Catalog],2013-12 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *The Christmas Bookseller* Henry Sotheran Ltd,1889 [The A to Z of the Early American Republic](#)

Richard Buel Jr.,2009-07-27 The formative period of the United States running roughly from 1789 to 1829 has become remote and perhaps overly idealized While the administrations of George Washington John Adams James Madison James Monroe and John Quincy Adams set the country on the path to modernity by resolving some nagging problems left over from the Revolution they failed to resolve many crucial issues such as slavery the treatment of Native Americans and the

consequences of industrial development Despite many common goals the gentry's leadership was riven by sectional friction personal competition and partisan bickering that almost tore the nation apart during the War of 1812 The A to Z of the Early American Republic recounts the achievements and the failures the progress and the backsliding and the high and low points of our forefathers First traced in the chronology and then explained in the introduction the history of our nation's formative years is laid out in great detail The several hundred dictionary entries describe the more eminent persons the evolving institutions and the crucial events that our young country faced An extensive bibliography is included to provide easy access for further studies **Historical Dictionary of the Early American Republic** Richard Buel Jr., Jeffers Lennox, 2016-12-20

The drafting and ratification of the federal constitution between 1787 and 1788 capped almost 30 years of revolutionary turmoil and warfare The supporters of the new constitution known at the time as Federalists looked to the new national government to secure the achievements of the Revolution But they shared the same doubts that the Anti federalists had voiced about whether the republican form of government could be made to work on a continental scale Nor was it a foregone conclusion that the new government would succeed in overcoming parochial interests to weld the separate states into a single nation During the next four decades the institutions and precedents governing the behavior of the national government took shape many of which are still operative today This second edition of Historical Dictionary of the Early American Republic contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about American history *The Publishers' Circular and General Record of British and Foreign Literature*, 1889 [The Frederick Douglass Papers](#)

Frederick Douglass, 2021-01-01 The journalism and personal writings of the great American abolitionist and reformer Frederick Douglass Launching the fourth series of The Frederick Douglass Papers designed to introduce readers to the broadest range of Frederick Douglass's writing this volume contains sixty seven pieces by Douglass including articles written for North American Review and the New York Independent as well as unpublished poems book transcriptions and travel diaries Spanning from the 1840s to the 1890s the documents reproduced in this volume demonstrate how Douglass's writing evolved over the five decades of his public life Where his writing for publication was concerned mostly with antislavery advocacy his unpublished works give readers a glimpse into his religious and personal reflections The writings are organized chronologically and accompanied by annotations offering biographical information as well as explanations of events mentioned and literary or historical allusions [Kent's part in the war, 1812-1814](#) P. Granger Skirven, 1914 Kent's part in the War 1812 1814 The Battle of Caulk's Field August 31st 1814 Address of Percy Granger Skirven delivered at the meeting of the Kent County Section of the Eastern Shore Society held at the residence of Dr John B Schwatka October 21st 1914
