sermons emerge here as unique the only known sermons for churchings challenging for views on women and marriage more conservative than many of Donne s contemporaries and as evidence of Donne s Calvinist sacramental theology and his anti Catholicism They are also fine examples of Donne s skill in crafting emotionally compelling sermons suited to the unique demands of both occasion and auditory A General Account of the Society for Promoting Christian Knowledge Society for Promoting Christian Knowledge (Great Britain),1816 *The National Preacher Or Original Monthly Sermons from Living Ministers* ,1837 **An Address to the Inhabitants of Blackheath and its neighbourhood on the formation of a District Committee of the Society, etc** Society for Promoting Christian Knowledge (Great Britain),1817
