Love And Freindship Sic And Other Delusions:

Love and Freindship (Sic) Beth Andrews, 2015-02-01 Jane Austen's story Love and Freindship written at 14 is updated in a sparkling satire Also includes the original complete with uncorrected spelling Love and Freindship was written when Jane Austen was just 14 and foreshadows the conflict between moral obligation and individual desire which animates Austen's mature comedic efforts such as Sense and Sensibility Now updated in this sparkling satire the story follows Isabel and her daughter Marianne when they attend the theater and encounter Isabel's old friend Laura Lindsay who gives her journal to Marianne to read It is a revelation to the younger woman as she reads of one hilarious madcap romantic escapade after another There is love at first sight marriage the same day the befriending of another young woman as romantic as Laura herself exaggerated sentiment and complete disregard for the feelings of others Havoc inevitably ensues This is Jane Austen retold but retaining her huge capacity for laughter and enjoyment of the absurd The book also includes the Jane Austen version of Love and Freindship in the original **Love and Freindship [sic]**.
