When a Lost Child warning blares over the mall's PA system, Carly Mason finds the little girl playing with a stuffed rabbit. Something about Penny Tremaine is different. An ex-social worker, Carly recognizes that the child suffers from fetal alcohol effects, and a piece of Carly's past suddenly confronts her. Never again will she become personally involved with a client. The risks are far too great. But something about Penny and Penny's handsome father tugs at Carly's heart. Dr. Ryan Tremaine is trying to put his life back together. With his ex-wife remarried and on a trip far away, his two teenage sons, and Penny are living under his roof full time. Ryan has put his faith in his Sink or Swim list: a plan to reconnect with his children. The first step: recruit Carly Mason to be Penny's nanny. Ryan never anticipated being so drawn to Carly, an attraction Carly seems to fight as much as he does. Could Carly be the missing piece that helps his family stay afloat, or will their blossoming romance only complicate things further? Known for her realistic and engaging characters, Victoria Bylin delivers an emotion-packed story reminiscent of *The Sound of Music*, one that reminds us all to believe in the power of faith and love. *Native Hawaiian Health Care Improvement Act* United States. **Thriving Together** David Viafora, 2025-02-25 Seasoned community builder David Viafora pinpoints the nine principles that create conditions for joy and solidity in any community. Research over the last few decades reveals that our social fabric is unraveling as rates of isolation and loneliness continue to rise, climate crises intensify, and an individualistic worldview prevails. Is there another way to live? Where can we turn for guidance and hope in the face of such challenges? In this astute and empowering guide, David Viafora, a former Buddhist monk, points to community building as a fresh yet ancient and powerful way to face our most pressing individual, social, and ecological challenges. With precision, enthusiasm, and deep humility, Viafora draws from his own vast experience of mindfulness communities to offer inspiration and concrete guidance in growing thriving communities from the inside out. The nine principles Viafora uncovers for successful community building—Visioning, Service, Joy, and Reconciliation—are broad and easily applicable to our existing groups and relationships. Yet their potential to reshape the most basic elements of our life and friendships is revolutionary. With these nine principles in hand, we can cocreate another way of being beyond isolation, individualism, and despair. In true community, we don't have to face the difficulties of the world on our own. What we can embrace and heal as a community is far greater and more fulfilling than what we could ever achieve alone. Whether your aim is to start a new group, strengthen the community you already belong to, or explore what mindful community living has to offer, *Thriving Together* teaches us how to collectively create a vision to guide your community's unique growth and purpose. Strengthen the culture of joy, appreciation, and peace in your family or community. Nurture vibrant, compassionate friendships as the foundation of community life. Strengthen the muscles of reconciliation through simple yet powerful communication practices. Embark upon meaningful service projects that nourish and heal both your community and others. Protect your community by creating healthy boundaries in relationship to power dynamics. Embrace racial healing as a path of compassionate and inclusive community building.
