Figures of a Changing World Harry Berger, 2015-03-02 *Figures of a Changing World* offers a dramatic new account of cultural change an account based on the distinction between two familiar rhetorical figures metonymy and metaphor The book treats metonymy as the basic organizing trope of traditional culture and metaphor as the basic organizing trope of modern culture On the one hand metonymies present themselves as analogies that articulate or reaffirm preexisting states of affairs They are guarantors of facticity a term that can be translated or defined as fact like ness On the other hand metaphors challenge the similarity they claim to establish in

order to feature departures from preexisting states of affairs On the basis of this distinction the author argues that metaphor and metonymy can be used as instruments both for the large scale interpretation of tensions in cultural change and for the micro interpretation of tensions within particular texts In addressing the functioning of the two terms the author draws upon and critiques the work of Friedrich Nietzsche Roman Jakobson Christian Metz Paul Ricoeur Umberto Eco Edmund Leach and Paul de Man

A Literary Semiotics Approach to the Semantic Universe of George Orwell's Nineteen Eighty-Four Murat Kalelioğlu, 2019-01-03 Semiotics can be considered as a well organized signification journey taken among the pages of the work of art It requires background knowledge related to the field and its analysis tools as well as careful reading practices in the text to reach the projected destination after stopping over in certain stations These stations represent meaning intersections where the meaningful formations are articulated to contribute to the generation of the semantic universe of the text The presentation of such a fictional universe can be complicated because of the nature of the literary work and the language used With regards to Orwell s Nineteen Eighty Four what makes its fiction precious is the masterful acts of the author in both paradigmatic and syntagmatic dimensions This book conducts a semiotic analysis in order to unfold the enigmatic semantic organization of Orwell s Nineteen Eighty Four narrative by penetrating the formative structures at various meaning levels of the text

Semiotics and Visual Communication III Evripides Zantides, 2019-11-12 The chapters in this book consist of selected papers that were presented at the 3rd International Conference and Poster Exhibition on Semiotics and Visual Communication at the Cyprus University of Technology in November 2017 They investigate the theme of the third conference The Semiotics of Branding and look at branding and brand design as endorsing a reputation and inhabiting a status of almost mythical proportion that has triumphed over the past few decades Emerging from its forerunner corporate identity to incorporate advertising consumer lifestyles and attitudes image rights market research customisation global expansion sound and semiotics and the consumer as the brand the word branding currently appears to be bigger than its own umbrella definition From tribal markers such as totems scarifications and tattoos to emblems of power language fashion architectural space insignias of communal groups heraldic devices religious and political symbols national flags and the like a form of branding is at work that responds to the need to determine the presence and interaction of specific groups persons or institutions through shared codes of meaning

Wallerstein 2.0 Frank Jacob,2023-07-06 Immanuel Wallerstein s world systems theory can help to better understand and describe developments of the 21st century The contributors address the possibilities to reread Wallerstein s theoretical thoughts and ideas that are related to different disciplines in the humanities and social sciences The presented interdisciplinary approach of this anthology thereby intends to highlight the broader value of Wallerstein s ideas even almost five decades after the famous sociologist and economic historian first expressed them Gerardo Diego's Creation Myth of Music Judith Stallings-Ward,2020-01-29 Since its publication nearly eight decades ago the consensus among scholars about F bula de Equis y Zeda by the Spanish poet Gerardo Diego 1896 1987 remains unchanged F bula is an enigmatic avant garde curiosity It seems to rob the reader of the reason necessary to interpret it even as it lures him or her ineluctably to the task nevertheless the present study makes the case that this work is in fact not inaccessible and that what the anhelante arquitecto intended with his masterpiece was a creation myth that explains the evolution of music in his day This monograph unlocks the fullness of the poem s meaning sourced in music s mythical consciousness and expressed in a poetic idiom that replicates aesthetic concepts and cubist strategies of form embraced by the neoclassical composers Bartok Falla Ravel and Stravinsky

Linguistics, Literature and Culture Shakila Abdul Manan,Hajar Abdul Rahim,2012-12-05 This book documents the changing realities in the fields of linguistics literature and culture in Asia resulting from globalization modernisation and rapid technological development It consists of sixteen essays by academics and researchers around the world reflecting on the interface between the global and the local and its impact on the local and regional languages literatures and cultures of Asia This scenario which exemplifies language contact in action is captured by the book mainly to demonstrate that linguistic negotiations appropriations and indeed changes are not one way As such their implications on language use language choice language policy and planning literacy and pedagogy identity subjectivity and culture need to be closely examined The uniqueness of this book lies in its attempt to showcase original research in a variety of multicultural settings Its multi and cross disciplinary approach will appeal to a wide spectrum of readers from diverse backgrounds This book will serve as a useful reference that is both scholarly and informative for researchers as well as academics in the fields of linguistics literature and culture

Beyond Sitcom Antonio Savorelli,2010-04-27 This book explores the mechanisms

that have driven the evolution of televisual comedy from the classic sitcom a genre deeply rooted in its theatrical origins toward a more mature stage of television s history It analyzes four comic series Scrubs The Office The Comeback and Ugly Betty revealing how each separates itself from the traditional sitcom archetype and shows increased awareness of the comic genre Throughout the author focuses on two cardinal themes the relationship between comedy and euphoria and the relationship between comic texts and reality
