## **Goodbye Elgin High Growing Up Elgin In The 1960s:**

**Goodbye Elgin High** Mike Bailey, 2013-11-18 Goodbye Elgin High is a parallel story of growing up in Elgin Ill in the turbulent 1960s and the rise maturation and diminution of an insular Midwestern city once known worldwide for the production of fine wrist and pocket watches The book puts readers squarely in the 1960s through more than two dozen photographs of the city lists of the top movies television programs records and world events during 1965 68 the approximate period covered in the book Relive cruising the town center on Friday nights the awkward sock hops the unique and long forgotten places we used to congregate with people we saw every day and then never saw again after high school Elgin Ill was once a center of dairy products the nation's butter prices were set in Elgin manufacturing innovation and the arts At the center of it all was the city's high school which graduated giants in entertainment manufacturing and the arts leaders in industry including the president of General Motors and other people of national prominence But the social political and economic upheaval of the late 1960s forever changed this mid sized Midwestern city as it did much of America Whatever became of those people with whom we spent every day of our teen age years Did their lives turn out like they envisioned like we envisioned so long ago Poignant funny and compelling Goodbye Elgin High offers readers an insight into a part of America that no longer exists in an era that many believe was the last best time to live there More than 1 000 copies have already been sold since the book was published a year ago Vox Lycei 1960-1961 Lisgar Collegiate Institute,
