The Body Strong Kettlebell Blitz Beginner Program was developed by Paul and Robyn Bova to help introduce people to Kettlebells. There is a lot of information in books and on the internet about training with Kettlebells. However, we believe that our program will properly introduce those new to Kettlebells with a foundation that will reduce the risk of injury. Our Beginner program, which we use with all of our new clients, develops the platform necessary to advance to more difficult routines. We have specifically chosen ten exercises which we feel build the foundation for Kettlebell training. All of our programs are designed around being short and intense, hence naming the program Blitz. Our Beginner program is twenty-five minutes including the rest periods and we guarantee that it will be one of the toughest workouts you have ever done. The Body Strong Kettlebell Blitz Beginner program was designed to get your heart rate up quickly and keep it up throughout the entire routine. We hope you enjoy our book and your journey with Kettlebells.

KETTLEBELL'S SECRET FILES - BOOK 1 Jerónimo Milo, *The Kettlebell's Secret Files* is without a doubt the most complete and detailed textbook about the origin, development and evolution of kettlebell training. I consider it one of the largest and most exhaustive projects that I have carried out in my life as an author and the amount of information is such that I was forced to separate it into 2 volumes. CONTENTS OF VOLUME 1 1700-1918. In the first volume containing more than 200 pages, you will find EXCERPTS FROM 12 ORIGINAL TRAINING MANUALS. Analysis of the chapters dedicated to kettlebell training. Some of them translated to English for the very first time. TRAINING ROUTINES designed with the style and exercises used in each time period. The definitive TIMELINE to understand the origins of the Kettlebell MASTERS OF STRENGTH. Historical reviews about the most important figures in the history of kettlebell training. A SPECIAL CHAPTER

dedicated to the Turkish Get Up TGU revealing the true story of this great exercise and how to use it in your training sessions Hundreds of historical photos and original illustrations accompany the text and facilitate its understanding All the information collected in the research plus my personal notes and opinions covering an extensive period from Ancient Greece to 1918 The Kettlebell s Secret Files is the result of a lifetime of study dedication and research work In order to organize and present this amount of information in a coherent way in addition to the knowledge and experience in kettlebell training a great deal of work was needed in collaboration with libraries newspaper libraries museums and private collectors Also the translation of old Russian German Ukrainian Polish and French texts from the turn of the 20th century The intention behind Kettlebell s Secret Files is to fill the information void existing between the actual and documented origins of the Kettlebell as a training tool and the revival of this activity globally in the 21st century Learn about the true story behind Kettlebell Training its origins its pioneers the different styles main exercises and its impact on Physical Culture around the world Perhaps the most valuable aspect of this publication is the large number of lessons that we can learn from knowing the past so as to understand the present and build the future of physical training Using critical thinking access to accurate information and working responsibly we can strengthen the body and mind achieve health reach our goals and help others

The Russian Kettlebell Challenge Pavel Tsatsouline, 2001 Both the Soviet Special Forces and numerous world champion Soviet Olympic athletes used the ancient Russian Kettlebell as their secret weapon for extreme fitness Thanks to the kettlebell s astonishing ability to turbo charge physical performance these Soviet supermen creamed their opponents time and time again with inhuman displays of raw power and explosive strength Now former Spetsnaz trainer international fitness author and nationally ranked kettlebell lifter Pavel Tsatsouline delivers this secret Soviet weapon into your hands
