Greek And Roman Military Writers Selected Readings Routledge Classical Translations:

Greek and Roman Military Writers ,2004 **Greek and Roman Military Writers** ,2004 Greek and Roman Military Writers Andrew Smith,J. B. Campbell,2004 Brian Campbell has selected and translated a wide range of pieces from the ancient military writers and also includes extracts from historians who have interesting comments on warfare and society

Inside the Roman Legions Kathryn Milne,2024-06-13 Takes the career of Spurius Ligustinus detailed by the Roman historian Livy as a focus giving a very human and empathetic approachability to the author s lucid and thorough analysis Inside the Roman Legions aims to tell the story of the Roman soldier through a holistic empathetic examination of what the experience of military service in the Middle Republic was really like It traces real examples of soldiers described in the ancient sources to reveal how they traveled how they were organized and what campaign objectives they faced Specifically the author follows the ordinary soldier Spurius Ligustinus whose life is related by the historian Livy as an example detailing the experiences of his career The book begins by discussing the young future soldier s background and what military values were conveyed to him through the prevailing culture of the time It then follows him through a range of potential experiences examining camp conditions and training with various types of weapons and armor and proceeds to take the reader through the experience of fighting in a pitched battle step by step It also addresses experiences that only some soldiers would have had such as escaping a total defeat deserting or being subject to unusual punishments Throughout the focus of the book is on how the individual might be shaped by the experiences as they are described The History of Zonaras Thomas Banchich,Eugene Lane,2009-01-26 While an exile from Constantinople the twelfth century Byzantine functionary and canonist John Zonaras culled earlier chronicles and histories to compose an account of events from creation to the reign of Alexius Comnenus For topics where his sources are lost or appear elsewhere in more truncated form his testimony and the identification of the texts on which he depends are of critical importance For his account of the first two centuries of the Principate Zonaras employed now lost portions of Cassius Dio From the point where Dio s History ended to the reign of Theodosius the Great d 395 he turned to other sources to produce a uniquely full historical narrative of the critical years 235 395 making Books XII 15 XIII 19 of the Epitome central to the study of both late Roman history and late Roman and Byzantine historiography This key section of the Epitome together with Zonaras Prologue here appears in English for the first time both complemented by a historical and historiographical commentary A special feature of the latter is a first ever English translation of a broad range of sources which illuminate Zonaras account and the historiographical traditions it reflects Among the authors whose newly translated works occupy a prominent place in the commentary are George Cedrenus George the Monk John of Antioch Peter the Patrician Symeon Magister and Theodore Scutariotes Specialized indices facilitate the use of the translations and commentary alike The result is an invaluable guide and stimulus to further research for scholars and students of the history and historiography of Rome and Byzantium **Byzantine Readings of Ancient**

Historians Anthony Kaldellis,2015-03-05 The survival of ancient Greek historiography is largely due to its preservation by Byzantine copyists and scholars This process entailed selection adaptation and commentary which shaped the corpus of Greek historiography in its transmission By investigating those choices Kaldellis enables a better understanding of the reception and survival of Greek historical writing Byzantine Readings of Ancient Historians includes translations of texts written by Byzantines on specific ancient historians Each translated text is accompanied by an introduction and notes to highlight the specific context and purpose of its composition In order to present a rounded picture of the reception of Greek historiography in Byzantium a wide range of genres have been considered such as poems and epigrams essays personalized scholia and commentaries Byzantine Readings of Ancient Historians is therefore an important resource for scholars and students of ancient history

Philosophers of War Daniel Coetzee, Lee W. Eysturliid,2013-10-21 This user friendly reference systematically covers the entire intellectual history of strategy and war in all cultures and all times Each culture has had its Machiavelli its Sun Tzu its own Mohammed like or Napoleonic figure This encyclopedia ranges across the world to provide entries on every significant military and strategic thinker in human history as well as a number of military cultures covering Chinese Western Indian Islamic and other cultures Each entry supplies a brief biography a synopsis of the writer s theories their success or failure and their impact on other thinkers and military practitioners The unique coverage allows readers to cross cultural barriers and gain access to sources in languages as diverse as Arabic and German and to note key similarities and contrasts The relative importance and contribution of each individual to intellectual progress is noted as is the greater significance of specific schools of thought and debates

Trajan Nicholas Jackson,2022-04-30 Until the publication of this captivating biography no such volume on Trajan s life has been tailored to the general reader The unique book illuminates a neglected period of ancient Roman history featuring a comprehensive array of maps illustrations and photographs to help orientate and bring the text to life Trajan rose from fairly obscure beginnings to become the emperor of Rome He was born in Italica an Italic settlement close to modern Seville in present day Spain and is the first Roman Emperor to be born outside of Rome His remarkable rise from officer to general and then to emperor in just over 20 years reveals a shrewd politician who maintained absolute power Trajan s success in taking the Roman Empire to its greatest expanse is highlighted in this gripping biography Trajan s military campaigns allowed the Roman Empire to attain its greatest military political and cultural achievements The book draws on novel theories recent evidence and meticulous research including field visits to Italy Spain Germany and Romania to ensure accurate vivid writing that transports the reader to Trajan s territory

Ctesias' 'History of Persia' Lloyd Llewellyn-Jones, James Robson,2009-12-04 Towards the end of the fifth century BC Ctesias of Cnidus wrote his 23 book History of Persia Ctesias is a remarkable figure he lived and worked in the Persian court and as a doctor tended to the world s most powerful kings and queens His position gave him special insight into the workings of Persian court life and access to the gossip and scandal surrounding Persian history and court politics past and present His

History of Persia was completed at a time when the Greeks were fascinated by Persia and seems very much to cater to contemporary interest in Persian wealth and opulence powerful Persian women the institution of the harem kings and queens eunuchs and secret plots Presented here in English translation for the first time with commentaries Ctesias offers a fascinating insight into Persia in the fifth century BC *The Lost History of Peter the Patrician* Thomas M.

Banchich,2015-05-15 *The Lost History of Peter the Patrician* is an annotated translation from the Greek of the fragments of Peter's History including additional fragments which are now more often considered the work of the Roman historian Cassius Dio's so called Anonymous Continuer Banchich's annotation helps clarify the relationship of Peter's work to that of Cassius Dio Focusing on the historical and historiographical rather than philological he provides a strong framework for the understanding of this increasingly important source for the third and fourth centuries A D With an introduction on Peter himself a distinguished administrator and diplomat at the court of Justinian assessing his literary output the relationship of the fragments of Peter's History to the fragments of the Anonymous Continuer and the contentious issue of the place of this evidence within the framework of late antique historiography *The Lost History of Peter the Patrician* will be an invaluable resource for those interested in the history of the Roman world in general and of the third and fourth centuries A D in particular

2010 [catalog] Degruyter,2010-12-16 Reviews are an important aspect of scholarly discussion because they help filter out which works are relevant in the yearly flood of publications and are thus influential in determining how a work is received The IBR published again since 1971 as an interdisciplinary international bibliography of reviews it is a unique source of bibliographical information The database contains entries on over 1 2 million book reviews of literature dealing primarily with the humanities and social sciences published in 6 820 mainly European scholarly journals Reviews of more than 560 000 scholarly works are listed The database increases every year by 60 000 entries Every entry contains the following information On the work reviewed author title On the review reviewer periodical year edition page ISSN language subject area in German English Italian Publisher address of journal *The British National Bibliography* Arthur James

Wells,2005 *The Book Review Digest*,2006 *Les Études classiques*,2005 *Gymnasium*,2006 **Latomus** Marc Antoine Kugener,Léon Herrmann,2005 Includes section Comptes rendus **The Athenaeum**,1851 **Athenaeum and Literary Chronicle** James Silk Buckingham,John Sterling,Frederick Denison Maurice,Henry Stebbing,Charles Wentworth Dilke,Thomas Kibble Hervey,William Hepworth Dixon,Norman Maccoll,Vernon Horace Rendall,John Middleton Murry,1860 **The Spectator**,1851 *The Athenæum*,1846
