Gold Medal Ice Hockey For Women And Girls:

Gold Medal Ice Hockey for Women and Girls Tricia Dunn, Katie King, 1999 A guide to ice hockey for girls and women telling the story of the authors experiences as members of the gold medal winning U S Olympic Ice Hockey Team in 1998 and offering advice on how to play the game discussing rules penalties teamwork individual positions and physical skills

Crashing the Net Mary Turco, 2000-01-01 An account of the first U S Olympic women s ice hockey team follows their preparations for competition and examines their achievements in the context of women s athletics Ice Hockey Anne Wallace Sharp, 2010-11-08 An extremely fast paced and physical game ice hockey is one of the four major North American professional sports and a popular event at the Winter Olympics Providing an overview of the origins and history of ice hockey and current issues affecting the game this book presents easily readable descriptions of the scientific principles and concepts relevant to ice hockey Readers will learn about the biomechanics and physiology involved for the players and the elements of sports medicine uniquely associated with the game *Female Gladiators* Sarah K. Fields, 2010-10-01 *Female Gladiators* is the first book to examine legal and social battles over the right of women to participate with men in contact sports The impetus to begin legal proceedings was the 1972 enactment of Title IX which prohibited discrimination in educational settings but it was the Equal Protection Clause of the U S Constitution and the equal rights amendments of state constitutions that ultimately opened doors Despite court rulings however many in American society resisted and continue to resist allowing girls in dugouts and other spaces traditionally defined as male territories Inspired women and girls began to demand access to the contact sports which society had previously deemed too strenuous or violent for them to play When the leagues continued to bar girls simply because they were not boys the girls went to court Sarah K Fields s *Female Gladiators* is the only book to examine the legal and social battles over gender and contact sport that continue to rage today **Nike is a Goddess** Lissa Smith, 1999 A collection of thirteen narratives that profile the top female athletes in different sports including Babe Didrickson Zaharias Billie Jean King Jackie Joyner Kersee and Sheryl Swoopes **Routledge Handbook of the Business of Women's Sport** Nancy Lough, Andrea N. Geurin, 2019-05-21 Combining knowledge from sport management marketing media leadership governance and consumer behavior in innovative ways this book goes further than any other in surveying current theory and research on the business of women s sport around the world making it an unparalleled resource for all those who aspire to work in or understand women s sport Featuring international perspectives with authors from North America South America Europe Asia and Oceania and insightful in depth profiles of real leaders within different sectors of women s sport in the global sport industry the Routledge Handbook of the Business of Women s Sport offers an integrated understanding of the ways traditional media and social media impact both the understanding and advancement of women s sport properties businesses teams and athletes Innovative case studies show how societal issues such as gender power and framing impact the business of women s sports and those who work in women s sport An essential
