Grassroots Political Reform In Contemporary China Harvard Contemporary China Series:

Grassroots Political Reform in Contemporary China Elizabeth J. Perry, Merle Goldman, 2009-07-01 Observers often note the glaring contrast between China's economic progress and its stalled political reforms This volume written by experienced scholars explores a range of grassroots efforts initiated by the state and society alike to restrain corrupt behavior and enhance the accountability of local authorities **Rural Politics in Contemporary China** Emily T. Yeh, Kevin O'Brien, Jingzhong Ye, 2016-01-22 This collection provides an overview of China's rural politics bringing scholarship on agrarian politics from various social science disciplines together in one place The twelve contributions spanning history anthropology sociology environmental studies political science and geography address enduring questions in peasant studies including the relationship between states and peasants taxation social movements rural urban linkages land rights and struggles gender relations and environmental politics Taking rural politics as the power inflected processes and struggles that shape access and control over resources in the countryside as well as the values ideologies and discourses that shape those processes the volume brings research on China into conversation with the traditions and concerns of peasant studies scholarship It provides both an introduction to those unfamiliar with Chinese politics as well as in depth new research for experts in the field This book was published as a special issue of the Journal of Peasant Studies **The Failure of China's Democratic Reforms** Zaijun Yuan, 2011-12-08 In its propaganda the Chinese Communist Party does not deny the value of democracy but it insists that democracy in China can be only socialist democracy with Chinese characteristics The most essential nature of such democracy is that it is under the single party system and it excludes multi party politics and competitive elections In recent years Chinese democracy has won more support because of achievements the party has made in developing economy This raises a question does this efficient authoritarian political system in China even if it is not democratic deserve applause because it can facilitate economic development The party also insists that it is democratic But is the party's theory of democracy compatible with western democracy Since 1998 the party has organized some political reforms such as direct elections for township executives direct elections for township party secretaries township party congress reform and deliberative democracy experiments while maintaining single party politics In the party's propaganda some of these reforms have become party achievements in improving socialist democracy with Chinese characteristics In addition to these four kinds of party organized reforms another reform originated from the grassroots the participation of independent candidates in a few local people's congress elections This book examines these five local political reforms It demonstrates that the four reforms instigated and organized by the party were tightly controlled and manipulated by the party Although some reform measures may possibly liberalize parts of China's political mechanism it is highly unlikely that the four reforms will eventually lead to political democratization in China In the fifth reform which was motivated from outside the bureaucratic system the party took drastic measures to repress the political participation of grassroots power As

a result nearly all independent candidates in the local people's congress elections failed in their attempts to gain office. The prospects for this reform are also poor. The book argues that all five reforms have failed and that none will lead to China's democratization in the near future. The book concludes that the party's authoritarian regime in China is by nature anti-democratic and that so-called socialist democracy with Chinese characteristics is not democratic.

Being Present: Mobile Cinema in Kham Tibetan Areas Jianbin Guo, Jingjing Chen, 2024-07-31 This book presents the restoration of rural mobile cinema network in the Great Triangle region at the conjunction of Yunnan, Sichuan and Tibet in China in the new century which has added a new chapter to the long-standing complex relationship between cinema and social change. Based on five years of multi-sited fieldwork, abundant interviews and oral history narratives, this work shows the entanglement of the State, the projectionists and local film viewers in the historical and social context in a holistic analytic framework. By using the key concept of being present to examine the tangling relations between the actors in mobile cinema as social practice, the work argues that mobile cinema and contemporary Chinese society are mutually constructed in both textual and practical level.

Research in Social Movements, Conflicts and Change Patrick G. Coy, 2018-10-16 This important collection addresses the critically important dimensions of the relationships that social movements, their activists and their organizations have with the state and other institutions. It also examines three movements linked by frame and discourse analysis before concluding with a survey of the biographical trajectory of activism.

Chongqing's Red Culture Campaign Xiao Mei, 2017-07-06 Based on fieldwork conducted in Chongqing including interviews and document analysis, this book examines the nature of Chongqing's Red culture campaign and the interaction between the political programme and the practices of its participants. Above all, analysing how far the campaign was a return to Maoist revolutionary mass campaigning.

Township Governance and Institutionalization in China Shukai Zhao, 2014 This unique volume takes a very different approach to township or xiangzhen governance. It explores the structural constraints on township governance and the way that these constraints influence the day-to-day behavior of Chinese rural grassroots government leaders. Based on thoroughgoing interviews with township and village cadres and villagers, the book depicts how individual actions affect and are affected by the underlying institutional arrangements and hence captures the dynamic micro-functions of grassroots government as well as macro-evolutions of overarching political institutions in China. The down-to-earth presentation of this book engages readers to deeply feel the genuine life and dilemmas of cadres at the rural grassroots levels in China. The goal of this book is to analyze the fiscal standing, power structure and public service functions of township governments in the context of its subtle relationships with upper-level governments as well as with sub-level villages and the rural grassroots society. Its comprehensive documentation and in-depth discussion provide the best depiction of rural governance in contemporary China.

[Review and Assessment of China's Nonprofit Sector after Mao](#) David Horton Smith, 2016-11-21

Published research in English is reviewed on the Nonprofit Sector (NPS) in mainland China since Mao's death in 1976. A large

diverse and rapidly growing NPS exists but openly political Nonprofit Organizations NPOs outside the Communist Party and its control are prohibited China has civil society in the narrower sense a substantial civil society sector or NPS exists However the party state in China continues to play a dominating role in regard to the NPS especially for registered NPOs Freedom of association is still limited in China especially for national associations which are nearly all Government Organized Nongovernmental Organizations GONGOs not genuine NGOs NPOs The broader scope definition of civil society focuses on functioning civil liberties and the ability of NPOs in general to influence significantly the government on various policy issues In these terms China has a weak but slowly emerging civil society with far more associational freedom than under Mao

The International Handbook of Public Administration and Governance Andrew Massey, Karen Johnston, 2015-04-30 The International Handbook of Public Administration and Governance is a ground breaking volume with eminent scholars addressing the key questions in relation to how international governments can solve public administration and governance challenges in Associations and the Chinese State: Contested Spaces Jonathan Unger, 2014-12-18 What role do Chinese popular associations play in the expansion of civil society and democratization Under Mao few associations were permitted to exist while today over 200 000 associations are officially recognized Are they important foundations of civil society or vehicles for state corporatism and control In this book leading China specialists examine an interesting range of associations from business associations to trade unions to urban homeowners associations women s groups against domestic violence and rural NGOs that develop anti poverty programs The contributors find different important trends underway in different parts of China s economy and society Their findings are nuanced insightful and often not what might be expected

Politics in China William A. Joseph, 2019 On October 1 2019 the People s Republic of China PRC will celebrate the 70th anniversary of its founding And what an eventful and tumultuous seven decades it has been During that time under the leadership of the Chinese Communist Party CCP China has been transformed from one of world s poorest countries into one of its fastest growing economies and from a weak state barely able to govern or protect its own territory to a rising power that is challenging the United States for global influence But in the late 1950s the PRC experienced the most deadly famine in human history caused largely by the actions and inactions of its leaders Not long after there was a collapse of government authority that pushed the country to the brink of and in some places actually into civil war and anarchy And in 1989 the CCP unleashed the army to brutally crush demonstrations by students and others calling for political reform China is now for the most part peaceful prospering and proud The CCP maintains a firm grip on power through a combination of harsh repression and popular support largely based on its recent record of promoting rapid economic growth Yet the party and country face serious challenges on many fronts including a slowing economy environmental desecration pervasive corruption extreme inequalities ethnic unrest and a rising tide of social protest Politics in China provides an accessible yet authoritative introduction to how the world s most populous nation and rapidly rising global power is governed today The third edition has

been extensively revised thoroughly updated and includes a new chapter on the internet and politics in China The book s chapters provide overviews of major periods in China s modern political history from the mid nineteenth century to the present examinations of key topics in contemporary Chinese politics and analyses of developments in four important areas located on China s geographic periphery Tibet Xinjiang Hong Kong and Taiwan

Governance and Politics of China Tony Saich,2017-09-07 The success or failure of China s development will impact not only its own citizens but also those of the world China is widely recognized as a global actor on the world stage and no global challenge can be resolved without its participation Thus it is important to understand how the country is ruled and what the policy priorities are of the new leadership Can China move to a more market based economy while controlling environmental degradation Can it integrate hundreds of millions of new migrants into the urban landscape The tensions between communist and capitalist identities continue to divide society as China searches for a path to modernization The People s Republic is now over 65 years old an appropriate juncture at which to reassess the state of contemporary Chinese politics In this substantially revised fourth edition and essential guide to the subject Tony Saich delivers a thorough introduction to all aspects of politics and governance in post Mao China taking full account of the changes of the 18th Party Congress and the 12th National People s Congress Further the rise of Xi Jinping to power and his policies are examined as are important policy areas such as urbanization and the fight against corruption

China's Authoritarian Path to Development Liang Tang,2017-06-14 This book examines the various stages of China s development in the economic social and political fields relating theories and models of development to what is actually occurring in China and discussing how China s development is likely to progress going forward It argues that China s modernization hitherto can be characterized as authoritarian development a fusion of mixed economic institutions of varying types of ownership with social stability and political cohesiveness and that the present phase where more emphasis is being given to social issues is likely to lead on to a new phase where a more mature civil society and a more extensive middle class are likely to look for greater democratization It presents an in depth analysis of China s changing social structure and civil society explores the forces for and processes of democratization and assesses the prospects for further democratization in the light of changing social structures

Civil Society Networks in China and Vietnam A. Wells-Dang,2012-07-31 This book brings a fresh original approach to understand social action in China and Vietnam through the conceptual lens of informal environmental and health networks It shows how citizens in non democratic states actively create informal pathways for advocacy and the development of functioning civil societies

Dams and Development in China Bryan Tilt,2014-12-02 China is home to half of the world s large dams and adds dozens more each year The benefits are considerable dams deliver hydropower provide reliable irrigation water protect people and farmland against flooding and produce hydroelectricity in a nation with a seemingly insatiable appetite for energy As hydropower responds to a larger share of energy demand dams may also help to reduce the consumption of fossil fuels welcome news in a

country where air and water pollution have become dire and greenhouse gas emissions are the highest in the world Yet the advantages of dams come at a high cost for river ecosystems and for the social and economic well being of local people who face displacement and farmland loss This book examines the array of water management decisions faced by Chinese leaders and their consequences for local communities Focusing on the southwestern province of Yunnan a major hub for hydropower development in China which encompasses one of the world s most biodiverse temperate ecosystems and one of China s most ethnically and culturally rich regions Bryan Tilt takes the reader from the halls of decision making power in Beijing to Yunnan s rural villages In the process he examines the contrasting values of government agencies hydropower corporations NGOs and local communities and explores how these values are linked to longstanding cultural norms about what is right proper and just He also considers the various strategies these groups use to influence water resource policy including advocacy petitioning and public protest Drawing on a decade of research he offers his insights on whether the world s most populous nation will adopt greater transparency increased scientific collaboration and broader public participation as it continues to grow economically

Rural Policy Implementation in Contemporary China Anna Ahlers, 2014-01-10 At the turn of the millennium the disparities between rural and urban livelihoods underdevelopment and administrative shortcomings in the Chinese countryside were increasingly seen as posing a manifest threat to social harmony and economic and political stability At that time the term three rural problems sannong wenti was coined which defined the main issues of rural life that needed to be targeted by government action agriculture nongye villages nongcun and farmers nongmin In turn with the launch of the 11th Five Year Plan in 2006 a pledge was made to shift the focus of developmental efforts to the long neglected countryside which is still home to half of the Chinese population This book presents an analysis of adaptive local policy implementation in China in the context of the Building of a New Socialist Countryside BNSC policy framework Based on intensive field work in four counties in Fujian Jiangxi Shaanxi and Zhejiang Provinces between 2008 and 2011 it offers detailed analyses of the form and impact of county governments strategic agency at certain stages and within certain fields of the implementation process for example the design of local BNSC programs the steering of project funding implementation and evaluation the establishment of model villages and the management of public participation Further this study illustrates that BNSC is far more than the empty slogan described by many observers when it was launched in 2005 2006 Instead it has already brought about considerable shifts in terms of the process and outcomes of rural policy implementation Altogether the results of this research challenge existing paradigms by showing how against the background of contemporary approaches to rural development and recent reforms initiated by the central state local bureaucracies strategic agency can actually push forward effective albeit not necessarily optimal policy implementation to some extent which serves the interests of central authorities local implementors and rural residents By tying into the larger debates on China s state capacity and authoritarian adaptability this book enriches our understanding of the inner workings of the Chinese political system As such

it will prove invaluable to students and scholars of Chinese politics public policy and development studies more generally

Understanding Chinese Society Xiaowei Zang, 2015-07-14 This second edition of *Understanding Chinese Society* provides a comprehensive readable and well grounded introduction to the key issues affecting contemporary China A thorough analysis is undertaken not only of China s family patterns education system status hierarchy and ethnic diversity but also of China s mass media legal system and social control work and cultural expression As well as being thoroughly updated and revised throughout this edition offers new chapters on urbanization the environment and civil society in China A team of international experts guide students through social issues including What are the key features of the family and marriage institutions in China How are women and men faring differently in Chinese society today How are minorities faring in China How does the education system differentiate Chinese society How are religion and cultural traditions expressed Including handy pedagogical features such as a chronology of the People s Republic of China further reading suggestions and related novels and films *Understanding Chinese Society* is suitable for anyone studying Chinese Culture and Society Chinese Studies and Asian sociology

Public Acceptability of Congestion Charging in China Qiyang Liu, 2022-03-16 This book explores the public acceptability of congestion pricing in the Chinese context Successful in western cities notably London congestion pricing has overcome vested interests to revitalize city centers and reduce pollution Given the radically different nature of China s culture and political system the author articulates why public acceptability should be an issue and how it will look in an authoritarian context Based on stakeholder interviews focus groups and an attitudinal survey this book will interest policymakers planners and scholars of transport governance

Chinese Politics Peter Gries, Daniel Lynch, Stanley Rosen, 2010-01-28 Written by a team of leading China scholars this text interrogates the dynamics of state power and legitimation in 21st Century China Despite the continuing economic successes and rising international prestige of China there has been increasing social protests over corruption land seizures environmental concerns and homeowner movements Such political contestation presents an opportunity to explore the changes occurring in China today what are the goals of political contestation how are Chinese Communist Party leaders legitimizing their rule who are the specific actors involved in contesting state legitimacy today and what are the implications of changing state society relations for the future viability of the People s Republic Key subjects covered include the legitimacy of the Communist Party internet censorship ethnic resistance rural and urban contention nationalism youth culture labour relations *Chinese Politics* is an essential read for all students and scholars of contemporary China as well as those interested in the dynamics of political and social change

State and Society Responses to Social Welfare Needs in China Jonathan Schwartz, Shawn Shieh, 2009-06-02 This book examines the impact of changing state society relations that shape contemporary conflicts over Chinese social service provision and looks at how the ongoing negotiation of political space between the state and society impacted the quality and nature of social service provision in transitioning states

Grassroots Political Reform In Contemporary China Harvard Contemporary China Series Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various

devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Grassroots Political Reform In Contemporary China Harvard Contemporary China Series free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Grassroots Political Reform In Contemporary China Harvard Contemporary China Series free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Grassroots Political Reform In Contemporary China Harvard Contemporary China Series free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Grassroots Political Reform In Contemporary China Harvard Contemporary China Series. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Grassroots Political Reform In Contemporary China Harvard Contemporary China Series any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Grassroots Political Reform In Contemporary China Harvard Contemporary China Series Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading

preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Grassroots Political Reform In Contemporary China Harvard Contemporary China Series is one of the best book in our library for free trial. We provide copy of Grassroots Political Reform In Contemporary China Harvard Contemporary China Series in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Grassroots Political Reform In Contemporary China Harvard Contemporary China Series. Where to download Grassroots Political Reform In Contemporary China Harvard Contemporary China Series online for free? Are you looking for Grassroots Political Reform In Contemporary China Harvard Contemporary China Series PDF? This is definitely going to save you time and cash in something you should think about.
