Features include a table of contents, timeline, facts, additional resources, Web sites, a glossary, a bibliography, and an index. *Essential Lives* is a series in *Essential Library*, an imprint of ABDO Publishing Company. **Gloria Steinem** Mark Hoff, 1991 A biography of feminist leader Gloria Steinem emphasizing her role in the women's liberation movement of the 1970s.

Gloria Steinem Mark Hoff, 1991-01-01 A biography of feminist leader Gloria Steinem emphasizes her role in the women's liberation movement of the 1970s. Gloria Steinem, 2006 Presents the life and accomplishments of a leading supporter of the women's liberation movement in the United States who helped found the feminist magazine *Ms.* as well as other organizations. **Gloria Steinem** Patricia Cronin Marcello, 2004 Profiles the life of Gloria Steinem from her early life through her important contributions to the feminist movement.

Gloria Steinem William H. Pruden III, 2025-04-17 Details the life and activism of Gloria Steinem using her life as a lens through which readers can examine the evolution of women's rights in the United States over the past half century. This work traces the life and career of the feminist activist, providing an examination of her life and her efforts to further equal opportunity among all people, especially women in the United States from the second half of the 20th century to the present. It follows Steinem in a primarily chronological fashion to best convey the impact of her own efforts as well as the changing nature of women's status in American society during Steinem's half century as an active reformer and public figure. The book notably includes her work with *Ms. Magazine* and details of her personal life. This wider coverage of Steinem's life from her early childhood to the present adds to previous works which tend to stop at the height of the women's movement and the rise of the Conservative movement in the early 1980s. With one of the defining aspects of Steinem's work being her lifelong commitment to women's rights and human equality, the treatment of her whole life helps readers understand the full extent of both her commitment and impact. *Ms. Gloria Steinem* Winifred Conkling, 2020-06-30 Throughout the years, Gloria Steinem is perhaps the single most iconic figure associated with women's rights; her name is practically synonymous with the word feminism. Documenting everything from her boundary pushing journalistic career to the foundation of *Ms. Magazine* to being awarded the 2013 Presidential Medal of Freedom, Winifred Conkling's *Ms. Gloria Steinem: A Life* is a meticulously researched YA biography that is sure to satisfy even the most voracious of aspiring glass ceiling smashers. Gloria Steinem was no stranger to injustice even from a young age. Her mother, Ruth, having suffered a nervous breakdown at only 34, spent much of Gloria's childhood in and out of mental health facilities. And when Gloria was only 10 years old, her father divorced her mother and left for California, unable to bear the stress of caring for Ruth any longer. Gloria never blamed her mother for being unable to hold down a job to support them both after that, but

rather blamed society's intrinsic hostility toward women and working women in particular. This was the spark that lit a fire in her that would burn for decades and continues to burn brightly today.

I Know This to Be True - Gloria Steinem on Empathy, Integrity and Authenticity Nelson Mandela Foundation, 2020-05-14 I Know This to Be True is a global five year project founded on original interviews to inspire a new generation of leaders. Truth, wisdom, inspiration and what really matters for the most inspiring leaders of our time. Feminist icon and social justice activist Gloria Steinem has devoted her life to challenging discrimination against women. In this remarkable interview she shares stories from her more than fifty years working as a tireless advocate and award winning journalist. With warmth and candour Steinem looks back on the formative lessons of her life including how her unconventional childhood shaped her worldview and why listening, empathy and laughter are guiding principles in her work. In the continued fight for gender equality Steinem's words are a beacon for a new generation of social activists and a call to follow your convictions with courage and grace. *Gloria Steinem* Sydney Ladensohn Stern, 2023-10-03 Includes a new afterword. A richly detailed biography of the iconic feminist based on interviews with friends, family, colleagues and Steinem herself. The Washington Post. Going beyond Gloria Steinem's public persona, this biography provides an in-depth portrait of the famed activist, covering her family of origin, Smith College education, travels in India, founding of Ms magazine and much more, drawn from fifty hours of interviews with Steinem as well as conversations with more than two hundred people in her life. Stern's biography is sympathetic but critical about the woman who was once perhaps the foremost figure of American feminism. Follows its subject from her childhood with a mentally ill mother and never do well father through her rise in the women's movement. The New York Times Book Review. Feminist icon, goddess, social climber, bunny who is Gloria Steinem. All of the above according to this serious new biography. A real look at Steinem off the public platform. Kirkus Reviews. Avoiding esoteric psychological or feminist theorizing, Stern still provides a clear context for Steinem's development both as a public figure and as an exemplar of the movement that seeks to have women define themselves as autonomous individuals. Library Journal. Includes photographs. *Gloria Steinem* William H. Pruden III, 2021-08-02 Roots of Rebellion: Young Gloria and Challenges on the Home Front. An Inquiring Mind. Gloria Steinem G., Nancy Attebury, 2006-01-01 **Gloria Steinem** Jacqueline Laks Gorman, 2004 A biography of the feminist writer and activist, founder of Ms magazine and the Ms Foundation and her impact on the women's movement.

The Education of a Woman Carolyn G. Heilbrun, 1995 In that book Heilbrun drew on the experiences of celebrated literary women: George Sand, Virginia Woolf, Adrienne Rich to invite all women to write their own scripts without inhibition. Now in *The Education of a Woman* Heilbrun draws on the life of one of the most controversial women of our time, a woman who most definitely in word and in deed wrote her own script.
