been professionally proofread to ensure accuracy and readability on all devices

**The Quest of the Historical Jesus** Albert Schweitzer,1910 *The Quest of the Historical Jesus. A Critical Study of its Progress from Reimarus to Wrede* Albert Schweitzer,2023-10-23 In **The Quest of the Historical Jesus** Albert Schweitzer presents a critical examination of the evolution of historical Jesus research from the Enlightenment to the early 20th century Through a meticulous analysis of significant figures such as Hermann Reimarus and William Wrede Schweitzer unpacks the philosophical and theological underpinnings that shaped their interpretations The work is characterized by its rigorous academic style blending historical scholarship with profound theological inquiry making it a pioneering text in the field of biblical criticism He argues that the quest for the historical Jesus has often been clouded by conflicting motives and perspectives revealing a complex journey toward a deeper

understanding of the foundational figure of Christianity Albert Schweitzer a prominent theologian philosopher physician and musician drew upon his diverse academic background to explore the life of Jesus His own engagement in missionary work in Africa and his commitment to humanitarian principles were undoubtedly influenced by his theological inquiries His synthesis of ethics and spirituality reflects a lifelong quest for meaning deeply intertwined with his Christian beliefs and a critique of modernity s impact on religious thought This book is highly recommended for scholars theologians and lay readers intrigued by the historical Jesus and the evolution of religious thought Schweitzer s groundbreaking analysis invites readers to confront the complexities of faith and scholarship encouraging a critical examination of the intersection of history theology and contemporary interpretation

**40 Questions About the Historical Jesus** C. Marvin Pate,2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ s life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels

On the Trail of the Septuagint Translators Anneli Aejmelaes,2007 The essays of this revised and expanded collection were written by Prof Anneli Aejmelaes over a period of 25 years The thread that runs through all these essays and holds the collection together is translation technique which is characterized as a central aspect of methodology rather than an object of study Only by tracing the trail of the Septuagint translators is it possible to gain a reliable picture of the different translators and of the Hebrew Vorlage their work was based on The themes dealt with in the individual essays range from the study of syntactical features of the Greek language used in the Septuagint to the quest for the correct understanding of the underlying Hebrew from the overall description of the translation character of certain biblical books to the application of translation technical data in textual criticism of the Hebrew text and from methodological questions to the discussion of theological interpretation by the translators reflecting the ongoing discussion in the international field of Septuagint studies and representing a significant and distinctive critical position in it

Service,2002      **The Gospel Truth** ,1977      Gospel Truth? Graham Stanton,1995      **Pathway to Paradise** Elaine Threats,2008-05-08 Looking for God in all the wrong places Then read this book Its an in depth journey through the Holy Scriptures of the bible to guide you through Gods pathway of salvation which he has provided for human life on this earth In the world of today there are some many avenues and paths to choose in life God has given man the freedom to choose his own destiny but in that freedom he has asked that we choose wisely making right choices What is the right choice in life This book is here to help answer that question The bible says the fear of the Lord is the beginning of wisdom therefore having godly fear is the first wise path that anyone can choose Why is it wise to fear God It is wise because once we begin to give God his due respect as the creator of life is where we begin our journey toward discovering every other right and wise pathway life has to offer which leads to true salvation and in the end eternal life This book is a journey through the Holy Scriptures of the bible in finding that right path to help clear up the fog in the minds of so many looking to know and understand what is true and what is right God has already laid the foundation by the scriptures that we may have the tools and the ability to build a life of success according to the Master who created this great world in which we live and who knows best If you have a true desire to understand the scriptures and want to know what God can do in your life if you are confused about the bible and religion but hope to find the pathway leading to true salvation then read this book Is is here to give good education on biblical truths And as you read keep the bible handy because this book is designed so that as you read it you will need the bible for reference in hopes that you might find the true pathway to paradise      **God Versus the Idea of God** Thomas Richard Harry,2017-09-21 Mankind society and cultures have progressed over the past two millenniums but the Church seems to have not kept up Is it the Churchs obligation to adapt Yes to some degree it is if it wants to continue to be considered relevant a significant issue today is reason vs revelation But because the Church claims it alone possesses the truth and truth is immutable but is however subject to context it seems reluctant to demonstrate willingness to adapt tradition to a changed world Today we have a great deal of accumulated knowledge and scholarship that at least suggests some of the Churchs teachings are not immune to questionwhich produces skepticism which in turn erodes faith This book is intended to respectfully address these questions from a laymans perspective for the potential benefit of other lay persons of all ages and conviction or lack thereof      **Religious Books, 1876-1982** ,1983 Prepared by the R R Bowker Company s Department of Bibliography in collaboration with the Publications Systems Department Page opposite t p Includes indexes Author Index 3901 4069 Title Index 4071 4389      The Jesus Scroll Donovan Joyce,1972
