Catching Readers Before They Fall Pat Johnson, Katie Keier, 2023-10-10 Every teacher of reading plays a vital role in helping to catch those readers for whom learning to read does not come easily. Through examples from both adults and children, the authors explain and describe the complex integrated network of strategies that go on in the minds of proficient readers and strategies that struggling readers have to learn in order to construct their own reading processes. This book is essential reading for all who work with struggling readers in any context and contains a wealth of resources including a thorough explanation of all the sources of information readers use to solve words, examples and scenarios of teacher-student interactions, prompts to use with struggling readers, lessons on modeling and assessment guidelines. **Guiding K-3**

Writers to Independence Patricia L. Scharer, Gay Su Pinnell, 2008 By working together to write within authentic contexts, children behave as writers and learn about the writing process scaffolded by their teacher in ways that ensure success.
