African Youth in Contemporary Literature and Popular Culture Vivian Yenika-Agbaw, Linda Mhando, 2014-01-21 This book explores how African youth are depicted in contemporary literature and popular culture and discusses the different ways by which they attempt to construct personal and cultural identities through popular culture and social media outlets The contributors approach the subject from an interdisciplinary perspective looking at images in children's and adolescent literature from Africa and the African diaspora from Nollywood and Hollywood movies from popular magazines and from youth cultures encountered directly through field experiences The findings reveal that there are many stereotypes about Africa African youth and black cultures and that African youth are aware of these Since they juggle multiple identities shaped by their ethnicities race and religion it is often a challenge for them to define themselves As they also share a global youth culture that transcends these cultural markers some take advantage of media outlets to voice their concerns and participate in political struggles Others simply use these to promote their personal interests Contributors ponder the challenges involved in constructing unique identities offering ideas on how African youth are doing so successfully or not in different parts of the continent and the African diaspora and thus offer new possibilities for youth studies

Resources in Education, 2000-04 *Common Culture* Michael Petracca, Madeleine Sorapure, 2001 For freshman composition courses. From Barbie to the Internet, the Simpsons to the malls, this engaging text on pop culture helps students develop critical and analytical skills and write clear prose while reading, thinking, and writing about subjects they find inherently interesting. Spanning a full range of topics, it provides key reading and writing strategies and contains essays addressing a topic generally and then explores related material in depth. In addition to the readings, each section begins with a catchy cultural artifact that leads students into a detailed introduction, discussion questions, essay topics, and suggestions for further reading and research. **Popular Science**, 1909-11 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better. **America Pathways to the Present**, 1995 A Guided Reader to Early Years and Primary English Margaret Mallett, 2015-10-23 A Guided Reader to Early Years and Primary English draws on extracts from the published work of some of the most influential education writers to provide insight, guidance, and clarity about key issues affecting early years practitioners and primary English teachers. The book brings together key extracts from classic and contemporary writing and contextualises these in both theoretical and practical terms. The extracts are accompanied by a summary of the key ideas and issues, raised questions to promote discussion and reflective practice, and annotated further reading lists to extend thinking. Taking a thematic approach and including a short introduction to each theme, the chapters cover: Models of and approaches to early years and primary English; Speaking and listening in English lessons; story telling; drama; booktalk and debate; Reading and responding to texts in English lessons; Writing in English lessons; finding a voice; Knowledge about language; grammar; spelling; punctuation and handwriting. The rich landscape of children's literature. Non-fiction in English lessons; Planning, assessing, and recording children's progress; the learning cycle. Aimed at trainee and newly qualified teachers, those working towards Masters level qualifications.

and all those involved in the teaching of early years and primary English this accessible but critically provocative text will be an essential resource for those that wish to deepen their understanding of early years and primary English education

Faith, Life, and Learning Online Brant M. Himes, John W. Washatka, 2022-04-08 Faith Life and Learning Online is an invitation for faith based institutions to take bold steps toward integrating a holistic mission of spiritual formation into the online learning environment For Christian higher education faith integration is a matter of mission not modality Regardless of whether learning happens in the traditional classroom through hybrid models or exclusively online Christian universities have a missional mandate to continue their long legacy of forming students of competence and character While traditional campuses continue to provide unique and meaningful opportunities for students to grow in their faith online learning has opened new avenues for engagement and development of spiritual formation As such all Christian higher education institutions are now called to take advantage of this unique technological moment to continue to offer transformative opportunities for the holistic integration of faith life and learning in the online environment ,
