learned was that it was a waste of time wishing you were like someone else When Gordie Howe passed away in 2016 it was Murray who was asked to deliver the eulogy Nine Lessons I Learned from My Father takes the reader through the hours Murray spent writing the words that would give shape to his father's legacy the hours immediately after his hero's death as he gathers his thoughts and memories and makes sense of what his remarkable father meant to him The result is nine pieces of wisdom built out of hundreds of stories that show us the man behind the legend and give us a glimpse of what we can learn from this incredible life     Great Athletes ,2010     Gordie Howe's Son Mark Howe,Jay Greenberg,2013-11-01 Mark Howe emerged from the shadow cast by his iconic father Gordie to achieve greatness In this autobiography he vividly describes his unparalleled experiences A U S Olympic silver medalist at age 16 and a member of the Memorial Cup champion Toronto Marlboros Howe went on to play seven seasons alongside his father Gordie and brother Marty for the WHA's two time champion Houston Aeros and New England and Hartford Whalers before becoming a four time NHL All Star with the Philadelphia Flyers Howe elected to the Hockey Hall of Fame in 2011 recounts the joys and travails endured by the sport's most beloved family Recollections of teammates injuries game experiences deaths and his life as a child athlete make this a must read for all hockey fans     **Cassette Books** Library of Congress. *To My Boys* Dennis J. Merlo, 2019-04-23. You can acquire a new friend, a new home, a new passion in life. Only once are you born into a family and if you're fortunate enough to find a lasting spouse and bring children into this world just once are they born into your family. That is special. God is always putting us to the test. Not always do we pass that test; this certainly is true of me. Oftentimes it's not what you do in life but what's more important is what you've learned from it. From the onset of my childhood, this book reflects that theme and offers my own personal insights into life's valuable lessons. My thoughts include reactions to historic events in my lifetime including JFK's assassination, the cultural revolution, Muhammed Ali, the rock roll music world, 9/11 and much more. As a parent, you'll find yourself nodding your head yes as you read through this story. This book's second half especially pivots to a more emotional tone after my marriage to Sandy and bringing our two boys, Mark and Bradley, into this world. This story details the strong love for my own parents and Sandy and certainly I share many fun moments with my sons. But perhaps more than anything, I begin to internalize and agonize over the obstacles and challenges that confront my own two boys. Ultimately, it reveals a much greater awareness of myself, my own purpose in life and the profound meaning that Mark and Bradley hold for me.
