Gypsy Sorcery and Fortune Telling - Illustrated by Numerous Incantations, Specimens of Medical Magic, Anecdotes and Tales Charles Godfrey Leland, 2015-10-28 This vintage work contains a collection of the customs usages and ceremonies used among gypsies as regards fortune telling witch doctoring love philtering and other sorcery illustrated by many anecdotes and instances taken either from works as yet very little known to the English reader or from personal experiences Within a very few years since Ethnology and Archaeology have received a great inspiration and much enlarged their scope through Folklore everything relating to such subjects is studied with far greater interest and to much greater profit than was the case when they were cultivated in a languid half believing half sceptical spirit which was in reality rather one of mere romance than reason Now that we seek with resolution to find the whole truth be it based on materialism spiritualism or their identity we are amazed to find that the realm of marvel and mystery of wonder and poetry connected with what we vaguely call magic far from being explained away or exploded enlarges before us as we proceed and that not into a mere cloudland gorgeous land but into a country of reality in which men of science who would once have disdained the mere thought thereof are beginning to stray **The British National Bibliography** Arthur James Wells, 2002 [American Book Publishing Record](#), 2002 [Witchcraft](#) Anastasia Greywolf, 2016-05-15 Witchcraft is a complete guide to the magical arts of witchcraft including insight into magic spells potions and much more *Buckland's Book of Gypsy Magic* Raymond Buckland, 2010-05-01 Weaving together lore legend and belief Buckland's Book of Gypsy Magic revives the beliefs spell craft and healing wisdom of the Romany people From hexes and healings to tea leaves and tarot the circle of the family and the rituals of death this enchanted volume will delight witches folklorists and history lovers alike Learn the shuvani's secrets for love craft a talisman for vitality and cast the Gypsy Start tarot spread Join Buckland around the campfire to hear stories of werewolves and vampires mistaken identity persecution and perseverance Learn how the gypsy people have for centuries

supernatural powers There has even been speculation that the various clans originated from outer space and migrated here
from beyond the stars eons ago trying to mix in unsuccessfully with the rest of the world s population They have their own
language their own life style their own moral code and travel like nomads from place to place as if searching for their true
home Outsiders are not welcome They do not share their occult secrets with others their knowledge being handed down from
generation to generation via oral tradition The author Charles G Leland was befriended by several gypsy clans after doing
honest interviews in various academic journals This Volume Covers Such Fascinating Topics As Shamanism Sorcery

your own right *Gypsy Sorcery and Fortune Telling* C. G. Leland,2018-08-17 Renowned folklorist Charles Godfrey Leland
examines the traditions nature and mysteries of gypsy magic This edition includes all of the author s original illustrations The
various customs incantations and rituals of the Gypsy communities in continental Europe are brought to life in this text The
author begins by acknowledging the complete lack of knowledge most people have in the subject and praises the various
gypsy communities for their vast and unrivalled contributions to magic predicting the future and medicinal cures and philters
Methodical and well informed the author charts a vivid chronicle through centuries of gypsy traditions Beginning with the
affinity of the travelling peoples with sorcery and witchcraft Bullinger proceeds to discuss the charms and magicks which
gypsies would produce or perform exorcisms of evil spirits protection of livestock and recovery of stolen items are some of
the reasons behind these unusual practices **Gypsy Sorcery and Fortune Telling** Charles Godfrey Leland,2019-01-29
CHAPTER I THE ORIGIN OF WITCHCRAFT SHAMANISM AND SORCERY VINDICTIVE AND MISCHIEVOUS MAGIC As their
peculiar perfume is the chief association with spices so sorcery is allied in every memory to gypsies And as it has notes
escaped many poets that there is something more strangely sweet and mysterious in the scent of cloves than in that of flowers so the
attribute of inherited magic power adds to the romance of these picturesque wanderers Both the spices and the Romany come
from the far East the fatherland of divination and enchantment The latter have been traced with tolerable accuracy if we admit

their affinity with the Indian Dom and Domar back to the threshold of history or well nigh into prehistoric times and in all ages they or their women have been engaged as if by elvish instinct in selling enchantments peddling prophecies and palmistry and dealing with the devil generally in a small retail way As it was of old so it is to day Ki shan i Romani Adoi san i chov hani Wherever gypsies go There the witches are we know It is no great problem in ethnology or anthropology as to how gypsies became fortune tellers We may find a very curious illustration of it in the wren This is apparently as humble modest prosaic little fowl as exists and as far from mystery and wickedness as an old hen But the ornithologists of the olden time and the myth makers and the gypsies who lurked and lived in the forest knew better They saw how this bright eyed strange little creature in her elvish ways slipped in and out of hollow trees and wood shade into sunlight and anon was gone no man knew whither and so they knew that it was an uncanny creature and told wonderful tales of its deeds in human form and to day it is called by gypsies in Germany as in England the witch bird or more briefly chori hani the witch Just so the gypsies themselves with their glittering Indian eyes slipping like the wren in and out of the shadow of the Unknown and anon away and invisible won for themselves the name which now they wear Wherever Shamanism or the sorcery which is based on exorcising or commanding spirits exists its professors from leading strange lives or from solitude or wandering become strange and wild looking When men have this appearance people associate with it mysterious power This is the case in Tartary Africa among the Eskimo Lapps or Red Indians with all of whom the sorcerer voodoo or medaolin has the eye of the fascinator glittering and cold as that of a serpent So the gypsies from the mere fact of being wanderers and out of doors lives in wild places became wild looking and when asked if they did not associate with the devils who dwell in the desert places admitted the soft impeachment and being further questioned as to whether their friends the devils fairies elves and goblins had not taught them how to tell the future they pleaded guilty and finding that it paid well went to work in their small way to improve their science and particularly their pecuniary resources It was an easy calling it required no property or properties neither capital nor capitol shiners nor shrines wherein to work the oracle And as I believe that a company of children left entirely to themselves would form and grow up with a language which in a very few years would be spoken fluently 2 so I am certain that the shades of night and fear pain and lightning and mystery would produce in the same time conceptions of dreaded beings resulting first in demonology and then in the fancied art of driving devils away For out of my own childish experiences and memories I retain with absolute accuracy material enough to declare that without any aid from other people the youthful mind forms for itself strange and seemingly supernatural phenomena
