**Close to the Broken Hearted** Michael Hiebert, 2016-12-27 A 1980s small town Alabama shut in fears for her life after a killer's release in this crime thriller by the author of Dream with Little Angels. At twenty-two, Sylvie Carson has known a lifetime's worth of trouble. When she was a child, her baby brother was shot to death by a man named Preacher Eli. Orphaned by her teens, Sylvie is now raising her own baby with no partner in sight. For all these reasons, Leah Teal Alvin, Alabama's only detective, tries to stay patient when Sylvie calls the station day and night, always with some new false alarm. But now Preacher Eli is out of prison and moving back to town. As far as the law is concerned, the old

man has paid his dues though Leah's twelve year old son Abe vehemently disagrees Between that and his relentless curiosity about the daddy he hardly knew Abe's imagination is running in all directions lately While Leah struggles with how much of the past to reveal to Abe she's also concerned about Sylvie's mounting panic Something in her gut tells her the girl might be a target after all For as Leah knows well there's danger not just in the secrets others keep from us but in the lies that corrupt from within It's a hunch that will be tested soon enough as tensions mount on both sides Evoking the South with depth and grace Michael Hiebert's poignant gripping novel captures the strength wrought by heartache and lost innocence and the transformative power of forgiveness whenever it comes Praise for *Dream with Little Angels* Hiebert's first novel courts comparison to the classic *To Kill a Mockingbird* but the book manages to soar as a moving achievement in its own right In Hiebert's hands psychological insight and restrained lyricism combine to create a coming of age tale as devastating as it is indelible **Publis**
