Good Catholics The Battle Over Abortion In The Catholic Church

Rachel Ellis

Good Catholics The Battle Over Abortion In The Catholic Church:

Good Catholics Patricia Miller,2014-05-20 Good Catholics tells the story of the remarkable individuals who have engaged in a nearly fifty year struggle to assert the moral legitimacy of a pro choice position in the Catholic Church as well as the concurrent efforts of the Catholic hierarchy to suppress abortion dissent and to translate Catholic doctrine on sexuality into law Miller recounts a dramatic but largely untold history of protest and persecution which demonstrates the profound and surprising influence that the conflict over abortion in the Catholic Church has had not only on the church but also on the very fabric of U S politics Good Catholics addresses many of today s hot button questions about the separation of church and state including what concessions society should make in public policy to matters of religious doctrine such as the Catholic ban on contraception Good Catholics is a Gold Medalist Women s Issues in the 2015 IPPY awards an award presented by the Independent Publishers Book Association to recognize excellence in independent book publishing

Abortion and Catholicism in Britain Sarah-Jane Page, Pam Lowe, 2024-04-20 This book details how British Catholic communities view abortion highlighting the diversity of positions which often contrast with the official line of Catholic Church doctrine The authors extensive qualitative investigation involving various Catholic constituents demonstrates the complex ways attitudes are formed Based on interviews with priests Catholic parishioners anti abortion activists and Catholics living in close proximity to activism this book takes a lived religion approach to argue that attitudes and approaches to abortion are nuanced and contextual with the Catholic concept of individual conscience playing a fundamental role in navigating abortion issues Ultimately this investigation helps to explore in much greater depth the increased liberalisation in attitudes among Catholics towards abortion at a time when Catholic activism opposing abortion is growing and therefore shines a light on the conflicts that are apparent at the heart of Catholic parishes Thisbook will be of interest to scholars in Gender and Sexuality Studies Sociology Theology and Religious Studies Abortion and America's Churches Daniel K. Williams, 2025-10-01 Abortion and America's Churches explores the surprising history of how American Christians think about abortion Many people assume that Christians have steadfastly condemned abortion throughout the United States s history Daniel K Williams overthrows all assumptions about the unity consistency or simplicity of American Christian thought and belief in this groundbreaking new book He demonstrates that churches in the United States have fought among themselves and with the wider culture as they developed and enforced their stance on abortion revealing major struggles to define their often changing positions Far from a cynical exercise of political interest changes and disagreements arose from serious theological considerations informed by each tradition s approach to the faith These theological shifts and corresponding shifts in interreligious political alliances led to the changing fortunes of Roe v Wade By capturing the fascinating and complicated history informing each faith s position Abortion and America's Churches restores much needed context to the sharp polarization over abortion today T&T Clark Reader in Abortion and Religion ,2022-12-29 This volume introduces students to the history of cultural and theological responses to abortion as background for understanding a diversity of ethical positions in contemporary Christian Jewish and Muslim writings Politicized debates about abortion are often presented in terms of a binary rhetoric of prolife versus prochoice however this collection of essays shows how that binary often breaks down when abortion is seen from different religious perspectives and in light of the voices of women themselves While abortion is a global phenomenon this volume focuses on the U S context American abortion politics and culture wars have been dominated by Christian voices nevertheless Jewish and Muslim abortion ethics engage many of the same issues from different cultural and religious perspectives Finally this volume presents important examples of recent social scientific studies about the relationship of religion and abortion in the diverse cultural racial and economic fabric of American society Pedagogical features include Introduction to the subject matter by the editors Introductory essays to all five parts of the book Questions for classroom discussion Additional pedagogical materials can be found at https abortionreligionreader com Monstrous Fictions Carl J. Rasmussen, 2016-09-14 The Reformer John Calvin has influenced America in a formative way Calvin remains respected as a theologian to whose work intellectuals on both the right and left appeal In the nineteen nineties Evangelicals and Catholics Together ECT formed a politically influential ecumenical coalition to oppose abortion and change the culture Its ecumenism of the trenches influenced the administration of George W Bush and continues to influence religious elements in the Tea Party Evangelicals in the coalition presume to speak for Calvin This book provides a counter argument Calvin rejects the ethics advocated by ECT an ethics of individual virtue conscience and natural right Instead he affirms an ethics of obedience to the authority of secular government as an institution with a divinely ordained mandate This work considers the following themes in Calvin Calvin on Faith Modern and postmodern philosophical approaches including Reformed epistemology do not explain how Calvin understood faith Faith is divine activity Belief is human activity Faith is not a belief system or worldview on which to base a political theology The author provides four Augustinian theses about Calvin on faith Calvin on Sanctification Calvin rejected virtue ethics or an ethics of individual conscience His ethics require self denial and service An important requirement of his ethics is obedience to government The author provides three theses about Calvin on sanctification as a critique of attempts to revive virtue ethics Calvin on Natural Law Calvin's doctrine of natural law is one of the most vexed issues in Calvin studies. The author provides five theses to clarify Calvin's doctrine of natural law For Calvin secular government transcends the authority of conscience and Christians in conscience are required to obey it In conclusion the author discusses Karl Barth's interpretation of Calvin and its relevance for the church struggle against the Third Reich Based on his analysis of Calvin he provides a defense of gay marriage and the right to terminate a pregnancy as well as an analysis of religious freedom Calvin would reject ECT s theology of virtue conscience and natural law But he would affirm its ecumenism as a possible path out of culture war After the Wrath of God Anthony M. Petro, 2015-06-01 On a cold February morning in 1987 amidst freezing rain and

driving winds a group of protesters stood outside of the Unitarian Universalist Church in Amherst Massachusetts The target of their protest was the minister inside who was handing out condoms to his congregation while delivering a sermon about AIDS dramatizing the need for the church to confront the seemingly ever expanding crisis The minister's words and actions were met with a standing ovation from the overflowing audience but he could not linger to enjoy their applause Having received threats in advance of the service he dashed out of the sanctuary immediately upon finishing his sermon Such was the climate for religious AIDS activism in the 1980s In After the Wrath of God Anthony Petro vividly narrates the religious history of AIDS in America Delving into the culture wars over sex morality and the future of the American nation he demonstrates how religious leaders and AIDS activists have shaped debates over sexual morality and public health from the 1980s to the present day While most attention to religion and AIDS foregrounds the role of the Religious Right Petro takes a much broader view encompassing the range of mainline Protestant evangelical and Catholic groups alongside AIDS activist organizations that shaped public discussions of AIDS prevention and care in the U S Petro analyzes how the AIDS crisis prompted American Christians across denominations and political persuasions to speak publicly about sexuality especially homosexuality and to foster a moral discourse on sex that spoke not only to personal concerns but to anxieties about the health of the nation He reveals how the epidemic increased efforts to advance a moral agenda regarding the health benefits of abstinence and monogamy a legacy glimpsed as much in the traction gained by abstinence education campaigns as in the more recent cultural purchase of gay marriage The first book to detail the history of religion and the AIDS epidemic in the U S After the Wrath of God is essential reading for anyone concerned with the intersection of religion and public health

Religion and Sexualities Sarah-Jane Page, Heather Shipley, 2020-05-05 This book examines key themes and concepts pertaining to religious and sexual identities and expressions mapping theoretical methodological and empirical dimensions It explores the ways in which debates around sexuality and religion have been framed and what research is still needed to expand the field as it develops Through the deployment of contemporary research including data from the authors own projects Religion and Sexualities offers an encompassing account of the sociology of sexuality and religion considering theoretical and methodological lenses queer experiences and how sexuality is gendered in religious contexts This comprehensive text will act as an essential accompaniment to scholars and students across the social sciences and humanities whether they have a general interest in the field or are embarking on their own research in this area

Women's Health Jillian M. Duquaine-Watson, 2022-02-15 This interdisciplinary project provides an informative accessible and comprehensive introduction to women s health Emphasizing the perspectives of diverse groups of women it addresses various biological economic social environmental and political factors that influence women s health and well being Women are more likely than men to experience mood disorders certain types of cancer Alzheimer's disease stroke arthritis lupus and celiac disease In addition women face significantly more barriers to health care than men due to a variety of social economic

political and environmental factors including inequality poverty legislation and pollution Despite this the field of women s and girls health remains both understudied and underfunded Women's Health Understanding Issues and Influences explores important topics in the field of women's health in the early 21st century offering readers a comprehensive and informative yet accessible introduction to women s health in the United States While some topics are unique to women s health others illustrate how women s health and women s experiences within the U S health care system are different from men s as well as how certain health issues impact women differently than men Entries have been crafted by a diverse team of contributors with wide ranging expertise and each entry features a collection of further readings and cross references to other relevant The Oxford Handbook of American Women's and Gender History Ellen Hartigan-O'Connor, Lisa G. entries Materson, 2018-09-04 From the first European encounters with Native American women to today s crisis of sexual assault The Oxford Handbook of American Women's and Gender History boldly interprets the diverse history of women and how ideas about gender shaped their access to political and cultural power in North America Over twenty nine chapters this handbook illustrates how women s and gender history can shape how we view the past looking at how gender influenced people s lives as they participated in migration colonialism trade warfare artistic production and community building Theoretically cutting edge each chapter is alive with colorful historical characters from young Chicanas transforming urban culture to free women of color forging abolitionist doctrines Asian migrant women defending the legitimacy of their marriages and transwomen fleeing incarceration Together their lives constitute the history of a continent Leading scholars across multiple generations demonstrate the power of innovative research to excavate a history hidden in plain sight Scrutinizing silences in the historical record from the inattention to enslaved women s opinions to the suppression of Indian women s involvement in border diplomacy the authors challenge the nature of historical evidence and remap what counts in our interpretation of the past Together and separately these essays offer readers a deep understanding of the variety and centrality of women s lives to all dimensions of the American past even as they show that the boundaries of women American and history have shifted **Possessed by the Virgin** Kristin C. Bloomer, 2018 Possessed by the Virgin is an ethnographic across the centuries account of three Roman Catholic women in Tamil Nadu south India who claim to be possessed by Mary the mother of Jesus The author follows the lives of these women over many years investigating questions about gender social power agency and Sociology of Sexualities Kathleen J. Fitzgerald, Kandice L. Grossman, 2020-07-16 Sociology of Sexualities authenticity takes a unique sociological approach to the study of sexualities and explores the ways sexuality operates in and through institutions Drawing on the most up to date scientific research on sexuality as well as the latest political developments on the issues this core text helps students connect knowledge about sexuality with their broader understanding of society The thoroughly revised Second Edition includes updated and expanded discussions of the latest sociological research and social justice movements regarding gender and sexuality as well as a new chapter exploring sexuality and social class space and

place Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank Religion and World Civilizations Andrew Holt, 2023-06-30 An indispensable resource for readers investigating how religion has influenced societies and cultures this three volume encyclopedia assesses and synthesizes the many ways in which religious faith has shaped societies from the ancient world to today Each volume of the set focuses on a different era of world history ranging through the ancient medieval and modern worlds Every volume is filled with essays that focus on religious themes from different geographical regions For example volume one includes essays considering religion in ancient Rome while volume three features essays focused on religion in modern Africa This accessible layout makes it easy for readers to learn more about the ways that religion and society have intersected over the centuries as well as specific religious trends events and milestones in a particular era and place in world history Taken as a a whole this ambitious and wide ranging work gathers more than 500 essays from more than 150 scholars who share their expertise and knowledge about religious faiths tenets people places and events that have influenced the development of civilization over the course of recorded human history Catholic Women Confront Their Church Celia Viggo Wexler, 2024-11-05 Catholic Women Confront Their Church tells the stories of nine exceptional women who have chosen to remain Catholic despite their deep disagreements with the institutional church From Barbara Blaine founder of Survivors Network of Those Abused by Priests SNAP to Sister Simone Campbell whose Nuns on the Bus tour for social justice generated national attention the book highlights women whose stories illustrate not only problems in the church but also the promise of reform The women profiled span a diverse range of ages ethnicities and experiences single and married lesbian and straight mothers and sisters The women profiled share one trait that faith is bigger than the institutional church The book s Introduction provides readers with an essential overview of the history of women in the church and the Conclusion looks at the potential for future change Ideal for anyone who has struggled with the Catholic church's relationship with women this moving book offers hope **Abusing Religion** Megan Goodwin, 2020-07-17 Why do Americans presume to know what s really going on in marginal religions Sex abuse happens in all communities but American religious outsiders often face disproportionate allegations of sexual abuse Abusing Religion argues that sex abuse in minority religious communities is an American problem not merely a religious one **Religion in the Age of Obama** Juan M. Floyd-Thomas, Anthony B. Pinn, 2018-08-23 This is the first book to focus on the significance of religion during President Obama s years in the White House Addressing issues ranging from identity politics immigration income inequality Islamophobia and international affairs Religion in the Age of Obama explores the religious and moral underpinnings of the Obama presidency and subsequent debates regarding his tenure in the White House It provides an analysis of Obama s beliefs and their relationship to his vision of public life as well as the way in which the general ethos of religion and non religion has shifted over the past decade in the United States under his presidency Topics include how Obama has employed

religious rhetoric in response to both international and domestic events his attempt to inhabit a kind of Blackness that comforts and reassures rather than challenges White America the limits of Christian hospitality within U S immigration policy and the racialization of Islam in the U S national imagination Religion in the Age of Obama shows that the years of the Obama presidency served as a watershed moment of significant reorganization of the role of religion in national public life It is a timely contribution to debates on religion race and public life in the United States Women's Issues for a New **Generation** Gail Ukockis, 2016-05-13 How do you hook a Millennial student into caring about women s issues when feminism has been declared dead for decades Written in an engaging style that promotes critical thinking Women's Issues for a New Generation is intended for freshman and sophomore level undergraduates who have never heard of Mary Wollstonecraft or Anita Hill The interdisciplinary text includes three major sections women in the U S women from diverse groups e g Native American and disabled and women in the global arena It also stresses the inclusion of men in topics such as body image since women's issues are really issues that affect everyone Other striking features included the contemporary debates e g War on Women and Hillary Clinton's ambitions and the current issues such as human trafficking Textbooks on gender and women's studies often emphasize theory with the assumption that students already know about women s history the pay gap and other basic information Women's Issues for a New Generation serves as a reader friendly bridge to more advanced analysis of women and gender Written by a social worker this textbook applies social work values and the strength perspective to anyone who is fighting gender inequality The Religion-Gender Nexus in Development Nora Khalaf-Elledge, 2021-07-28 This book illuminates the intersection of religion and gender within the development sector exposing challenges in both policy and practice and suggesting implementable solutions. This book argues that a better understanding of the religion gender nexus is needed by development sector practitioners especially at a time when religious arguments are being used around the world to justify gender inequality and violence against women The book draws on extensive qualitative research with senior gender personnel religion advisors and implementation partners from across the largest bilateral development agencies The nexus is considered from the grassroots level up to donor country politics and across key themes such as gender based violence reproductive rights unpaid care and domestic work and women s participation in leadership roles The book concludes by offering implementable solutions for practitioners to address the religion gender nexus in a more meaningful way Bridging the gap between academic theory and day to day development practice this book is an important reference for development practitioners and for researchers from across development studies gender studies and religious studies Abortion and the Law in America Mary Ziegler, 2020-03-26 With the Supreme Court likely to reverse Roe v Wade the landmark abortion decision American debate appears fixated on clashing rights The first comprehensive legal history of a vital period Abortion and the Law in America illuminates an entirely different and unexpected shift in the terms of debate Rather than simply championing rights those on opposing sides battled about the

policy costs and benefits of abortion and laws restricting it This mostly unknown turn deepened polarization in ways many have missed Never abandoning their constitutional demands pro choice and pro life advocates increasingly disagreed about the basic facts Drawing on unexplored records and interviews with key participants Ziegler complicates the view that the Supreme Court is responsible for the escalation of the conflict A gripping account of social movement divides and crucial legal strategies this book delivers a definitive recent history of an issue that transforms American law and politics to this day

In This Place Called Prison Rachel Ellis,2023-04-04 In This Place Called Prison offers a vivid and unique examination of religion within prison and argues for its key role among some of society s most vulnerable Although prison is defined by control from rules and routines to mandatory labor and monitored visits for many religion offers a way out Religion challenges what it means to be punished and affords community and connection in the face of fear and isolation Rachel Ellis spent twelve months conducting ethnographic research inside the guarded gates of Mapleside Prison a US state women s correctional facility talking with hundreds of incarcerated women staff and religious volunteers Through their stories Ellis sets the scene of mass incarceration today detailing how contemporary prisons both reflect and worsen the systemic racial social and gender inequalities characteristic of the American landscape of profound stratification She also offers insight into how religion relates to the carceral system tracing the role of religious institutions throughout the history of prison punishment Offering a trenchant account of how religion collides and colludes with the state in an enduring tension between freedom and control In This Place Called Prison speaks to the human quest for dignity and light in even the darkest of places Ebook: Understanding Human Sexuality Hyde; DeLamater, 2016-04-16 Ebook Understanding Human Sexuality

Good Catholics The Battle Over Abortion In The Catholic Church Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Good Catholics The Battle Over Abortion In The Catholic Church free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Good Catholics The Battle Over Abortion In The Catholic Church free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Good Catholics The Battle Over Abortion In The Catholic Church free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Good Catholics The Battle Over Abortion In The Catholic Church. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Good Catholics The Battle Over Abortion In The Catholic Church any PDF files. With these platforms, the world of PDF downloads is just a click away.
