

The background of the entire image is a photograph of two hands, palms up, reaching towards a bright sun in a cloudy sky. The sun is positioned between the two hands, creating a strong lens flare effect. The hands are light-skinned and appear to be reaching upwards from the bottom of the frame. The sky is filled with soft, white clouds, and the overall color palette is warm and uplifting, dominated by yellows, oranges, and blues.

THE WORKS OF THANAEEL EMMONS WITH MEMOIR OF HIS LIFE ,1860 **The Christian Library** ,1834 *The Christian Library, Second Series* ,1851 The Liberator ,1884-06 A Dictionary of Christ and the Gospels James Hastings,2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church **Foundations** Dr. James Ross,2010-07-10 FOUNDATIONS takes an in depth approach to the design and function of ministry and discipleship We find in the modern Church a great need for discipleship and spiritual training Many believers who know to do good struggle in their daily spiritual life as they long for an expression of overcoming faith FOUNDATIONS leads the reader into a meaningful recognition of their place in Christ He is our righteousness and God s grace and goodness leads every saint into a repentant and firm faith There are two kinds of knowledge spoken of in the Bible which are information and application Information is knowledge that puffs up 1 Corinthians 8 1 due to the potential it has to lure people into believing that the more information they have about the Bible the more mature they are Hosea speaks about the second type of knowledge when he wrote My people are destroyed for lack of knowledge He was expressing our need for the application of God s word that is necessary for the salvation of our souls and the impartation of Christ likeness every Christ needs The application of spiritual truth is the key to an overcoming faith and a renewed mind Because of this FOUNDATIONS offers a functional approach to Discipleship and spiritual training which develops the believer s ability to stand firm in the faith they profess With this in mind Solomon asked God for an

understanding heart i.e. a hearing heart 1 Kings 3:9 because he understood that in order for anyone to be inclined toward wisdom they had to first hear God FOUNDATIONS is designed to help the believer mature in their faith by expanding their ability to renew their mind while they develop an understanding heart so they can learn to hear the Holy Spirit in a clarifying way Every saint must mature in their ability to hear God as they read the Bible and listen to the Holy Spirit and this is more readily accomplished through the discipleship process and through spiritual growth FOUNDATIONS is an exegetical study that was compiled over twenty eight years of pastoral and ministry experience It is a study of the Scripture that dives deeply into the ways of God as it also expounds on many of the principles practices and doctrines found in the Scriptures

FOUNDATIONS is a practical tool for the serious disciple and an aid for every Church leader **Inside Out** David Henderson, 2016-11-02 This book is written for my sons and is a patchwork of my thoughts prayers journal entries and emails These emails etc were written to family friends and the youth group students I have had the privilege of getting to know and love for the past 25 years Some of the questions I get are about creation evolution the deity of Christ the end times as well as personal issues such as sexual purity and how to live a holy life Part of the book is also about the journey God has brought me through in my personal life My hope is that however God uses this book that it pleases and glorifies Him *Philippian Studies Lessons in Faith and Love from St. Paul's Epistle to the Philippians* Handley C. Sermons in 1 & 2 Corinthians R. J. Rushdoony, 2023-06-09 Rushdoony's Sermons in First and Second Corinthians are the last of his Biblical commentaries delivered shortly before his passing but it represents a fitting close to his teaching ministry He said Paul's letters are difficult to preach on because they speak to the sins of Christians and with the church at Corinth the long list of sins included division strife injustice immorality doctrinal error and the abuse of the sacraments Despite their many transgressions the apostle Paul still addresses the believers at Corinth as saints and referred to their gathered community as the church of the Lord Jesus Christ They were still Christ's embassy on earth They could still develop into a greater training center for Christian action This is why Paul's letters to the Corinthians are relevant to the church

today and it is also why Rushdoony's sermons on these two epistles are invaluable to us now. Rushdoony was criticized for his ecclesiology but only because he always saw the greater fact of God's advancing Kingdom and the church as the equipping center for the saints. Rushdoony's fresh application of Paul's warnings and admonitions will help Christians, pastors and churches to free themselves of the same sins and return to the church as an embassy of the Kingdom.

THE NEED FOR A GODLY SOCIAL ORDER

The church could not hope in time to rule the world if it could not rule itself. It was thus very important for Paul to bring the Corinthians back into obedience to God's law among other things. The apostle Paul was an envoy to the ekklesia of Jesus Christ, those who are called to establish God's Kingdom on earth. Therefore the importance of his patience, correction and instruction could not be diminished if he were to be faithful to the One who sent him. The church is Christ's embassy to earth to reclaim what belongs to Him. Against the backdrop of a history filled with hatred for God and hatred of all that is holy, our greater calling is the establishing of a godly social order, and this commentary by Rushdoony is a welcomed text to help equip us for that great responsibility.
