Good News About Satan A Gospel Look At Spiritual Warfare:

Good News About Satan Bob Bevington, 2015-01-01 The bad news of Satan while serious is overshadowed by the good news of Jesus Here are the plain teachings of Scripture regarding Satan demons and spiritual warfare from a perspective that makes paramount the sovereignty of God and the finished work of Christ Containing none of the unfruitful speculations so common to this topic we believe it differs significantly from virtually every other book on the subject See more at <http://www.cruciformpress.com/sthash.cXvo7FHQ.dpuf> WEAPONS OF SPIRITUAL WARFARE: Walking in Spiritual Victory

Emmanuel Manyeza, 2012-01-13 Our Father in Heaven has given us many weapons to fight the enemy with It is up to us then to pick up these weapons and learn how to use them effectively If we however follow our natural tendency and wait for a crisis to pick up our weapons our lack of skill is likely to be exposed in great defeat Our enemy is a highly skilled adversary Satan and his demons are experienced veterans having waged war on mankind for thousands of years They surely know our weaknesses and how best to exploit them God calls us to be good warriors trained and skillful in using the weapons He has given us This book is designed to give you a godly perspective on the spiritual war that is being waged around us The battle between God and Satan good evil and the whole armor of God at our disposal that we can use to fight back and win Evil can only be resisted through the power and authority of the Cross which is the central call of the gospel You will never go the same way you came after reading this book

A World Upside Down Charles Fry, 2015-09-01 As he approached the final decade of his life Martin Luther observed that the beginning and end of all his theology was simple faith in Christ This faith in Christ brought peace and joy to his soul and also turned 1500s Europe upside down through the Reformation A World Upside Down is a collection of four essays that describe this faith 1 The first essay describes the intersection of this faith with Luther's remarkable life giving him great assurance before God yet placing him at war with the world 2 In the second essay Luther's Understanding of the Gospel is discussed what faith in Christ is the need we all have for the Savior and the Christian's humble dependence on the good news of God's unchanging grace 3 The third essay That No Flesh Should Glory in God's Presence shares Luther's teaching that the gospel outlined in chapter two gives all glory to God a God's wisdom revealed in the gospel message humbles man's pride and wisdom and exalts God alone b The gospel produces good works in the believer's life to the glory of God 4 The final essay Christ's Church shares Luther's thought that the forgiveness of sins through faith in Christ is central to the life of the church The church is made up of forgiven and weak sinners who are dearly loved by God and carried by him through their earthly pilgrimage This essay summarizes the book applying Luther's theology to us in the 21st century Martin Luther's life and theology are shared with the hope that we like Luther would grow in having simple uncluttered faith in Christ alone for the glory and honor of God

Breaking Strongholds of the Devil, Satan Donald Evans, 2023-02-27 The devil's strongholds originated in the spirit realm Satan the devil has many ways of creating and holding a person in a certain condition to benefit his purposes and cause in the world Once he sets his plan it's going to be

carried out by the individual regardless of being a Christian believer or nonbeliever it makes no difference He has a way to hold individuals to his cause whether it s delayed or not his method of holding persons under his control is even greater among Christians Why is that Because most Christians believe they are exempt from the devil s strongholds Big mistake No one is exempt from the forces of evil whose strongholds are among the highest level of evil and wickedness in the spiritual realm A person can bind themselves in a stronghold without having any knowledge it s not Satan but their spirit of perception which is as real active and alive as the person themselves for which Satan the devil gets the credit and blame The spirit of perception of the mind is more powerful than the world acknowledges The spirit of perception can hold a person in restraint forever without changing their perception The world does not acknowledge or consider the spirit of perception is the culprit which Satan feeds off and that holds the world the entire world in total darkness Satan is the god of this world and its system of things which he controls because of the world s lack of knowledge of strongholds Most of the world population does not know what a stronghold really represents in all human lives No one is exempt from strongholds which can bind a person until death This book *Breaking Strongholds of the Devil Satan* shall give some light to the world about how strongholds bind persons for lifetimes He or she can be set free of any and all strongholds in minutes where others have been held a lifetime and died

Kelleman,2014-10-21 Everyone talks about the personal ministry of the Word but how do we make one another ministry truly biblical Gospel Centered Counseling equips readers to change lives with Christ s changeless truth It does so by examining life s seven ultimate questions and then guiding readers on a journey that explores the biblical gospel centered narrative of The Word What is truth Where can I find answers The Trinity Who is God Can I know Him personally Creation Who am I What makes people tick Fall What went wrong Why do we do the things we do Redemption Can I change How do people change Glorification Where am I headed How does our future destiny impact our present reality Sanctification How can I help How can I change lives Bob Kelleman builds on the foundation of the written Word and provides a gospel centered resource for understanding people diagnosing problems and prescribing biblically based solutions Gospel Centered Counseling is the first volume in The Equipping Christian Counselors Series a comprehensive relational training curriculum for the local church that provides a model for equipping God s people to change lives with Christ s changeless truth This two volume series weaves together comprehensive biblical insight with compassionate Christian engagement *The Spiritual Warfare; Or, the Christian in Compleat Armour. ... Abridged [by J. W. Morris].* William GURNALL,1828 **Spiritual Warfare** Jerry Rankin,2009-03-15 Christians already have victory over the world through Jesus but Satan picks a fight with believers nonetheless tempting them with the influences of the world in an effort to steal God s glory Indeed the battle rages on but the nature of the enemy is baldly exposed in Spiritual Warfare helping readers better understand feelings of resentment anger doubt pride and adversity for what they really are fiery darts of deception Written by International Mission Board president Jerry Rankin who has witnessed spiritual warfare at work around the world the book in turn becomes an inspiring guide to the Spirit filled life illuminating spiritual disciplines that equip us for victory including prayer Bible study fasting Sabbath observance active church membership and praising God in all things *Demon Spirit "Persons" Are in Our Children!* Donald R. Evans,2025-08-05 Demon spirit persons are in our children I know this from my childhood experiences which neither I nor my parents knew because I was possessed by concealed and camouflaged invisible real live demons in my body What the world sees today and what I saw as a child is that children today throughout the entire world are more demonized or demon possessed than ever before performing all kinds of hideous heinous sinister vile and horrific acts that are all demonically controlled more than ever before even against themselves which they have no control over This book relates how children of all ages and genders how demon spirits enter their bodies without their knowledge or the world s

knowledge of being demonically controlled nor their parents Some parents are in a similar condition beginning in their childhood and are still demonically controlled today This book Demons Are in Our Children also relates to spiritual revelations about how these invisible spirit persons operate internally and externally through humans of all ages and genders without discrimination This means all humans are vulnerable and susceptible to becoming demonized or demon possessed regardless of a person s Christian values or religious views It s imperative that children at young ages acknowledge that we coexist and cohabit with real live spirit persons who are smarter and highly intelligent and have the ability to enter human bodies to possess them as their own Demon spirits access avenues of entering human bodies through habits of any kind regardless of how small or large which become uncontrollable and allow them to live and perform through those they have entered to harm steal kill or destroy by any means Remember there aren t friendly demons in the world Demons are evil wicked spirit persons who want to possess human bodies to use as their own for their will and purposes and to harm steal kill or destroy lives and families Ephesians Verse by Verse (Osborne New Testament Commentaries) Grant R.

Osborne,2017-02-22 While he was in prison Paul wrote a letter to the Ephesian Christians whose magnificent themes have echoed throughout the centuries the exaltation of Christ the church as his body believers as his new creation and his defeat of the cosmic powers that opposed him Throughout he makes clear that everything we are and have is ours only in Christ In Ephesians Verse by Verse Grant R Osborne offers a clear exposition of this letter that takes seriously both its first century context and what it means for us today Pastors Bible study leaders and invested laypeople will all benefit from Osborne s careful reading of the text and commitment to making sense of the New Testament without scholarly jargon The Osborne New Testament Commentary Series is a set of commentaries on every New Testament book In each volume Grant R Osborne seeks to carefully exposit the text in plain language bringing out the treasures in each book and making them accessible for today s readers The Essential Guide to Spiritual Warfare Neil T.
