Built to Last Stanley Turkel CMHS ISHC, 2013-09-05 Built to Last 100 Year Old Hotels East of the Mississippi is a sequel to my 2011 book Built To Last 100 Year Old Hotels in New York It has 86 chapters one for each century old hotel of 50 rooms or more east of the Mississippi River and each is illustrated by an antique postcard The Foreword was written by Joseph McInerney CHA President of the American Hotel Lodging Association The book has been accepted for promotion distribution and sale by the American Hotel Lodging Educational Institute My research into the histories of these hotels turned up fascinating stories about single minded developers brilliant and accidental architects dedicated owners famous and infamous guests and even the story of an underground bunker shelter the size of two football fields built under a hotel to house the U S Government in the event of a nuclear war
