Gregg Reference Manual 8th Canadian Edition:

The Gregg Reference Manual William A. Sabin, 1999 The Gregg Reference Manual is a handbook of grammar usage primarily intended for office administration students. Students in this market spend most of their time editing reports and letters for grammar style and format. With the Gregg manual, students become proficient at editing business communication through the instruction on grammar spelling usage and have exercises to refine their skills in the accompanying worksheets. This edition has been updated to include only references to word processing software while eliminating mention of the typewriter. While the emphasis is on grammar, there is some instruction on general office procedures dictating filing.

Guide de la communication écrite en anglais Sandra Thibaudeau, 2008 Le Guide de la communication écrite en anglais comprend plus de 90 tableaux couvrant la majorité des difficultés de rédaction. L'information présentée en anglais est enrichie de notes complémentaires en français qui mettent en lumière les particularités de la langue et signalent les exceptions. Il s'agit de l'outil idéal pour rédiger et mettre en forme des communications de nature professionnelle ou universitaire.
