Good Wives Image And Reality In The Lives Of Women In Northern:

Good Wives Laurel Thatcher Ulrich,1991-06-04 This enthralling work of scholarship strips away abstractions to reveal the hidden and not always stoic face of the goodwives of colonial America In these pages we encounter the awesome burdens and the considerable power of a New England housewife s domestic life and witness her occasional forays into the world of men We see her borrowing from her neighbors loving her husband raising and all too often mourning her children and even attaining fame as a heroine of frontier conflicts or notoriety as a murderess Painstakingly researched lively with scandal and homely detail *Good Wives* is history at its best

Good Wives Laurel Ulrich,1980 *Regulating the Lives of Women* Mimi Abramovitz,2025-09-23 In the fourth edition of *Regulating the Lives of Women* Social Welfare Policy from Colonial Times to the Present Abramovitz traces how the welfare state regulated the lives of women from colonial times to the present Drawing on important feminist concepts social reproduction the gender division of labor and patriarchy Abramovitz successfully exposes the gendered and racialized myths and stereotypes built into welfare state programs The book carefully explains the contextual conditions that contributed to the precursors of the modern welfare state its rise and expansion after World War II and the recent neoliberal effort to dismantle the cash assistance programs most likely to lift women out of poverty This edition marks the most extensive overhaul to date It revises the conceptual and background chapters discusses cash assistance programs and considers emerging ideas such as the role of economic crises in the development of the US welfare state It also considers the future of the welfare state under the second Trump Presidency *Regulating the Lives of Women* is an essential resource for all students of social work sociology history political science public policy and gender studies

Encyclopedia of American Women and Religion June Melby Benowitz,2017-08-18 This two volume set examines women s contributions to religious and moral development in America covering individual women their faith related organizations and women s roles and experiences in the broader social and cultural contexts of their times This second edition of *Encyclopedia of American Women and Religion* provides updated and expanded information from historians and other scholars of religion covering new issues in religion to better describe and document women s roles within religious groups For instance the term evangelical feminism is one newly defined aspect of women s involvement in religious activism Changes are constantly occurring within the many religious faiths and denominations in America particularly as women strive to gain positions within religious hierarchies that previously were exclusive to men and rise within their denominations to become theologians church leaders and bishops The entries examine the roles that American women have played in mainstream religious denominations small religious sects and non traditional practices such as witchcraft as well as in groups that question religious beliefs including agnostics and atheists A section containing primary documents gives readers a firsthand look at matters of concern to religious women and their organizations Many of these documents are the writings of women who merit entries within the encyclopedia Readers will gain an awareness of women s contributions to religious

culture in America from the colonial era to the present day and better understand the many challenges that women have faced to achieve success in their religion related endeavors *The Oxford Handbook of American Immigration and Ethnicity* Ronald H. Bayor,2016 What is the state of the field of immigration and ethnic history what have scholars learned about previous immigration waves and where is the field heading These are the main questions as historians linguists sociologists and political scientists in this book look at past and contemporary immigration and ethnicity Provided by publisher *The Oxford Encyclopedia of American Cultural and Intellectual History* ,2013 Over 600 A Z articles on a wide range of topics in American cultural and intellectual History Explores American cultural and intellectual history from the colonial period to the present day Annotated bibliographies to highlight the major works in the field Expands and updates The Oxford Companion to United States History **Encyclopedia of Women in American History** Joyce Appleby,Eileen Chang,Joanne Goodwin,2015-07-17 This illustrated encyclopedia examines the unique influence and contributions of women in every era of American history from the colonial period to the present It not only covers the issues that have had an impact on women but also traces the influence of women s achievements on society as a whole Divided into three chronologically arranged volumes the set includes historical surveys and thematic essays on central issues and political changes affecting women s lives during each period These are followed by A Z entries on significant events and social movements laws court cases and more as well as profiles of notable American women from all walks of life and all fields of endeavor Primary sources and original documents are included throughout *Daily Life of Women* Colleen Boyett,H. Micheal Tarver,Mildred Diane Gleason,2020-12-07 Indispensable for the student or researcher studying women s history this book draws upon a wide array of cultural settings and time periods in which women displayed agency by carrying out their daily economic familial artistic and religious obligations Since record keeping began history has been written by a relatively few elite men Insights into women s history are left to be gleaned by scholars who undertake careful readings of ancient literature examine archaeological artifacts and study popular culture such as folktales musical traditions and art For some historical periods and geographic regions this is the only way to develop some sense of what daily life might have been like for women in a particular time and place This reference explores the daily life of women across civilizations The work is organized in sections on different civilizations from around the world arranged chronologically Within each society the encyclopedia highlights the roles of women within five broad thematic categories the arts economics and work family and community life recreation and social customs and religious life Included are numerous sidebars containing additional information document excerpts images and suggestions for further reading **Seneca Falls and the Origins of the Women's Rights Movement** Sally McMillen,2009-09-08 In a quiet town of Seneca Falls New York over the course of two days in July 1848 a small group of women and men led by Elizabeth Cady Stanton and Lucretia Mott held a convention that would launch the woman s rights movement and change the course of history The implications of that remarkable convention would be felt

around the world and indeed are still being felt today In Seneca Falls and the Origins of the Woman s Rights Movement the latest contribution to Oxford s acclaimed Pivotal Moments in American History series Sally McMillen unpacks for the first time the full significance of that revolutionary convention and the enormous changes it produced The book covers 50 years of women s activism from 1840 1890 focusing on four extraordinary figures Lucretia Mott Elizabeth Cady Stanton Lucy Stone and Susan B Anthony McMillen tells the stories of their lives how they came to take up the cause of women s rights the astonishing advances they made during their lifetimes and the lasting and transformative effects of the work they did At the convention they asserted full equality with men argued for greater legal rights greater professional and education opportunities and the right to vote ideas considered wildly radical at the time Indeed looking back at the convention two years later Anthony called it the grandest and greatest reform of all time and destined to be thus regarded by the future historian In this lively and warmly written study Sally McMillen may well be the future historian Anthony was hoping to find A vibrant portrait of a major turning point in American women s history and in human history this book is essential reading for anyone wishing to fully understand the origins of the woman s rights movement

The Passion of Anne Hutchinson

Marilyn J. Westerkamp, 2021 Prologue Anne Hutchinson and the Controversy The Puritan Experiment Errors and Trials Helpmeets Mothers and Midwives among the Patriarchs Sectarian Mysticism and Spiritual Power Prophesying Women and the Gifts of the Spirit Gracious Disciples and Frightened Magistrates A Froward Woman Beloved of God

The

Encyclopedia of North American Indian Wars, 1607-1890 Bloomsbury Publishing, 2011-09-19 This encyclopedia provides a broad in depth and multidisciplinary look at the causes and effects of warfare between whites and Native Americans encompassing nearly three centuries of history The Battle of the Wabash the U S Army s single worst defeat at the hands of Native American forces The Battle of Wounded Knee an unfortunate unplanned event that resulted in the deaths of more than 150 Lakota Sioux men women and children These and other engagements between white settlers and Native Americans were events of profound historical significance resulting in social political and cultural changes for both ethnic populations the lasting effects of which are clearly seen today The Encyclopedia of North American Indian Wars 1607 1890 A Political Social and Military History provides comprehensive coverage of almost 300 years of North American Indian Wars Beginning with the first Indian settler conflicts that arose in the early 1600s this three volume work covers all noteworthy battles between whites and Native Americans through the Battle of Wounded Knee in December 1890 The book provides detailed biographies of military social religious and political leaders and covers the social and cultural aspects of the Indian wars Also supplied are essays on every major tribe as well as all significant battles skirmishes and treaties

Law and

Sexual Misconduct in New England, 1650-1750 Abby Chandler, 2016-04-15 Having arriving in the Province of Maine in 1641 with a brief to create both government and law for the fledgling colony Thomas Gorges later recorded his policy as having steered as neere as we could to the course of England Over the course of the next century the various colonial

administrations all consciously measured their laws against that of England whether their intention was imitation of or conscious opposition to established English legal system In order to trace the shifting and contested relationships between colonial laws and English laws this book focuses on the prosecution of sexual misconduct All crimes can threaten orderly society but no other crime posed quite the same long term implications as illicit sex resulting in the birth of illegitimate children who became their own social challenges Sexual misconduct was consequently a major concern for early modern leaders making it a particularly fruitful subject for studying the complex relationship between laws in England and laws in the English colonies Political and ecclesiastical leaders create laws to coerce people to behave in a certain fashion and to convey wider messages about the societies they govern When those same laws are broken lawbreakers must be tried and punished by a means intended to serve as a warning to other would be lawbreakers In this book the two part analysis of changing sexual misconduct laws and the resulting trial depositions highlights the ways in which ordinary New England colonists across New England both interacted with and responded to the growing Anglicization of their legal systems and makes the argument that these men and women saw themselves as taking part in a much larger process Fashioning Society in Eighteenth-Century British Jamaica Chloe Northrop, 2024-03-20 White women who inhabited the West Indies in the eighteenth century fascinated metropolitan observers In popular prints novels and serial publications these women appeared to stray from proper British societal norms Although many women who lived in the Caribbean island of Jamaica might have fit the model extant writings from Ann Brodbelt Sarah Dwarris Margaret and Mary Cowper Lady Maria Nugent and Ann Appleton Storrow show a longing to remain connected with metropolitan society and their loved ones separated by the Atlantic Sensibility and awareness of metropolitan material culture masked a lack of empathy towards subordinates and opened the white women in these islands to censure Novels and popular publications portrayed white women in the Caribbean as prone to overconsumption but these women seem to prize items not for their inherent value They treasured items most when they came from beloved connections This colonial interchange forged and preserved bonds with loved ones and comforted the women in the West Indies during their residence in these sugar plantation islands This book seeks to complicate the stereotype of insensibility and overconsumption that characterized the perception of white women who inhabited the British West Indies in the long eighteenth century This book will appeal to students and researchers alike who are interested in the social and cultural history of British Jamaica and the British West Indies more generally **British Colonial America** John A. Grigg, 2008-05-28 This insightful set of essays reveals the day to day lives of the British colonists who laid the foundation for what became the United States British Colonial America People and Perspectives shifts the spotlight away from the famous political and religious leaders of the time to focus on colonial residents across the full spectrum of American society from the early 17th to the late 18th century In narrative chapters filled with biographical sketches British Colonial America explores the day to day world of the religious groups entrepreneurs women and children

laborers farmers and others who made up the vast majority of the colonial population Coverage also includes those not afforded citizenship such as African slaves and Native Americans It is a revealing examination of life at ground level in colonial America one that finds the people of that time confronting issues that appear throughout the American experience

Sex among the Rabble Clare A. Lyons, 2012-12-01 Placing sexual culture at the center of power relations in Revolutionary era Philadelphia Clare A Lyons uncovers a world where runaway wives challenged their husbands patriarchal rights and where serial and casual sexual relationships were commonplace By reading popular representations of sex against actual behavior Lyons reveals the clash of meanings given to sex and illuminates struggles to recast sexuality in order to eliminate its subversive potential Sexuality became the vehicle for exploring currents of liberty freedom and individualism in the politics of everyday life among groups of early Americans typically excluded from formal systems of governance women African Americans and poor classes of whites Lyons shows that men and women created a vibrant urban pleasure culture including the eroticization of print culture as eighteenth century readers became fascinated with stories of bastardy prostitution seduction and adultery In the post Revolutionary reaction white middle class men asserted their authority Lyons argues by creating a gender system that simultaneously allowed them the liberty of their passions constrained middle class women with virtue and projected licentiousness onto lower class whites and African Americans Lyons's analysis shows how class and racial divisions fostered new constructions of sexuality that served as a foundation for gender This gendering of sexuality in the new nation was integral to reconstituting social hierarchies and subordinating women and African Americans in the wake of the Revolution

The Routledge History of Rural America Pamela Riney-Kehrberg, 2016-04-14 The Routledge History of Rural America charts the course of rural life in the United States raising questions about what makes a place rural and how rural places have shaped the history of the nation Bringing together leading scholars to analyze a wide array of themes in rural history and culture this text is a state of the art resource for students scholars and educators at all levels This Routledge History provides a regional context for understanding change in rural communities across America and examines a number of areas where the history of rural people has deviated from the American mainstream Readers will come away with an enhanced understanding of the interplay between urban and rural areas a knowledge of the regional differences within the rural United States and an awareness of the importance of agriculture and rural life to American society The book is divided into four main sections regions of rural America rural lives in context change and development and resources for scholars and teachers Examining the essays on the regions of rural America readers can discover what makes New England different from the South and why the Midwest and Mountain West are quite different places The chapters on rural lives provide an entrance into the social and cultural history of rural peoples women children and men as well as a description of some of the forces shaping rural communities such as immigration race and religious difference Chapters on change and development examine the forces molding the countryside such as rural urban tensions technological change

and increasing globalization The final section will help scholars and educators integrate rural history into their research writing and classrooms By breaking the field of rural history into so many pieces this volume adds depth and complexity to the history of the United States shedding light on an understudied aspect of the American mythology and beliefs about the American dream *Women's Narratives of the Early Americas and the Formation of Empire* Mary McAleer Balkun, Susan C. Imbarrato, 2016-04-08 The essays in this collection examine the connections between the forces of empire and women's lives in the early Americas in particular the ways their narratives contributed to empire formation Focusing on the female body as a site of contestation the essays describe acts of bravery subversion and survival expressed in a variety of genres including the saga letter diary captivity narrative travel narrative verse sentimental novel and autobiography The volume also speaks to a range of female experience across the Americas and across time from the Viking exploration to early nineteenth century United States challenging scholars to reflect on the implications of early American literature even to the present day

Between Memory and Reality Jane Marie Pederson, 1992 In the small communities of Wisconsin a rich blend of European cultures and practices survive These communities and their people are unique in the ways they have responded to change in the late nineteenth century and twentieth century **The Reconstruction of White Southern Womanhood, 1865-1895** Jane Turner Censer, 2003-09-30 The important but little known story of elite southern white women's successful quest for a measure of self reliance and independence between antebellum strictures and the restored patriarchy of Jim Crow

Women's Roles in Eighteenth-Century America Merril D. Smith, 2010-02-26 This book offers a look at how the lives of women changed in the era when the United States emerged Spanning the broad spectrum of Colonial era life *Women's Roles in Eighteenth Century America* is a revealing exploration of how 18 century American women of various races classes and religions were affected by conditions of the times war slavery religious awakenings political change perceptions about gender as well as how they influenced the world around them *Women's Roles in Eighteenth Century America* covers the area of North America that became the United States and follows the transformation of the British colonies into a new nation The book is organized thematically to examine marriage and the family the law work travel war religion and education and the arts Each chapter combines current research and primary sources to offer authoritative portraits of real lives of the everyday women during this pivotal early era in our history
