Gregg College Keyboarding and Document Processing GDP 11e by Ober Johnson and Zimmerly. Your complete learning teaching system. Your guide to success. GDP 11 is an integrated keyboarding system designed to process and score documents created in Microsoft Word. Together, the book and software systematically lead students through each lesson to provide an easy path to success. As a solid product for over 50 years, this version of the GDP software has grown into an online functionality. The same program is now web-based with seamless updates to provide greater accessibility for use at home, in class, and in labs, perfect for distance learning. Strong enhancements to the book while maintaining key elements including integrated language arts starting at lesson 21 support the cohesive program's strong content. Skillbuilding is reinforced with MAP Misstroke Analysis and Prescription. MAP is an individualized diagnostic tool that is built into the software to help identify student's strengths and weaknesses while providing prescriptive drills to help them practice where they need it most. Also, MAP now has new unlimited drill lines that begin at Lesson 1. Additionally, GDP 11 automatically scores for keyboarding errors and now formatting errors too. As a result, instructors will appreciate the customization of course management tools in GDP 11, including the new GPS Grade Posting System, which allows complete flexibility in setting up grades. GDP 11, your complete learning teaching system. Your guide to success.
