Yet in this groundbreaking book, Mike Hawkins reveals the flaw in this traditional thinking. While believing you can do something is critical, it is insufficient on its own. Based on over twenty-five years of practical experience in executive coaching, leading people, consulting, selling and now as a coach to coaches, Mike Hawkins explains what it truly takes to influence people, change behavior and achieve sustainable results. By reading *Activating Your Ambition*, you will discover how easy it can be to learn new skills, overcome bad habits and improve performance. You will find out how to conquer the primary obstacles to improvement, how to move outside of your comfort zone and how to turn your ambitions into realities. The eight principles of *Activating Your Ambition* show you how to build confidence, be more successful at work, improve your health and enhance your relationships. You will have clarity in your goals and be well on your way to focused improvement and long-term success. Whether you are coaching yourself

others or simply looking for insight into what it takes to be successful in working with people you will find this book an invaluable resource

Hi Im Xian Wen and to whoever's reading this right now we have probably not met. In fact it is precisely the beauty of being able to reach out to you with this humble little nugget of a book, whoever and wherever you are, that got me lured into the whole business of writing. This book is close to my heart for it conveys my many intimate thoughts. To me, every memory and every idea is worth sharing beyond ourselves as they only live on and flourish when expressed and exchanged. I hope this book offers a light hearted stopover to all my readers, a safe place to imagine and wonder away from the everyday stresses of life. If it could leave you a happier person than you found it, then that to me would be a wish fulfilled.
