Every Rising Sun Jamila Ahmed, 2023-07-18 Named one of NPR's Books We Love In this riveting take on One Thousand and One Nights Shaherazade at the center of her own story uses wit and political mastery to navigate opulent palaces brimming with treachery and the perils of the Third Crusade as her Persian homeland teeters on the brink of destruction In twelfth century Persia clever and dreamy Shaherazade stumbles on the Malik's beloved wife entwined with a lover in a sun dappled courtyard When Shaherazade recounts her first tale the story of this infidelity to the Malik she sets the Seljuk Empire on fire Enraged at his wife's betrayal the once gentle Malik beheads her But when that killing does not quench his anger the Malik begins to marry and behead a new bride each night Furious at the murders his province seethes on rebellion's edge To suppress her guilt quell threats of a revolt and perhaps marry the man she has loved since childhood Shaherazade persuades her beloved father the Malik's vizier to offer her as the next wife On their wedding night Shaherazade begins a yarn but as the sun ascends she cuts the story short ensuring that she will live to tell another tale a practice she repeats night after night But the Malik's rage runs too deep for Shaherazade to exorcise alone And so she and her father persuade the Malik to leave Persia to join Saladin's fight against the Crusaders in Palestine With plots spun against the Seljuks from all corners Shaherazade must maneuver through intrigue in the age's greatest courts to safeguard her people All the while she must keep the Malik enticed with her otherworldly tales because the slightest misstep could cost Shaherazade her head This suspenseful first person retelling is vividly rendered through the voice of a fully imagined Shaherazade a book lover whose late mother bestowed the gift of story that becomes her power Created over fourteen years of writing and research Jamila Ahmed's gorgeously written debut is a celebration of storytelling and a love letter to the

secrets Safira Rais a desert rogue marked by betrayal carries the forbidden knowledge of Zerzura s hidden paths a map etched onto her skin through painful djinn rituals Her cynicism clashes with Elara s idealism but her survival instincts are their only hope in a desert teeming with ancient sandstorms and nomadic tribes who view the Wardens magic with suspicion Their journey to Zerzura is a trial by fire Whispers in the wind reveal forgotten betrayals and ancient pacts while the desert itself seems to test their resolve Elara learns the mirages are not just shields but a living memory and with every illusion she weaves her power grows but so does her understanding of the deceptive foundations of her world Within Zerzura s crumbling walls they discover a history far more personal and dangerous than any of them imagined A prophecy tied to Elara s bloodline doesn t paint her as a savior but as a destroyer As Elara wrestles with this devastating truth a new threat emerges Malkor a power hungry sorcerer who seeks to control Zerzura and reshape the world in his image Caught in a desperate struggle for Zerzura s fate Elara must confront not only Malkor s relentless ambition but also her own internal conflict Will she uphold the lies of her ancestors or forge a new path The fate of Sahari and perhaps the world hangs in the balance Her choice will determine whether Zerzura remains a beacon of hope or becomes a weapon of unimaginable destruction
