Gmat Reading Comprehension Grail:

GMAT Reading Comprehension Grail Aristotle Prep, 2013-01 You need three things to do well on GMAT Reading Comprehension you need to know the secrets to reading passages efficiently learn how to identify and tackle different RC Question Types and practice enough number of passages from myriad subjects to build the requisite mental stamina so that you are able to comprehend dense and boring passages that the GMAT tests you on The GMAT Reading Comprehension Grail has been written keeping the above three points in view The book spans over 300 pages and is the most comprehensive book available today in the market to crack the GMAT Reading Comprehension The book starts by unraveling the secrets to reading passages quickly yet effectively then moves on to discuss various RC question types and then provides 60 GMAT like practice passages By the time you finish the book we assure you that you will not fear reading comprehension on the GMAT anymore because you would have learnt what are the best strategies which of the them work for you and which don t you will know the types of mistakes you make and what you need to do about them and above all you will not be scared of seeing passages from areas that you had no interest in In short you will be much more confident about taking on RC passages How is this book superior to any other book for Reading Comprehension This book provides you 3 times the number of practice passages as compared to any other book Unlike other books the RC Grail strictly follows a 3 4 questions per passage format just as the GMAT does RC Grail is the only book that categorizes passages into three difficulty levels low medium high This categorization ensures that by the time you reach high difficulty level passages you ll be ready to handle them with confidence RC Grail is the only book that provides a passage map for every passage along with detailed explanations to questions Unlike those in other books the passages in the RC Grail are the closest you can get to the GMAT passages in length structure

GMAT Critical Reasoning Grail Aristotle Prep, 2012-10 The GMAT Critical Reasoning Grail spans more than 240 pages and helps you master Critical Reasoning on the GMAT in a systematic way The book firstly builds a strong foundation by discussing the basics of Critical Reasoning and then addresses each question type in depth It then goes a step further and provides you 100 practice questions for intensive practice Like the Sentence Correction Grail the Critical Reasoning Grail is written in an engaging manner and will equip you with all the skills that you need to tackle Critical Reasoning questions confidently This book is superior to the other books available for Critical Reasoning in many ways The GMAT Critical Reasoning Grail contains the most up to date content for Critical Reasoning For example while other books focus on Main Point questions these question types rarely appear on the GMAT now Similarly question types such as Logically complete the passage which are increasingly being tested on the GMAT find no mention in other books whereas the CR Grail has an entire chapter that discusses this question type What also distinguishes the GMAT Critical Reasoning Grail is that it helps you master Critical Reasoning in a step by step manner using jargon free language and does not make you dependent on the diagrammatic approach It is also the only book that provides you 100 Critical Reasoning Questions for
